Dear Green Thumb Supporter:

On behalf of Green Thumb and our senior work force, I offer our thanks and sincere appreciation for your continued support as a sponsoring agency for our participants.

Like many non-profits, Green Thumb finds it necessary to diversify our funding base by seeking outside contributions which will help Green Thumb keep open the doors of opportunity for our growing senior population.

Recently, I invited you to join the ranks of our Older Worker Champion network. Since we have not heard from you, I thought that perhaps you did not receive my letter. Therefore, on the back of this letter, I have included a summary of my October mailing.

Thank you again for your ongoing commitment to serving older workers. We hope that we can count you among our Older Worker Champions!

Sincerely,

A handwritten signature in cursive script, appearing to read "Diane Cowan".
