Transferee Elected Official/Department Head

Note: Radio Equipment in 88 Ford will be retained.

AGENDA ITEM # 45September 8, 1998

*

Consider approving amendments to 1999 adopted budget order.

Judge Doerfler informed the court of the committee meeting with representatives of the offices of the County Judge, Auditor, Treasurer and again on September 7, 1998, with representatives from the Sheriff's Department. Recommendation of the committee is to leave the budget order as is and amend: 6.b on page 5 to 85 hours from 80 hours; 6.d on page 5 to half time from straight time until an in depth report is received from Kathy Wierzowiecki on costs and prices on straight time and overtime.

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To adopt budget order as approved August 25, 1998, in Volume 99, pages 682 through 702 of the Commissioners Court minutes with revisions of 6.b from 80 hours to 85 hours and 6.d from straight time to half time.

Vote: Motion carried 4 - 1 with Commissioner Hays voting against the motion.

Judge Doerfler asked the Commissioners if they would consider rescinding the \$30,000.00 incentive pay for Sheriff Department Field Training Officers until an in depth study could be completed on a county wide incentive program.

Commissioner Boatright felt the court could possibly be approached for a county wide incentive program and a study was in order.

Commissioner Hays expressed his opinion that the 1999 budget was dedicated to a program of competitive salaries with Williamson County being able to keep capable and competent employees in all departments. He felt the proposed Sheriff Department salaries were not as competitive as they should have been in order to retain quality employees.

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To rescind \$30,000.00 incentive program for Sheriff Department Field Training Officers.

Vote: Motion passed 3 - 2 with Commissioners Heiligenstein & Hays voting against the motion.
