

AGENDA ITEM # 4

September 2, 1997

*

Consider noting in minutes any right-of-way work on any county road done by Road & Bridge Unified System.

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To note utility requests in minutes;

City of Austin road cuts on Lyndon Lane, Water Oak Lane and Anderson Mill Road;

Central Telephone Company of Texas right-of-way on County Roads 223 and 224;

Chisholm Trail Special Utility District bore on Sunset Lane in Northlake Subdivision;

General Telephone & Electronics on County Roads 143 and 234;

Jonah Water Special Utility District road cut on County Road 156;

Southwest Milam Water for road bore on County Road 421.

Vote: Motion carried 5 - 0

< Clerk copy here >

UTILITY INSTALLATION REQUEST

DATE: May 22, 1997

TO: Williamson County Commissioners' Court
c/o County Engineer, County Road Administrator or County Commissioner

Formal notice is hereby given that City of Austin proposes to place a 24-inch wastewater line within the right-of-way of Lyndon Lane and Water Oak Lane a County Road as follows: starting approximately at the intersection of Lyndon Lane and Water Oak Lane heading along Water Oak Lane for approximately 800 feet.

The location and description of the proposed line and appurtenances is more fully shown on the drawing attached hereto. The line will be constructed & maintained on the County right-of-way in accordance with current Williamson County Specifications as directed by the County Engineer, County Road Administrator or County Commissioner.

Construction will begin on or after the 15 day of December 1997, and is estimated to be completed in 270 calendar days.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

**Williamson County
Unified Road System**

When specifically agreed to in writing and signed by a Williamson County Commissioner, or the County Road Administrator, Williamson County will permit the cutting of a roadbed in lieu of core drilling, provided the contractor or contractors agree to the following installation:

SPECIFICATION FOR CUTTING ROADBED IN LIEU OF CORE DRILLING

1. Compacted base material with concrete cap.
2. The utility shall be placed a minimum of 30" below the flow line.
3. Layer compacted and topped with 3" hot mix asphalt.
4. A performance bond, or other securities agreed upon by the County, must be pledged in the amount of the estimated cost of the road repairs, as agreed to by the contractor and Williamson County, prior to the commencing of a cutting of the roadbed.
5. A road cut permit fee, in the amount of \$120.00 per roadbed cut, must be submitted to the County Road Administrator's office prior to cutting the roadbed.

**SPECIFICATION FOR CUTTING ROADBED IN LIEU OF CORE DRILLING
WITHIN AUSTIN ETJ**

1. Roadbed cuts to be repaired in accordance with City of Austin specifications as outlined in their standard Specifications for Cuts in Public Right of Way Manual.
2. The utility shall be placed a minimum of 30" below the flow line.
3. The installation to be free from defects for a period of one (1) year from completion date. Any maintenance required during this period, caused by the cutting of a road, will be done by the contractor or contractors without cost to the County.
4. A performance bond, or other securities agreed upon by the County, must be pledged in the amount of the estimated cost of the road repairs, as agreed to by the contractor and County, prior to the commencing of a cutting of the roadbed.
5. A roadbed cut permit fee, in the amount of \$120.00 per roadbed cut, must be submitted to the County Road Administrator's office prior to cutting the roadbed.

This agreement must be entered into prior to the commencing of the cutting of a roadbed.

1. Hot mix asphalt 1 1/2" min. thickness. Roll in place to match existing surface. $\pm 1/8"$ tolerance.
2. Trench backfill shall be flexible base, compacted to 95% optimum in 8" layers unless otherwise approved and specified. Flexible base to match existing base thickness or 8 inches, whichever is greater (specifications: TSHD Item 248, Type A, Grade 2).
3. Pipe embedment (pipe envelope) size and materials shall be as specified elsewhere by the utility company and/or its engineers. Pipe depth shall be as specified elsewhere provided minimum depths are met.
4. Saw cut shall be made prior to ditch cut. If pavement is damaged during cut, a new saw cut shall be made beyond the damaged area and new pavement placed.
5. Where roadside ditches (bar ditches) are crossed by the utility pipe, minimum depth to the top of the pipe from centerline road elevation will be 36".

AGENDA ITEM # 5September 2, 1997*Consider granting final plat approval to Re-subdivision of Lot 15, Bear Creek Ranch.

Moved: Commissioner Boatright

Seconded: Commissioner Hays

Motion: To grant final plat approval to Re-subdivision of Lot 15, Bear Creek Ranch.

Vote: Motion carried 5 - 0

AGENDA ITEM # 6September 2, 1997*Consider accepting road maintenance for Bell Meadows Subdivision.

The County Engineer advised the Letter of Credit was released last week. Some potential purchasers have applied for loans to Farmers Home Administration which requires the streets be accepted for maintenance by Williamson County before loan approval. The developer has deposited a warranty bond in the amount of 10% of construction costs which could be used for any deficiencies until 60% occupancy of the subdivision or two years have elapsed and the bond is returned.

Moved: Commissioner Hays

Seconded: Judge Doerfler

Motion: To accept road maintenance for Bell Meadows Subdivision.

Vote: Motion carried 5 - 0

AGENDA ITEM # 7September 2, 1997*Consider granting final plat approval to Cat Hollow, Section A, Phase 4.

Moved: Commissioner Hays

Seconded: Commissioner Boatright

Motion: To grant final plat approval to Cat Hollow, Section A, Phase 4.

Vote: Motion carried 5 - 0

AGENDA ITEM # 8September 2, 1997*Consider granting final plat approval to Cat Hollow, Section A, Phase 5.

Moved: Commissioner Hays

Seconded: Commissioner Boatright

Motion: To grant final plat approval to Cat Hollow, Section A, Phase 5.

Vote: Motion carried 5 - 0

AGENDA ITEM # 9September 2, 1997*Consider granting final plat approval to The Ranch at Cypress Creek, Section 8.

This property is located within the extra territorial jurisdiction of the City of Cedar Park advised the County Engineer.

Commissioner Boatright noted the Williamson County Health District had signed the plat on January 26, 1996, the owners on September of 1996 and the City of Cedar Park had not signed at all.

The County Engineer will obtain more current signatures before presenting to court.

Moved: Commissioner Boatright

Seconded: Commissioner Heiligenstein

Motion: To table this agenda item.

Vote: Motion carried 5 - 0
