ROAD BORE PERMIT

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

VOL 0099 PAGE 593

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 8-20-98

Formal notice is hereby given that CHISHOLM TRAIL SPECIAL UTILITY DISTRICT

Company proposes to place a 3/4" waterline in a 4" casing

line within the right-of-way of BLESSING RANCH ROAD
as follows: (give location, length, general design, etc.)

The existing waterline is on the West side of the road, 10' from the pavement, buried 32" deep. The width of the pavement is 18'

The depth of the bore to be made is approx. 40".

County Road 200 to Blessing Ranch Road, Lot 51

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 20 day of August 19 98.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

NOTICE OF PROPOSED INSTALLATION
UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

VOL 0099 PAGE 595

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: July 8, 1998

Formal notice is hereby given that CHISHOLM TRAIL SPECIAL UTILITY DISTRICT

Company proposes to place a Road Bore

line within the right-of-way of County Road 219
as follows: (give location, length, general design, etc.)

Chisholm intends to place a 3/4" line in a 4" casing in a road bore on County Road 219. The existing waterline is on the North side of the road and it is 26' from the pavement. The depth of the existing waterline is 24". The width of the pavement is 20' and the depth of the road bore to be made is 40".

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 10 day of July 19 98

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

AGENDA ITEM # 5

August 25, 1998

*

Discuss and take any appropriate action on Maintenance Director position.

Maintenance Director Wayne Benedict advised discussion of termination of employees is subject to the Open Records Act and he has not been invited into the Executive Session discussions pertaining to his position. He would welcome an opportunity to address any concerns the commissioners might have.

Moved: Commissioner Heiligenstein

Seconded: Commissioner Hays

Motion: To terminate Wayne Benedict as Director of Williamson County Maintenance Department.

Vote: Motion carried 3 - 2 with Judge Doerfler and Commissioner Boatright voting against the motion.

After the vote Mr. Benedict handed Judge Doerfler a written request for open records meeting information pertaining to his dismissal. He had met with the Commissioners when he was aware of any problems they had and thought they were resolved. When Commissioner Hays had a problem with the cleaning service he met with Mr. Benedict and the problem was solved.

Commissioner Hays responded to Mr. Benedict that this was certainly not an easy decision and every member of the court had put a lot of thought into the matter. The length of time involved in this difficult process was proof that it was no hasty decision. The commissioner also advised that by law Commissioners Court was not required to give a reason for termination of any employee under their jurisdiction.

Commissioner Heiligenstein advised Mr. Benedict that his loyalty to the county had never been questioned.

Mr. Benedict thanked the court for the opportunity to have served Williamson County for the past 5 years as Maintenance Director and wished them good luck.

Moved: Commissioner Heiligenstein

Seconded: Commissioner Hays

Motion: For termination of Maintenance Director Wayne Benedict to be effective 12 noon today, August 25, 1998.

Vote: Motion carried 3-2 with Judge Doerfler and Commissioner Boatright voting against the motion.

AGENDA ITEM # 6

August 25, 1998

*

Consider granting final plat approval to Replat of Lots 13 through 28 and Lot 63, Sundance Ranch North.

County Engineer Joe England advised Replat of Lots 13 through 28 and Lot 63, Sundance Ranch North is adjacent to County Road 200 to which Williamson County already has ownership of right-of-way. He also advised this plat meets Williamson County subdivision regulations. Mr. Hinckley, President of Lookout Partners, L.P. owns the 21.228 acre tract in the Richard West Survey, Abstract No. 643 in Williamson County, Texas. Notation on the plat advises "All roads in this subdivision are private and will not be maintained by Williamson County in perpetuity".
