AGENDA ITEM # 29

December 1, 1998

*

Hear comments from commissioners.

Commissioner Mehevec requested a future agenda item for discussion of Louis Henna Boulevard property owner offering to sell 6 acres for State Highway 45 right-of-way if closure can be accomplished before January 1, 1999.

The Commissioner advised Commissioner Heiligenstein is negotiating for right-of-way on two adjoining tracts.

Commissioner Heiligenstein suggested Commissioner Mehevec contact attorney Charles Crossfield at the close of this meeting.

Commissioner Mehevec also felt the bond money would not be a sufficient amount to purchase all the necessary right-of-way for State Highway 45.

Commissioner Heiligenstein advised if the Turnpike Authority presents real proposals on toll roads it might be necessary to incorporate a portion of the right-of-way expense into the toll fee.

Commissioner Heiligenstein advised an up-date on Y2K in mid December, 1998, and another with department heads in January, 1999. Also he is investigating the embedded chip issue with John Wise. During the month of January, 1999, he should have major modification budget information.

Commissioner Heiligenstein requested a December 8, 1998, agenda item for discussion of the 558 acre Mayfield tract.

Commissioner Hays requested an agenda item for December 8, 1998, for changing subdivision regulations to accept subdivision road maintenance after completion with one year bond in hand.

Judge Doerfler reminded the commissioners of their invitation to lunch at the Extension Office today.

Newly elected Hays county officials were in attendance again along with Precinct #4 Commissioner-elect Frankie Limmer and Fred Muhl from Jarrell.
