

AGENDA ITEM # 20**September 1, 1998*******

Discuss and consider approving order for collection of Child Safety Fund Fee for calendar year 1999.

Commissioner Heiligenstein discussed imposition of TxDOT extra fees. Chapter 502 of the Transportation Code, relating to the registration of vehicles, provides counties the option of imposing two extra fees, in addition to the registration fee.

Section 502.172 provides for a county road and bridge fee in an amount not to exceed \$10.00 for each vehicle registered in the county.

Section 502.173 provides an extra fee not to exceed \$1.50 per vehicle registered in the county to fund a school crossing guard program.

Vehicles registered with Machinery and Farm Trailer license plates are exempt from both provisions.

\$1.50 per vehicle would generate approximately \$180,000.00.

Commissioner Boatright suggested all rural area schools in Williamson County should participate in the funds.

Moved: Commissioner Mehevec

Seconded: Commissioner Hays

Motion: To table this item awaiting allocation information and opinion from Williamson County Attorney.

Williamson County Judge

SUBJECT: IMPOSITION OF EXTRA FEES

Chapter 502 of the Transportation Code, relating to the registration of vehicles, provides counties the option of imposing, in addition to the registration fee, **two** extra fees.

The provisions of Section 502.172 provide for a county road and bridge fee in an amount that does not exceed \$10.00 for each vehicle registered in the county. An extra fee in an amount not to exceed \$1.50 for each vehicle registered in the county is available under the provisions of Section 502.173 to fund a school crossing guard program. However, vehicles registered with Machinery and Farm Trailer License Plates are exempt from both provisions.

The amounts of both optional fees are set by a Commissioners Court. Counties are statutorily required to notify the department of their intent by Commissioners Court Order, if you change your fees. The notification deadline for the road and bridge fee is **September 1st of each year**. The deadline for notification of the school crossing guard fee is **September 10th of each year**.

Please complete the attachment on the imposition of extra fees for registration year 1999. If your response requires a County Commissioners Court Order (a fee change), we request that the **original order** be mailed to us no later than the date indicated. We have also included a fee chart which indicates what extra fee(s) your county currently collects.

A postage paid self addressed envelope is enclosed for your convenience. Any questions you may have regarding this matter may be directed to David Linzey, Director of Headquarter Operations, at (512) 465-7719 or Martha H. Lockhart, Customer Information Services Branch Manager at (512) 465-7620. Thank you very much for your timely response.

Sincerely,

Jerry L. Dike, Director
Vehicle Titles and
Registration Division
