

**AGENDA ITEM # 16****May 5, 1998**

Consider declaring an emergency situation for health and safety reasons and discuss acquiring additional right-of-way on County Road 347 adjacent to San Gabriel River to relocate portion of the road.

County Road Superintendent Greg Bergeron advised erosion has occurred on County Road 347 as it curves near the San Gabriel River resulting in a 30' drop directly off the side of the road. He suggested acquiring additional right-of-way and moving the road to the north, installing a guard rail and providing parking on the original road site.

Commissioner Mehevec advised this is a very dangerous situation. Property owners in the proximity are Kanard and Kotrola.
