CONTRACTOR'S LIABILITY AGREEMENTP. 4/5
VOL 0098 PAGE 567

I, ECO RESOURCES, Contractor for NORTH Austin MUD #1
in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work
within the right-of-way of 13306 KINGMAN DRIVE which is a public
roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

PARALLEL UTILITY CUT DESIGN IN WILLIAMSON COUNTY R.O.W.

1. Hot mix asphalt to match existing HMA thickness or 2" minimum, whichever is greater. Roll in place to match existing surface, + or - 1/8" tolerance.
2. Trench backfill shall be flexible base, compacted to 95% optimum in 8" layers unless otherwise approved and specified. Flexible base to match existing base thickness or 8", whichever is greater (Specifications: TxDOT Item 247, Type A, Grade 2).
3. Pipe embedment (pipe envelope) size and materials shall be as specified elsewhere by the utility company and/or its engineers. Pipe depth shall be as specified elsewhere provided that minimum depths are met.
4. Saw cut shall be made prior to ditch cut. If pavement is damaged during cut, a new saw cut shall be made beyond the damaged area and new pavement placed.
5. Damage beyond the centerline requires repair over entire roadway width.
6. All pavement repair shall conform to Item 351 Repairing Existing Flexible Pavement Structure as found in the 1993 Texas Department of Transportation Standard Specifications for Construction of Highways, Streets and Bridges.

PERPENDICULAR UTILITY CUT DESIGN IN WILLIAMSON COUNTY R.O.W.

1. Hot mix asphalt 1 1/2" min. thickness. Roll in place to match existing surface, + or - 1/8" tolerance.
2. Trench backfill shall be flexible base, compacted to 95% optimum in 8" layers unless otherwise approved and specified. Flexible base to match existing base thickness or 8 inches, whichever is greater (specifications; TxDOT Item 247, Type A, Grade 2).
3. Pipe embedment (pipe envelope) size and materials shall be as specified elsewhere by utility company and/or its engineers. Pipe depth shall be as specified elsewhere provided that minimum depths are met.
4. Saw cut shall be made prior to ditch cut. If pavement is damaged during cut, a new saw cut shall be made beyond the damaged area and new pavement placed.
5. Where roadside ditches (bar ditches) are crossed by the utility pipe, minimum depth to the top of the pipe from centerline road elevation will be 36".
6. All pavement repair shall conform to Item 351 Repairing Existing Flexible Pavement Structure as found in the 1993 Texas Department of Transportation Standard Specifications for Construction of Highways, Streets and Bridges.

LICENSE AND PERMIT BOND

(For County, City, Town or Village Only)

Bond No. RSB- 571436

Know All Men By These Presents:

That we Ishell Construction, Inc.
 of the city of Florence, State of Texas as Principal,
 and the RLI Insurance Company, a corporation duly licensed to do business in the state of Texas, as
 Surety, are held and firmly bound unto the Williamson County Unified Road System
(Valid only when a County, City, Town or Village is named as Obligor)
 State of Texas, Obligor, in penal sum of two thousand (\$ 2,000.00) DOLLARS,
(Not valid if filled in for more than \$25,000)
 lawful money of the United States, to be paid to the said Obligor, for which payment well and truly to be made, we bind ourselves and
 our legal representatives, jointly and severally by these presents.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that whereas, the said Principal has been licensed as _____
street cutting contractor by the Obligor.

NOW, THEREFORE, if the said Principal shall faithfully perform the duties and in all things comply with the laws and ordinances,
 including all Amendments thereto, pertaining to the license or permit applied for, then this obligation to be void, otherwise to remain
 in full force and effect until November 12, 19 98, unless renewed by Continuation Certificate.

This bond may be terminated at any time by the Surety upon sending written notice to the clerk of the Political Subdivision with whom
 this bond is filed and to the Principal, addressed to them at their first known address, and at the expiration of thirty-five (35) days from
 the mailing of said notice, or as soon thereafter as permitted by applicable law, whichever is later, this bond shall ipso facto terminate
 and the Surety shall thereupon be relieved from any liability for any acts or omissions of the Principal subsequent to said date.

Dated this 12th day of November, 19 97.

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: June 12, 1998

Formal notice is hereby given that Southwest Milam Water Supply Corporation

Company proposes to place a water line

line within the right-of-way of CR 419
as follows: (give location, length, general design, etc.)

