Proposed Revision for Item 15 of the 1997 Budget Order:

15. In compliance with the Texas Workers' Compensation Insurance Act, all Williamson County employees are provided Workers' Compensation coverage by Texas Association of Counties. Provided that the employee agrees to give the Workers' Compensation check they receive from the insurance carrier back to the County, Williamson County will pay full salary less taxes and regular payroll deductions for (8) weeks. After (8) weeks, the employee will only receive the workers' compensation check from the insurance carrier. More information about Workers' Compensation rights may be obtained from the Texas Workers' Compensation Commission, by calling (512) 448-7900, or by contacting the Williamson County Benefits Administrator. The Williamson County Employee Benefits Department will report all injuries to the Third Party Administrator for the Texas Association of Counties Workers' Compensation Claims Fund as they are reported. Claims for lost time are forwarded to the Texas Workers' Compensation Commission by the Third Party Administrator.
