NOTICE OF PROPOSED INSTALLATION
UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 10-16-98

Formal notice is hereby given that City of Austin

Company proposes to place a REPAIR A BROKEN WASTEWATER MAIN

line within the right-of-way of PARMER LN W. @ ANDERSON MILL RD
as follows: (give location, length, general design, etc.)

A 14 X 9 sidewalk cut WAS made on PARMER LN.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by _____ copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 10 day of October 1998.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

I, SIM LOGSDON, Contractor for R+W Utility Construction
in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work
within the right-of-way of CREEKSIDE DR. (Carmel Creek Subd.) which is a public
roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

AGENDA ITEM # 5**November 10, 1998**

*

Consider granting preliminary plat approval to Saratoga Springs.

County Engineer Joe England advised this property is located near Seward's Junction in Precinct #2 for which Chisholm Trail will furnish water and individual septic systems will be required. The Cities and Williamson County Health District has not reviewed this preliminary plat. An additional 20 feet of right-of-way has been dedicated on County Road 212.

Commissioner Boatright requested the County Engineer look at the north end of County Road 212 for the possibility of installation of a better intersection.

Tim Haynie advised this property is not located over the recharge zone.

Moved: Commissioner Boatright

Seconded: Judge Doerfler

Motion: To grant preliminary plat approval to Saratoga Springs.

Vote: Motion carried 3 - 0 with Commissioners Heiligenstein and Hays absent from the dais.

AGENDA ITEM # 6**November 10, 1998**

*

Consider granting final plat approval to Hidden Meadows Subdivision.

Moved: Commissioner Boatright

Seconded: Judge Doerfler

Motion: To grant final plat approval to **Hidden Meadows of Liberty Hill.**

Vote: Motion carried 3 - 0 with Commissioners Heiligenstein and Hays absent from the dais.

AGENDA ITEM # 7**November 10, 1998**

*

Consider granting preliminary plat approval to Country View Subdivision.

County Engineer Joe England advised this proposed subdivision is located at the intersection of County Roads 306 and 309. The developer is dedicating sufficient right-of-way for County Road 306 to become a 90' arterial roadway and County Road 309 a collector road.

Moved: Commissioner Boatright

Seconded: Commissioner Hays

Motion: To grant preliminary plat approval to Country View Subdivision.

Vote: Motion carried 3 - 0 with Commissioners Heiligenstein and Hays absent from the dais.

AGENDA ITEM # 8**November 10, 1998**

*

Consider granting preliminary plat approval to The Ridge at Steeds Crossing.

County Engineer Joe England advised a triangle composed of Lots 12, 15 and 16 is the only portion of this subdivision located in Williamson County on County Road 138. The developer proposes to dedicate additional 30' right-of-way to Travis and Williamson Counties and Mr. England suggested they dedicate the right-of-way to the public in order for both counties to improve their portion of the road.

Moved: Commissioner Boatright

Seconded: Judge Doerfler

Motion: To grant preliminary plat approval to The Ridge At Steeds Crossing, **Section Two.**

Vote: Motion carried 2 - 1 with Commissioner Mehevec voting against the motion and Commissioners Heiligenstein and Hays absent from the dais.
