

AGENDA ITEM # 22

March 4, 1997

*

Hear presentation of construction documents for temporary inmate housing and take any appropriate action, including but not limited to, setting bid opening date.

Joseph Santopetro of Di Stefano/Santopetro Architects, Inc. addressed the court with specifications and plans converting the approximately 18 parking spaces on ground floor of existing Williamson County jail into 96 beds for inmate housing. He advised this facility would be ideal for over-night detention and those inmates involved in the work release program (of which 45 inmates are currently involved).

He indicated his firm would advertise in various trade journals in addition to the advertising Williamson County would handle.

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To authorize advertising 2 o'clock p.m. on April 8, 1997, to receive bids for construction of temporary inmate housing in Williamson County Jail.

Vote: Motion carried 3 - 0
