I, D & L SERVICE CO., INC., Contractor for Bell-Milam-Falls Water Supply Corp. in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of CR 352 which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

Consider approving Mediation Settlement Week in March, 1999, and authorize funding from Dispute Resolution fund.

District Judge Carnes advised mediation week will be resumed during the conference in March, 1999. In the past the funding of administrative expenses for mediation week has been a problem. By statute a fund now exists which is dedicated to alternate dispute resolution but requires approval of Commissioners Court. The fund gathered in excess of \$7,800.00 last year with a present balance of approximately \$40,000.00. Judge Carnes requested \$1,500.00 to fund mediation settlement week in March, 1999.

Moved: Judge Doerfler

Seconded: Commissioner Hays

Motion: To approve \$1,500.00 from Dispute Resolution fund for Mediation Settlement Week in March, 1999.

Vote: Motion carried 3 - 0

AGENDA ITEM # 6December 22, 1998

*

Consider granting final plat approval of Chandler Creek, Section 9.

County Engineer Joe England advised the proposed subdivision is located within the extra territorial jurisdiction of and has been approved by the City of Round Rock. The property is located at the intersection of Bowman Road and Farm-to-Market 1460 with dedication of an additional 10' right-of-way. Another 10' of right-of-way will be dedicated upon development of tract directly across Farm-to-Market 1460 for total right-of-way of 100 feet.

Jim Stendebach advised this is the second phase of assisted care facility on lot located immediately north of this lot. Both facilities are sharing a driveway so no road cuts will be necessary for Farm-to-Market 1460.

Moved: Judge Doerfler

Seconded: Commissioner Hays

Motion: To grant final plat approval of Chandler Creek, Section 9.

Vote: Motion carried 3 - 0

AGENDA ITEM # 7December 22, 1998

*

Consider granting preliminary plat approval of Morningside Meadows, Section 2.

County Engineer Joe England advised this is the extension of Calico Bush Lane to the Travis County line located near the planned extension of Louis Henna Boulevard to Travis County line.

Mr. England added this property has been located within the extra territorial jurisdiction of the City of Austin who has released the tract. Now the City of Round Rock can include or take specific action to exclude the property from their extra territorial jurisdiction.

The County Engineer also advised the proposed extension of County Road 122 will be a major arterial roadway connecting with Heatherwold Boulevard and running to Yaeger Lane in Travis County.
