INTERLOCAL AGREEMENT FOR SECURITY PATROLS

THE STATE OF TEXAS §
 §
 COUNTY OF WILLIAMSON §

This Interlocal Agreement for Security Patrols ("Agreement") is made and entered into by and between Williamson County, Texas (the "County") and Springwoods Municipal Utility District (the "District"), in order to set forth the terms and conditions under which the County shall provide additional security patrols by the Williamson County Sheriff's Department (the "Department") of the property within the District

RECITALS

WHEREAS, the District is a political subdivision of the State of Texas situated within the County, and

WHEREAS, the County is a political subdivision of the State which provides, through the Department, law enforcement services within the geographic area encompassed by the County, including the District; and

WHEREAS, the District desires to obtain increased security patrols within the District by the Department for purposes of preventing or abating offenses against the rules of the District and the laws of the State, as permitted by Section 49.216 of the Texas Water Code, and

WHEREAS, the District and the County are empowered, pursuant to Chapter 791 of the Government Code, the Texas Interlocal Cooperation Act (the "Cooperation Act"), to contract with each other for the performance of governmental functions, including police protection, and

WHEREAS, the parties agree that increased patrols by the Department would mutually benefit the parties, and serve to protect the public interest and the public health, safety, and welfare,

NOW, THEREFORE, know all men by these presents, that in consideration of the premises, and the mutual covenants and agreements contained herein, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the District and the County agree as follows

Section 1 Patrol Services The County agrees to provide additional patrol services in two (2) hour blocks, during high risk periods, seven (7) days per week. The time blocks of patrols and the number of patrols may be changed upon mutual agreement of the parties. It is agreed that the deputy providing the services shall, at a minimum, drive through the parking lot for Springwoods Park and Springwoods Pool, and walk through the Springwoods Park and through the open areas of the Springwoods Pool (including tennis courts) during each patrol required hereunder. During the walk-through, the deputy shall monitor the restrooms located in the Springwoods Park and the exterior of the bathhouse located in Springwoods Pool for any vandalism. A written report showing

the date and time of each patrol and any incidents or other matters observed shall be submitted monthly, on or before the last day of the month. The foregoing shall in no way relieve the County of its obligation to provide routine patrol services to property within the District on the same basis as such services are provided to other property within the County. The foregoing services shall be in addition to, and not in lieu of, such routine services.

Section 2 Compensation For the additional patrol services requested by the District and provided by the County as described above, the District agrees to pay, from current revenues, a fixed hourly amount of Eighteen and No/100 Dollars (\$18.00) per hour of patrol service. The County hereby authorizes and directs the District to pay all sums due and payable hereunder directly to the deputy providing additional patrol services to the District hereunder. The County shall prepare and issue to each deputy providing such services a time sheet indicating (a) the total hours of additional patrol services rendered by the deputy, and (b) the approval of the County of such services and shall forward such time sheets to the District for payment. The total amount payable by the District hereunder shall not exceed \$2,500.00 per month. The District, in paying for the governmental services being rendered by the County through the Department hereunder, shall make such payments out of current revenues available to the District, as required by the Cooperation Act. The District agrees to issue IRS forms 1099 to each deputy providing services hereunder, setting forth the total sum paid to such deputy for each calendar year in which services are performed.

Section 3 Performance of Patrol Services Additional patrol services provided to the District under this Agreement shall be provided by deputies employed by the Department, and such deputies shall remain under the control and supervision of the County at all times. The deputies providing services under this Agreement shall perform duties in the same manner as if providing patrol services within the District in the absence of this Agreement, and shall remain County employees, entitled to the same benefits, and subject to the same restrictions as any other deputy, provided, however, that the direct hourly compensation to be paid to such deputy shall be paid as provided in Section 2, above. Such deputies shall wear their Sheriff's Department uniforms and equipment and shall utilize marked Sheriff's Department patrol cars while providing services under this Agreement. All equipment, uniforms, and insurance of such employees shall be the sole responsibility of the County. All deputies providing services under this Agreement shall be acting in the course and scope of their employment by the County at all times while engaged in the performance of the additional patrol services contemplated hereunder.

Section 4 Indemnity The District shall have no liability relating to any action taken by any deputy providing services under this Agreement. To the extent permitted by applicable law, the County shall indemnify and hold harmless the District from any liability, claim or demand, including attorney's fees for the defense thereof, arising as the result of any act or failure to act by any deputy providing services under this Agreement.
