Commissioner Heiligenstein stated this agenda item is tabled.

AGENDA ITEM # 17

January 20, 1998

*

Consider approving agreement with YMCA for County Park.

Commissioner Boatright stated this being a public park it is being abused. The YMCA will be in charge of access to the park by reservations. There were questions about the public access issue.

Wade Todd with the YMCA addressed the court and answered all questions.

Commissioner Heiligenstein requested getting a ruling from the state concerning the public access because if it is determined to be private use, then every building on the property will revert back to the state as their property.

Moved: Commissioner Boatright

Seconded: Commissioner Heiligenstein

Motion: To table this agenda item until further notice.
