Texas Department of Transportation
ATTENTION: Mr. Bubba Needham, Traffic Office
P.O. Drawer 14526
Austin, Texas 78761-5426

Telephone: (512) 832-7053

RE: Safety improvements for a portion of State Highway No. 29 from Seward Junction (intersection of U.S. Highway No. 183 and State Highway No. 29, west to just past Liberty Hill Cemetery.

Dear Mr. Needham;

I, and many members of the Community of Liberty Hill, who join me in signing this letter of request, are asking that the Texas Department of Transportation (TxDOT) make some specific safety improvements to the above referenced portion of said Highway 29.

There have been many accidents along this stretch of highway, some involving loss of life, and many resulting in serious injury. I personally was involved in an accident at the intersection of Highway 29, and Riverview Road (the intersection where the First Baptist Church is located.) I had been waiting for a fairly long period of time, trying to make a left turn into my subdivision, with my left turn signal on, when I was hit from the rear at high speed by a pickup pulling a 40 foot trailer. This is in an area where there is no center turn lane. Obviously, had such a lane been available, the accident most likely would not have occurred. There have been other accidents similar to mine in the portions of Highway 29 where there is no turn lane. Some, much more severe than mine also. Of course, in addition to the many accidents, there have also been many close calls, which cannot even begin to be counted.

The population of Liberty Hill, and surrounding communities has been explosive for the past several years, with many new businesses being established, and many new people moving into the area. In addition, we are currently building a new High School off said Highway 29. Obviously, this is going to create much more traffic congestion on the roadways in this area, and especially, a major arterial highway such as Highway 29 is. Due to the growth, and increase in traffic in the Liberty Hill area, we request the following, in order of priority:

VOL 0100 PAGE 299

1. Extend the center turn lane dividing east and westbound traffic so that it is continuous with no breaks from Seward Junction to just west of Liberty Hill Cemetery.
2. Provide traffic signal lights, with left turn indicators, at each end of Loop 332 (Old State Highway No. 29.)
3. Install a traffic signal light at the intersection of State Highway No. 29, and F.M. No. 1869, replacing the current flashing yellow light currently in place.

We ask that you act as expediently as possible in addressing/completing the above requests. Our interest is to simply try to prevent as many accidents as can possibly be prevented, thus hopefully reducing the number of **PEOPLE** killed, or injured. If you have any questions, or comments, please feel free to contact me at the address, or telephone/fax indicated on the letterhead. Thank you for your time and consideration.

Sincerely,

Kimbal S. Pierce
