§ 251.010

TRANSPORTATION CODE Title 6

§ 251.010. Gates on Third-Class and Neighborhood Roads; Offenses

(a) A person who owns real property on which a third-class road or a neighborhood road established under Section 251.053 is located for which the right-of-way was obtained without cost to the county may erect a gate across the road when necessary. The person shall place a permanent hitching post and stile block on each side of the gate within 60 feet of the gate. The gate must be:

- (1) at least 10 feet wide;
 - (2) free of obstructions above the gate;
 - (3) constructed so that opening and shutting the gate will not cause unnecessary delay to a person using the road; and
 - (4) constructed with a fastening to hold the gate open until a person using the gate passes through it.
- (b) The property owner shall keep the gate and the approaches to the gate in good order.
- (c) A person who erects a gate across a road specified by Subsection (a) and who willfully or negligently fails to comply with a requirement of this section commits an offense. An offense under this subsection is a misdemeanor punishable by a fine of not less than \$5 or more than \$20. Each week that the person fails to comply with this section constitutes a separate offense.

(d) A person who willfully or negligently leaves open a gate on a road specified by Subsection (a) commits an offense. An offense under this subsection is a misdemeanor punishable by a fine of not less than \$5 or more than \$20.

§ 251.012. County Authority in Municipality

(a) With the approval of the governing body of a municipality, the commissioners court of a county may spend county money to finance the construction, improvement, maintenance, or repair of a street or alley in the county that is located in the municipality, including the provision of:

- (1) necessary roadbed preparation or material;
- (2) paving or other hard covering of the street or alley; or
- (3) curbs, gutters, bridges, or drainage facilities.

(b) County work authorized by this section may be done or financed:

- (1) by the county through the use of county equipment;
- (2) by an independent contractor with whom the county has contracted;
- (3) by the county as an independent contractor with the municipality; or
- (4) by the municipality, with the municipality to be reimbursed by the county.

(c) A county acting under this section has, to the extent practicable, the same powers and duties relating to imposing assessments for the construction, improvement, maintenance, or repair as the municipality would have if the municipality were to finance and undertake that activity.

(d) A county acting under Subsection (b) may not spend bond proceeds for the construction of a new road in a municipality unless the construction is specifically authorized in the election approving the issuance of the bonds, regardless of the source of the money used to acquire the equipment used to construct the road.

(e) The authority granted by this section is in addition to the authority of a county provided by a local road law.
