RE: Delinquent Property Tax Collection Activity Report For The Period of July 1, 1997 through September 30, 1997

Dear Deborah:

The following is a Delinquent Property Tax Collection Activity Report For The Period of July 1, 1997 through September 30, 1997 for the information of the Commissioners' Court and yourself. This report details the activities undertaken to collect the delinquent taxes owed to Williamson County. This report also briefly explains the procedures we follow to insure that each property owner is notified of their tax delinquency, and the legal steps that will be taken when payment of the taxes is not voluntarily made.

**TAXPAYER NOTIFICATION** - Our experience has proven that the right notice to the right person at the right time results in the payment of taxes to our client. For this reason, McCreary, Veselka, Bragg & Allen sends a series of letters to property owners both before and after we have filed a delinquent tax suit against a property owner and the property. We send notices of delinquency at least three times each year.

Many delinquent accounts are collected as a result of giving the proper attention to finding the correct address of a property owner. Delinquent accounts with unknown or incorrect addresses are researched by the Firm through the use of the telephone directories, City Directories, utility records, voter registration records, assumed name files and the records of the Secretary of State. When the Firm obtains new addresses, notices are immediately sent informing the property owner of their tax delinquency and the need for prompt payment of the delinquent taxes. The Firm simultaneously notifies the Tax Office of the new address so that the tax records can be updated.

On July 18, 1997, McCreary, Veselka, Bragg & Allen mailed 6,279 notices of delinquency. We received numerous requests for payout agreements as a result of these notices as well as a significant number of payments. We were also able to identify some problem accounts as a result of the mailing which will require investigation and possible action by the Appraisal District.

On September 29, 1997, we prepared 2,757 second notices of delinquency which were mailed on October 1, 1997.
