AGENDA ITEM # 12**May 5, 1998**

Consider approving the Re-subdivision of Anderson Mill West, Section Nine-A.

County Engineer Joe England advised this property is located at FM 620 and El Salido Parkway consisting of one large lot being divided into smaller tracts.

The City of Cedar Park and the Cities and County Health District have signed the plat.

Commissioner Boatright suggested the county does not want the temporary drainage easement conveyed to Williamson County in Volume 1065, page 927 even with the "Easement to Become Null and Void Upon Tract Development" notation on the plat.

Mr. England advised he had a 2 o'clock p.m. meeting with the City of Cedar Park this afternoon and would discuss the matter with them.

No action was taken on this item which will be added to the agenda of May 12, 1998.

AGENDA ITEM # 13**May 5, 1998**

Hear report from Treasurer on bank accounts and deposits and take any appropriate action.

County Treasurer Vivian Wood reported on County departments which deposited directly into the General Fund bank account and those who delivered funds to the Treasurer's office for deposit into the bank account.

A discussion followed and the Treasurer answered all questions. She asked for additional time to resolve the problems before reporting back to court. July 15, 1998 was the date set and no action was taken on this agenda item.
