NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: August 25, 1998

Formal notice is hereby given that Central Telephone Company of Texas

Company proposes to place a buried telephone cable

line within the right-of-way of CR 224
as follows: (give location, length, general design, etc.)

The work area is on the north side of CR 224 about 2,400 feet west on the intersection of CR 224 and CR 225. Beginning at our pedestal #6110-5 place cable 2,500 feet to the west to our pedestal #6110-8. Cable will be buried 3 feet from back of right-of-way.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 8th day of September 19 99.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions. It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future; should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

APPROVED BY WILLIAMSON COUNTY COMMISSIONERS' COURT

CONTRACTOR'S LIABILITY AGREEMENT

VOL 0106 PAGE 368

I, Larry Parker, Contractor for Central Telephone Co. of Texas
in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work
within the right-of-way of CR 224 which is a public
roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

LICENSE AND PERMIT BOND

(For County, City, Town or Village Only)

Bond No. RSB- 571436

Know All Men By These Presents:

That we Ishell Construction, Inc.
 of the city of Florence, State of Texas as Principal,
 and the RLI Insurance Company, a corporation duly licensed to do business in the state of Texas, as
 Surety, are held and firmly bound unto the Williamson County Unified Road System
(Valid only when a County, City, Town or Village is named as Obligor)
 State of Texas, Obligor, in penal sum of two thousand (\$ 2,000.00) DOLLARS,
(Not valid if filled in for more than \$25,000)
 lawful money of the United States, to be paid to the said Obligor, for which payment well and truly to be made, we bind ourselves and
 our legal representatives, jointly and severally by these presents.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that whereas, the said Principal has been licensed as _____
street cutting contractor by the Obligor.

NOW, THEREFORE, if the said Principal shall faithfully perform the duties and in all things comply with the laws and ordinances,
 including all Amendments thereto, pertaining to the license or permit applied for, then this obligation to be void, otherwise to remain
 in full force and effect until November 12, 19 98, unless renewed by Continuation Certificate.

This bond may be terminated at any time by the Surety upon sending written notice to the clerk of the Political Subdivision with whom
 this bond is filed and to the Principal, addressed to them at their first known address, and at the expiration of thirty-five (35) days from
 the mailing of said notice, or as soon thereafter as permitted by applicable law, whichever is later, this bond shall ipso facto terminate
 and the Surety shall thereupon be relieved from any liability for any acts or omissions of the Principal subsequent to said date.

Dated this 12th day of November, 19 97.

 Principal
 (Individual, Partner or Corporate Officer)

) SS
 County of Peoria)

