GENERAL INFORMATION AND SPECIFICATIONS

GENERAL
Williamson County is seeking a Statement of Interest and Qualifications from experienced Engineering firms/teams, specializing in Geotechnical Engineering for the Williamson County Sherriff’s Office Training Center project.

DESCRIPTION OF PROJECT
Williamson County intends to hire one Geotechnical Engineering firm to assist with the Geotechnical Engineering exploration, sampling and testing followed by the development of foundation recommendations for the Williamson County Sherriff’s Office Training Center project; a 25,000 square foot one story industrial building to be located at 8032 Chandler Road near Hutto, Texas.

TECHNICAL EXPERTISE
Interested firms/teams shall have extensive knowledge and expertise to include, but not be limited to:

- Field exploration and soil sampling
- Soil testing
- Development of Foundation Requirements for Buildings

SCOPE OF SERVICES REQUESTED
The following is the minimum scope of services to be provided by the geotechnical engineering firm selected for the project:

1. In conjunction with the Project’s architect, civil engineer and structural engineer; develop a soils investigation and sampling plan for the project
2. Test the materials as necessary to develop the foundation, pavement and slope stability requirements.
3. Issue an engineering report documenting the process, soil sampling, testing and project foundation recommendations.

FORMAT FOR REQUEST FOR QUALIFICATION SUBMITTALS (QUALIFICATIONS SECTION)

1. Cover Letter - included in page total
   Signed and dated by an authorized representative of the organization (including all contact information.)

2. Certified Statement - included in page total
   Provide a certified statement that the A/E firm/team is registered in the State of Texas and licensed to perform Geotechnical Engineering services which are necessary for the project, and a certified statement that the engineers are not disbarred, suspended or otherwise prohibited from professional practice by any federal, state, or local agency. For purposes of this RFQ, Architect/Engineer or A/E means a person licensed as a professional engineer pursuant to Chapter 1001 of the Texas Occupations Code, or a firm/team retained by Williamson County to provide professional engineering services and exercising overall responsibility for the Geotechnical Engineering Services. All Studies, Reports, Plans, and Specifications must be prepared, signed, stamped, and sealed in accordance with the State of Texas rules and regulations regarding applicable professional practice.

3. Responses to evaluation criteria - included in page total
   Provide your firm’s and staff’s qualifications and relevant project experience.

4. Organizational charts - not included in page total
   For each office of the company submitting staff in support of this proposal, provide a current organizational chart showing staff that your firm would anticipate using. For the offices proposed to provide these services including sub consultants:
   a. Number and discipline of Professional staff employees.
b. Number of Non-Professional staff employees.
c. Total number of staff, including administration employees.

5. **Resumes - not included in page total**
Provide resumes of staff you choose to submit in support of your qualifications.

**EVALUATION CRITERIA**
Each response to this Request for Qualifications will be subject to the same review and assessment process. Statements of Qualification will be evaluated on the basis of the firm/team’s technical capability and experience.

All firms/teams submitting qualifications should provide at a minimum, their firm/team’s expertise and capabilities as they relate to the following points A-C. All firms/teams will be evaluated on these three (3) items.

- **A. Experience and capability in providing geotechnical services (40 points)**
- **B. Knowledge and experience with Williamson County soils (20 points)**
- **C. Experience providing foundation recommendations for multi-story structures. (40 points)**

**SELECTION**
The selection Committee may make a recommendation of award to the Commissioner’s Court based on evaluation of the Statement of Interest and Qualification received or may request the highest ranked firms attend an interview and make a recommendation based on the committee’s evaluation of the interviews. In both the one or two step process the selection Committee will make a recommendation to the Williamson County Commissioner’s Court that will award the contract utilizing the County’s standard form of agreement, which the selected Geotechnical firm must execute in order to be awarded the contract. County reserves the right to conduct due diligence, and seek additional information as necessary provided equal opportunity to obtain such information is afforded to all respondents.

**COMPENSATION INFORMATION: FEES AND CONTRACT AWARD**
Williamson County will not provide compensation or defray any cost incurred by any firm/team related to the response to this request. Williamson County reserves the right to negotiate with any and all persons or firm/teams. Williamson County also reserves the right to reject any or all RFQ(s), or to accept any RFQ deemed most advantageous, or to waive any irregularities or informalities in the RFQ received, and to revise the process and/or schedule as circumstances require.

Fee negotiations will be initiated once the highest rated A/E firm is selected. If negotiations for acceptable fees are not successful, the next highest ranking A/E firm will be selected and negotiations will be initiated with the next highest ranked A/E firm until such negotiations are successful.

The contract award will be made by the Williamson County Commissioners Court utilizing the County’s standard form of agreement, which the selected firm must execute within ten (10) calendar days from the Notice of Selection in order to be awarded the contract. Williamson County intends to establish one contract with each firm selected to provide the professional geotechnical engineering services. The contracting entity may subcontract with another engineering firm to provide the professional services as a team approach; provided, however, the firm submitting a response to this RFQ (ultimately the contracting firm) must set forth in its Statement of Interest and Qualifications the name of the engineering firm that it intends to subcontract and clearly identify the portions of the scope of services which such engineering firm will provide. The contracting firm shall remain contractually responsible and liable for the provision of the services to Williamson County.
CONTRACT ADMINISTRATOR

Gary Wilson, Director of Facilities Division, (or successor) at 3101 SE Inner Loop Georgetown, TX, shall serve as Williamson County’s Contract Administrator with designated responsibility to ensure compliance with the requirements of the Contract and any ensuing Agreement, such as but not limited to, acceptance, inspection and delivery. The Contract Administrator will serve as liaison between the Williamson County Commissioners Court and the Successful Respondent.
