UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 11-12-98

Formal notice is hereby given that SONAH WATER S.U.D.
Company proposes to place a 20" Steel Encasement / 12" Water Line
line within the right-of-way of County Rd 110
as follows: (give location, length, general design, etc.)

See ATTACHED MAP
ROAD BORE

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 16 day of November 1998.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

CONTRACTOR'S LIABILITY AGREEMENT

I, SIM LOGSDON, Contractor for R+W Utility Construction
 in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work
 within the right-of-way of County ROAD 110 which is a public
 roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

AGENDA ITEM # 5

November 17, 1998

*

Consider accepting road maintenance for Cat Hollow Section 1A.

County Engineer Joe England advised the roads meet county standards and a letter is in hand stating the roads have been built to county criteria.

Commissioner Hays requested an item on a later agenda to revise Williamson County subdivision regulations to accept subdivision road maintenance upon completion of the subdivision and receipt of a two (2) year maintenance bond.

At this time the requirement is 60% occupancy of the subdivision or 2 years after completion whichever occurs first. Mr. England advised the 60% occupancy occurs before the 2 years in most of Williamson County subdivisions.

Moved: Commissioner Boatright

Seconded: Commissioner Hays

Motion: To accept road maintenance for Cat Hollow, Section 1A.
