

Discuss and take any appropriate action on request from Greater Leander Chamber of Commerce for economic development funds.

Ann Kelm with the Greater Leander Chamber of Commerce addressed the court requesting help with economic development funds stating the chamber has increased almost 100% over the last year due to natural growth and has become active with the City of Cedar Park and the City of Leander.

Commissioner Boatright commented the county budgets \$40,000.00 for economic development and these funds were not allocated last year.
