UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 12/7/98Formal notice is hereby given that Bell-Milam-Falls Water Supply CorporationCompany proposes to place a water lineline within the right-of-way of CR 352

as follows: (give location, length, general design, etc.)

Bore and encase a 1 1/4" PVC water line in a 2" PVC encasement.

**Location: Approximately 1,325 ft. from the Intersection of CR 352
and CR 357.**

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 15th day of December 1998.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

I, D & L SERVICE CO., INC., Contractor for Bell-Milam-Falls Water Supply Corp. in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of CR 352 which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

CONTRACTOR'S LIABILITY AGREEMENT

I, Larry Parker, Contractor for Central Telephone Co. (Sprint) in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of Lemens Ave. and Hyview Lane which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

Consider approving Mediation Settlement Week in March, 1999, and authorize funding from Dispute Resolution fund.

District Judge Carnes advised mediation week will be resumed during the conference in March, 1999. In the past the funding of administrative expenses for mediation week has been a problem. By statute a fund now exists which is dedicated to alternate dispute resolution but requires approval of Commissioners Court. The fund gathered in excess of \$7,800.00 last year with a present balance of approximately \$40,000.00. Judge Carnes requested \$1,500.00 to fund mediation settlement week in March, 1999.

Moved: Judge Doerfler

Seconded: Commissioner Hays

Motion: To approve \$1,500.00 from Dispute Resolution fund for Mediation Settlement Week in March, 1999.

Vote: Motion carried 3 - 0

AGENDA ITEM # 6December 22, 1998

*

Consider granting final plat approval of Chandler Creek, Section 9.

County Engineer Joe England advised the proposed subdivision is located within the extra territorial jurisdiction of and has been approved by the City of Round Rock. The property is located at the intersection of Bowman Road and Farm-to-Market 1460 with dedication of an additional 10' right-of-way. Another 10' of right-of-way will be dedicated upon development of tract directly across Farm-to-Market 1460 for total right-of-way of 100 feet.

Jim Stendebach advised this is the second phase of assisted care facility on lot located immediately north of this lot. Both facilities are sharing a driveway so no road cuts will be necessary for Farm-to-Market 1460.

Moved: Judge Doerfler

Seconded: Commissioner Hays

Motion: To grant final plat approval of Chandler Creek, Section 9.

Vote: Motion carried 3 - 0

AGENDA ITEM # 7December 22, 1998

*

Consider granting preliminary plat approval of Morningside Meadows, Section 2.

County Engineer Joe England advised this is the extension of Calico Bush Lane to the Travis County line located near the planned extension of Louis Henna Boulevard to Travis County line.

Mr. England added this property has been located within the extra territorial jurisdiction of the City of Austin who has released the tract. Now the City of Round Rock can include or take specific action to exclude the property from their extra territorial jurisdiction.

The County Engineer also advised the proposed extension of County Road 122 will be a major arterial roadway connecting with Heatherwold Boulevard and running to Yaeger Lane in Travis County.

From: Bobby Gutierrez, Constable, Precinct 3

Subject: Non-Paid Deputy Appointment

I respectfully request your approval for Non-Paid Deputy Constable positions for the following individuals:

1. Edward Edison Thomison
2. Laura Ann Leeds
3. David Downes

Two of these individuals are former employees of the Williamson County. Mr. Thomison was employed with the Sheriff's Department. Ms. Leeds was employed by the Constable's Office. Both left their employment in good standing. Mr. Downes was employed in Sunset Valley, Texas and left in good standing. Each has extensive backgrounds in various law enforcement disciplines, including civil process and civil law enforcement, criminal investigations, patrol procedures and community/customer service. I believe each would be a fine representation of the Williamson County law enforcement community, and my office in particular.

I request your consideration for the item on the December 22, 1998 Commissioners Court agenda.

Please contact me if you need additional information regarding this request.

Sincerely,

Bobby Gutierrez, Constable, Precinct 3

AGENDA ITEM # 12December 22, 1998

Hear update on Y2K.

Commissioners Assistant Julie Lyons advised all departments had completed inventories of their imbedded systems. She has researched all 530 plus systems and determined approximately half are Y2K compliant with more research required for the other half. Vendor letters are being sent to the manufacturers. Information Systems Director Otis Coufal has been conducting the hardware and software inventories and has worked on three hundred fifty-one (351) systems. Thirty-one machines will need to be taken apart because Mr. Coufal cannot run it on his present equipment. Two hundred forty-three (243) personal computers tested compliant, 14 have to be re-done, 48 tested non compliant with 41 "quick fixes" required. Seven (7) will require upgrading if the departments decide to retain them.

Over twelve hundred (1200) software packages were identified with 141 non compliant, 352 compliant with remaining 754 packages requiring research. Of the 141 non compliant, 70 would require purchase of up-grade, 31 have available patches, the possibility of working around 12 of them and no fix for 28.

Research is still needed for the unrecognized software and report of options are due in February, 1999.

In mid January, 1999, Miss Lyons will instruct departments on risk assessment in order for each department to determine their high priorities. In mid February she would like the commissioners to hold a work-session with all department heads for determination of cost analysis and priorities.

John Wise will be working on main frames now that he has finished with Oracle.

Mr. Coufal advised the latest estimate of \$30,000.00 would be required to update our central heating and air conditioning systems software.

Miss Lyons had received a \$39,000.00 proposal from RMI which is now working on Y2K compliance with the City of Georgetown. She felt outside help was needed with EMS, Sheriff's Department, Communications, 911, county buildings and possibly Unified Road System systems. She recommended using RMI due to their expertise in communications. The first phase would entail review and cleaning up existing inventories, walk-through our facilities, work with Information Systems on their findings, collect more data and complete the inventories. After which a risk assessment would be performed, a preliminary compliance certification and a remediation plan.

AGENDA ITEM # 13December 22, 1998Consider appointment of Williamson County Water Board.

Judge Doerfler recommended appointing a county wide water committee consisting of: Jim Mills as Chairman, Randy Grimes, Gary Neelon, Jim Powell, Tom Nielson and Ted Hejl with one more member to be appointed at a later date.
