

AGENDA ITEM # 17June 23, 1998

Discuss and take appropriate action on sidewalks in Coupland (pertaining to county ownership).

Commissioner Mehevec stated owners of Coupland Inn are asking the county to put in handicap access space at the sidewalk. He also stated the county did not put the sidewalk in and has never maintained the sidewalk even though it is on county right-of-way. He suggested the county abandon that part of the right-of-way.

First Assistant County Attorney Dale Rye confirmed the abandonment as a good action. They discussed giving them plenty of right-of-way to build a handicap ramp by abandoning the alley also.

Moved: Commissioner Mehevec

Seconded: Commissioner Boatright

Motion: To provide the County Attorney with the information and to authorize the County Attorney to draw up abandonment of county right-of-way.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais

AGENDA ITEM # 19June 23, 1998

Consider approving resolution encouraging all Williamson County cities to use Williamson County landfill.

Moved: Commissioner Heiligenstein

Seconded: Commissioner Boatright

Motion: To approve resolution encouraging all Williamson County cities to use Williamson County landfill.

Vote: Motion carried 4 - 0 with Commissioner Hays absent from the dais

KNOW ALL MEN BY THESE PRESENTS THAT ON THIS, the 23rd day of June, 1998, the Commissioners Court of Williamson County, Texas, met in a duly called session at the Courthouse in Georgetown, Texas, with the following members present :

John C. Doerfler, County Judge, Presiding

Mike Heiligstein, Commissioner, Pct. #1

Greg Boatright, Commissioner, Pct. #2

Jerry Mehevec, Commissioner, Pct. #4

Nancy Rister, County Clerk

and at said meeting, among other business, the Court considered the following:

WHEREAS, approximately 60% of Williamson County's solid waste is currently deposited in its own landfill; and

WHEREAS, Taylor, Hutto, Georgetown, and Granger are the only cities in Williamson County to dispose of Municipal Solid Waste exclusively in the Williamson County Landfill; and

WHEREAS, it was in response to requests from the cities of Williamson County that the county has chosen not to sell the landfill, and has retained liability for its operation; and

WHEREAS, the Williamson County Landfill lies within one of the fastest growing counties in the United States; and

WHEREAS, the landfill is a vital ingredient to Williamson County's future growth because of the disposal opportunities it affords for the next 45 years. This capacity will be increased with a planned expansion of 500 acres; and

WHEREAS, the taxpayers of Williamson County have contributed to the ownership of the landfill;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS' COURT OF WILLIAMSON COUNTY, TEXAS;

The Williamson County Commissioners respectfully request the governing officials for the cities in Williamson County to consider the benefits of directing their Municipal Solid Waste to the Williamson County Landfill when reviewing their current or future disposal needs.

RESOLVED THIS 23RD DAY OF JUNE, 1998.
