CONDITIONS

1. **Premium** All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

2. **Inspection and Audit** The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. **Financial Responsibility Laws** When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The insured agrees to reimburse the company for any payment made by the company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit

- (a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as practicable.
- (b) If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.
- (c) The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which insurance is afforded under this policy; and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. **Action Against Company** No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the

insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

6. **Other Insurance** The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

- (a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.
- (b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. **Subrogation** In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

It is agreed the company waives its right of subrogation for any person or organization for whom the covered county has agreed by written contract to furnish a waiver.

8. **Changes** Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. **Assignment** Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall die, such insurance as is afforded by this policy shall apply (1) to the

named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

10. **Aggregate Limit** The limit of the company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. **Cancellation** This policy may be cancelled by the insured named in Item 1 of the declarations by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when, not less than sixty days thereafter, the cancellation shall be effective.

This policy may be cancelled by the company by mailing to the insured named in Item 1 of the declarations at the address shown in this policy, written notice stating when not less than sixty days thereafter such cancellation shall be effective, except:

- (a) Upon failure of the named insured to discharge his obligation in the payment of premium for the policy or any installment thereof, whether payable directly to the company or its agents or indirectly under any premium finance plan or extension of credit, the company may cancel the policy by mailing written notice to the named insured at least sixty days prior to the effective date of cancellation;
- (b) Upon a substantial change in operations resulting in an increase in exposure within the control of the insured which would produce an increase in rate, the company may cancel the policy by mailing written notice to the named insured at least sixty days prior to the effective date of cancellation;
- (c) Where a company has been placed in supervision, conservatorship, or receivership, the company may cancel a policy by mailing written notice to the named insured at least sixty days prior to the effective date of cancellation upon approval or at the direction of the supervisor, conservator or receiver.

12. **Nonrenewal** If the company elects not to renew this policy, it shall mail to the insured named in Item 1 of the declarations, at the address

shown in this policy, written notice of such nonrenewal not less than sixty days prior to the expiration date, except where a company has been placed in supervision, conservatorship, or receivership, the company may decline renewal of a policy by mailing written notice to the named insured at least ten days prior to the expiration date upon approval or at the direction of the supervisor, conservator or receiver.

The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of nonrenewal stated in the notice shall become the end of the policy period. Delivery of such written notice by the company shall be equivalent to mailing.

13. **Declarations** By acceptance of this policy, the named insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the company or any of its agents relating to this insurance.

14. **Unintentional Errors or Omissions Provision** It is agreed that failure of the insured county to disclose all hazards existing as of the inception date of the coverage agreement shall not prejudice the county with respect to the coverage afforded by this coverage agreement, provided such failure or any omission is not intentional.

15. **Blanket Additional Insured Provision** It is agreed that as respects both comprehensive general liability and auto liability coverages, coverage for additional insureds as required by written contracts entered by the insured county is hereby granted.

This coverage applies only to claims arising out of negligence on the part of the insured county. Except this coverage shall not apply to any contract between the named insured and any other governmental body, political subdivision or voluntary association.

Coverage D—The total liability of the company for all damages because of all property damage sustained by one or more persons or organizations as the result of any one occurrence shall not exceed the limit of property damage liability stated in the declarations as applicable to "each occurrence".

Coverages C and D—For the purpose of determining the limit of the company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

WARNING
READ THIS ENDORSEMENT CAREFULLY!

Automobile accidents in Mexico are subject to the laws of Mexico only—NOT the laws of the United States of America. Unlike the United States, the Republic of Mexico considers an automobile accident a CRIMINAL OFFENSE as well as a civil matter.

In some cases, the coverage under this endorsement may NOT be recognized by Mexican authorities and the company may not be allowed to implement this coverage at all in Mexico. You should consider purchasing automobile coverage from a licensed Mexican Insurance Company before driving into Mexico.

This endorsement does not apply to trips into Mexico that exceed 25 miles from the boundary of the United States of America.

This endorsement forms a part of Policy No. _____ issued to _____

TERRITORIAL LIMITS

This endorsement extends the territorial limits set forth in the policy to include coverage during limited travel into Mexico. Limited travel means infrequent trips into Mexico that: (1) do not exceed 25 miles from the boundary of the United States of America, and (2) do not exceed 10 days at any one time.

APPLICABILITY

This endorsement applies only to insured persons who live in the United States of America. The automobile covered by this endorsement must be principally garaged and used in the United States of America. If either of these two requirements are not met this endorsement will be void.

LOSSES PAYABLE UNDER PHYSICAL DAMAGE COVERAGE

Losses that occur in Mexico and that are payable under the policy's Physical Damage Coverage will be paid in the United States of America—NOT MEXICO. The automobile may need to be repaired in Mexico. If so, the amount payable will not exceed the actual cash value of such loss at the nearest point in the United States of America where such repairs can be made.

OTHER INSURANCE

Expenses for Medical Services—The insured may have other valid and collectible automobile medical payments insurance applicable to the owned or non-owned automobile. If so, this policy will not pay for losses covered under the automobile medical payments provisions of this policy until all other such coverage is used up.

Personal Injury Protection Coverage—The "other insurance" condition of the Personal Injury Protection Coverage is not changed by this endorsement.

All Other Coverages—The insured may have other valid and collectible insurance applicable to losses covered by this policy. If so, this policy will not pay for such losses until all other valid and collectible insurance is used up.
