Re: Tax Account # R347418 Waiver of Penalties and Interest on Rollback
Taxes on property owned by James McKenzie;
Property Description: 6.63 acres, being Lot 21, Section 2, Twin Springs Subdivision

Dear Deborah:

You inquired as to whether a waiver of penalties and interest on a delinquent rollback tax should be waived under Section 33.011 of the Texas Tax Code.

The following are the facts of this matter as I understand them. This property had been appraised as open-space property prior to 1996. In January of 1996, the Appraisal District made a determination that a change of use had occurred. Pursuant to Section 23.55 of the Texas Tax Code, a "rollback tax" was assessed on the property in the name of the property owner on January 1, 1996. The rollback tax assessment was sent to the tax office in April, 1996. If a notice of the rollback tax was sent, it was mailed to the January 1, 1996 owner. At that time, the policy of the prior tax assessor-collector was not to enter rollback taxes onto the tax collection computer system. The rollback tax was entered into the tax collection computer system of the County Tax Office in May, 1998. Mr. McKenzie, who purchased this property in March, 1996, received the first notice that a rollback tax was due on his property in September, 1998 as a part of a mailing done by my lawfirm. He has requested a waiver of penalties and interest.

In my opinion, this is clearly a case of an omission in that the tax office did not timely enter the rollback tax into the tax collection computer system which resulted in the failure of McKenzie to pay the rollback tax because he had never been sent a tax notice. Therefore, I recommend that the penalties and interest on the rollback tax be waived in this case.

Please contact me with any further questions.

Sincerely,

Harvey M. Allen

Pursuant to Section 23.55 of the Texas Tax Code, a "rollback tax" was assessed on the property in the name of the property owner on January 1, 1996. The rollback tax assessment was sent to the tax office in April, 1996. If a notice of the rollback tax was sent, it was mailed to the January 1, 1996 owner. At that time, the policy of the prior tax assessor-collector was not to enter rollback taxes onto the tax collection computer system. The rollback tax was entered into the tax collection computer system of the County Tax Office in May, 1998. Mr. McKenzie, who purchased this property in March, 1996, received the first notice that a rollback tax was due on his property in September, 1998 as a part of a mailing done by my lawfirm. He has requested a waiver of penalties and interest.

In my opinion, this is clearly a case of an omission in that the tax office did not timely enter the rollback tax into the tax collection computer system which resulted in the failure of McKenzie to pay the rollback tax because he had never been sent a tax notice. Therefore, I recommend that the penalties and interest on the rollback tax be waived in this case.

Sincerely,

Harvey M. Allen

AGENDA ITEM # 25October 20, 1998

Consider approving revised budget order.

First Assistant County Attorney Dale Rye discussed Budget Order 1.c Guaranteed Salary Plan - especially Juvenile Services payroll. Not all Juvenile Services employees are subject to the plan. Juvenile Services should be amended to working in Juvenile Detention or the Juvenile Academy for clarification.

Currently the order reads seasonal and temporary employees do not receive any vacation, sick leave or longevity. Even if they later become a permanent employee they cannot receive retroactive credit. The current order also states a part-time employee (regularly scheduled for less than 40 hours per week or 80 hours per pay period) receives vacation, sick leave and longevity only on a probata basis based on the actual number of hours worked.

Some part-time employees are working less than 20 hours per week.

Moved: Commissioner Hays

Seconded: Commissioner Boatright

Motion: To approve revised budget order allowing employees working 20 hours or more per week to accrue vacation, sick leave and longevity and 1.c of Budget Order specifically read guaranteed salaries for Juvenile Services applies also to Juvenile Detention and Juvenile Academy.