Bore and encase a 1 1/4" PVC carrier in a 2" PVC casing across CR 419 approximately 4,224 ft. south of the CR 422 and CR 419 intersection. Pipe to be 3 ft. below ditch line and encase from ditch line approximately 50 ft.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 23rd day of June 1998.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: June 12, 1998

Formal notice is hereby given that Southwest Milam Water Supply Corporation

Company proposes to place a water line

line within the right-of-way of CR 427
as follows: (give location, length, general design, etc.)

Bore and encase a 1 1/4" PVC carrier in a 2" PVC casing across CR 427
approximately 2,112 ft. south of the CR 426 and CR 427 intersection. Pipe
to be 3 ft. below ditch line and encase from ditch line to ditch line
approximately 50 ft.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County
Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying
with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the
"Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown
by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 23rd day of June 19 98

APPROVAL

This application is hereby approved subject to the
following understandings and restrictions.

It is expressly understood that the said County
Commissioners' Court does not imply hereby to
grant any right, claim, title or easement in or upon
this County Road; and it is further understood that
in the future, should Williamson County, for any
reason, need to work, improve, relocate, widen,
increase, add to, decrease, or in any manner change
the structure of this road or right-of-way, this line,
if affected, will be moved at the direction of the
Williamson County Engineer or County Commissioner.
This installation work shall not damage any part of the
roadway and adequate provisions shall be made to
cause a minimum of inconvenience to traffic and adjacent
property owners.

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 6-4-98

Formal notice is hereby given that SONAH WATER SPECIAL UTILITY DISTRICT
Company proposes to place a 4" WATER LINE (ROAD BORE - 6" Encasement Pipe)
line within the right-of-way of County Road 100
as follows: (give location, length, general design, etc.)

See ATTACHED SHEET

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 1 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 9th day of JUNE 1998.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

CONTRACTOR'S LIABILITY AGREEMENT

I, KEN HALL, Contractor for JONAH WATER S.U.D.
 in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work
 within the right-of-way of County ROAD 100 which is a public
 roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

AGENDA ITEM # 5**June 23, 1998**Consider granting preliminary plat approval of Heritage Oaks.

Joe England stated the City of Austin has approved this plat. The only way in and out of subdivision is through a culdesac.

Commissioner Heiligenstein requested Joe England to talk with the City of Austin to see if there is any other access available to the property.

Moved: Commissioner Boatright

Seconded: Commissioner Mehevec

Motion: To table granting preliminary plat approval of Heritage Oaks until June 30, 1998.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais

AGENDA ITEM # 6**June 23, 1998**Consider authorizing advertising and setting date for public hearing, B.R.T. & W. subdivision (Amendment of lots 78a, 78b, 79b, & 80a Logan Ranch)

Joe England stated this is in the Georgetown ETJ. Mr. England questioned whether we needed to hold a public hearing. First Assistant County Attorney Dale Rye stated we did, if no one else was holding one.

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To authorize Steger & Bizzell to advertise July 21, 1998 at 10:00 A.M. for public hearing of Amendment to Lots 78a, 78b, 79b & 80a Logan Ranch being B.R.T. & W. Subdivision.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais

Moved: Judge Doerfler

Seconded: Commissioner Boatright

Motion: To authorize Steger & Bizzell to advertise July 28, 1998 at 10:00 A.M. instead of July 21, for public hearing of Amendment to Lots 78a, 78b, 79b, & 80a Logan Ranch being B.R.T. & W. Subdivision.

Vote: Motion carried 4 - 0 with Commissioner Heiligenstein absent from the dais

AGENDA ITEM # 7**June 23, 1998**Consider granting plat approval of revised preliminary Stone Canyon, Sec. 6-C, 7 and 8.

Joe England stated this is in the Round Rock ETJ, and has not been approved by the city. He stated concern with the street Magic Mountain being a long street and the possibility of fast speeds. An acceptable solution was presented to the court. He requested the court to approve and it would be shown on the final plat.

Commissioner Heiligenstein questioned Wyoming Springs Dr. and the plan for securing the right-of-way for arterial two.

Moved: Commissioner Heiligenstein

Seconded: Commissioner Mehevec

Motion: To table preliminary plat approval of Stone Canyon, Sections 6-C, 7 and 8, Revised until Commissioner Hays can give a recommendation on Wyoming Springs Dr.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais

AGENDA ITEM # 8**June 23, 1998**Consider approving dedication of portion of Innerloop Road to City of Georgetown.

Moved: Commissioner Mehevec

Seconded: Judge Doerfler

Motion: To approve dedication of portion of Innerloop Road to City of Georgetown.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais **111**
< Clerk copy here >