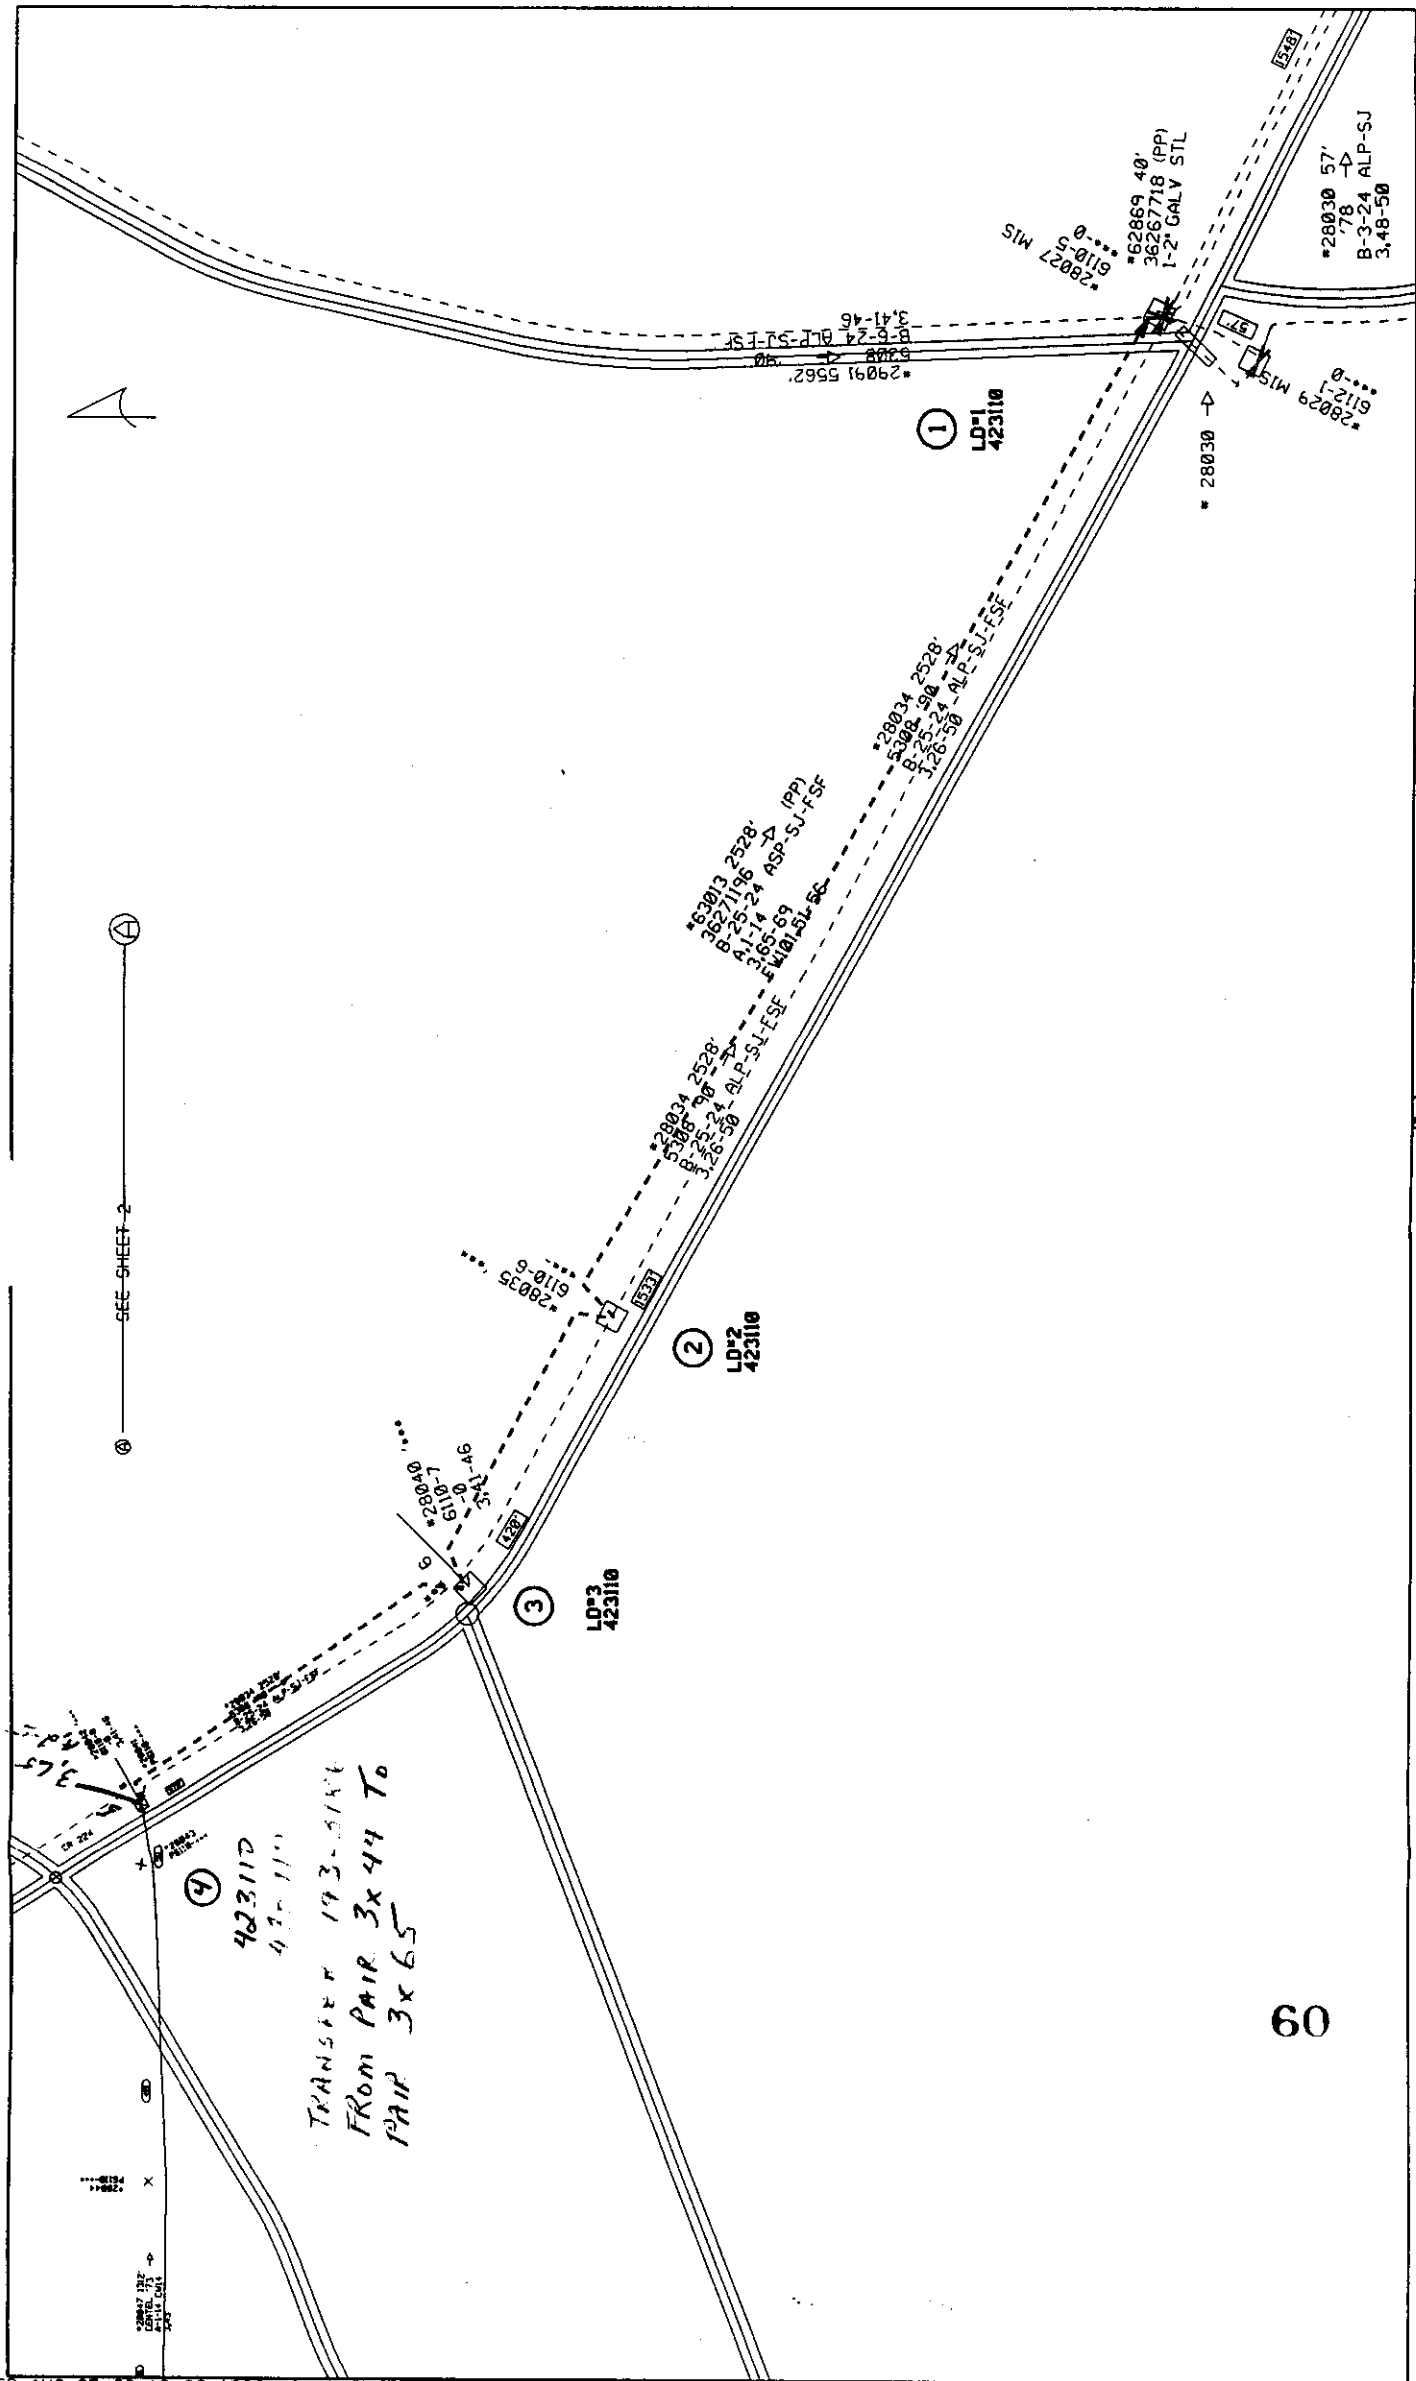

On this _____ day of _____, 19 __, before me, the undersigned officer, personally appeared Jonathan E. Michael, who
 acknowledged himself to be the aforesaid officer of the RLI Insurance Company, a corporation, and that he as such officer, being
 authorized so to do, executed the foregoing instrument for the purpose therein contained, by signing the name of the corporation by
 himself as such officer.

IN WITNESS WHEREOF, I have hereunto set my hand and official seal.

Complaint Notice: Should any dispute arise about your premiums or about
 a claim that you have filed, contact the agent or write to the issuer of this
 bond, RLI Insurance Company. If the problem is not resolved, you may also
 write the State Board of Insurance, Department C, 1110 San Jacinto, Austin,
 Texas 78786. This notice of complaint procedure is for information only and
 does not become part or condition of this bond.

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 9/9/99

Formal notice is hereby given that CHISHOLM TRAIL SPECIAL UTILITY DISTRICT

Company proposes to place a 6" waterline in the right of way

line within the right-of-way of Lakewoods Drive South
as follows: (give location, length, general design, etc.)

The District will be installing 531 feet of 6" C-900 PVC waterline which will connect to existing 2" waterline previously installed in the right-of-way of Lakewoods Drive South. Waterline to be installed is 16' from the pavement and buried 36" deep.

Bulls Eye Excavation will be doing the construction.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 7 day of September 19 99.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

NORTH
RIGHT-OF-WAY
HWY 29

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

FROM JONAH
SPUR TO 83'
EAST C.R. 126.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH. 251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 3 day of OCT 19 99

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

APPROVED BY WILLIAMSON COUNTY COMMISSIONERS' COURT
