

AGENDA ITEM # 8JULY 13, 1999Consider appointment of two (2) members to the CAPCO General Assembly for Williamson County.

No action was taken on this item which will be placed on the agenda for July 20, 1999.

AGENDA ITEM # 9JULY 13, 1999Consider awarding, rejecting or extending bid for Lake Creek drainage project.

County Engineer Joe England advised the apparent low bidder did not bid within the specifications provided by the design engineer. The second low bid is in an amount exceeding the amount of funds in that line item to award the bid.

Mr. England is not comfortable with receiving only three (3) bids on a \$3. million dollar job and recommended rejecting all bids for Lake Creek drainage project. Outstanding issues of permits and easements still to be acquired should be finalized before setting another bid date suggested Mr. England.

Commissioners Assistant Julie Lyon Wolf had discussed the matter with Commissioner Heiligenstein who is attending the NACO conference and stated he was comfortable with rejection of all bids.

Moved: Judge Doerfler
