Robin Ford from the Williamson County Sheriff's Department informed the court of the recent organization of the Williamson County Sheriff's Association, which would like to have an agenda item for a future meeting to discuss payroll deduction.

Commissioner Heiligenstein suggested a meeting with Judge Doerfler before the item appears for consideration during a future Commissioners Court meeting. Judge Doerfler set the meeting for 9:30 a.m. on Friday, January 16, 1998.

Paulo Pinto of the Cities and Williamson County Health District invited everyone to attend a public hearing in the Commissioners Courtroom at 4 p.m. on Thursday, January 15, 1998, to discuss revisions of on-site sewage facility regulations. This once-in-every-ten-years occurrence could change lot sizes as well as other matters.

The Cities and Williamson County Health District is sponsoring the hearing the results of which will be discussed with the State Board of Health who will in turn advise TRNCC who will review for approval or denial. After the State Board of Health has approved the revisions they will become state law.

Mr. Pinto encouraged all to attend.
