To: Jane Tableriou, County Judge's Office

From: Patti Collins, Vehicle Impound

Please consider approving the sale of a large stack of used tires that have been removed from patrol vehicles. Approximately 200 tires.

Please consider approving the sale of a green aluminum flat bottom boat that is found property and is currently being stored at the Vehicle Impound lot. The owner of the boat can not be located.

Please put the above items on the court agenda as I would like to sell them in the next abandoned vehicle auction.

Respectfully,

Patricia Collins

Memo

TO: Kurt Showalter
FROM: Captain T. Taylor *RT*
DATE: September 1, 1999
RE: Horse Shoe Contract with Bill Pentecost

Mr. Showalter,

As you are aware, the county negotiated a contract with Animal Control Deputy Pentecost approximately two years ago. Recently Deputy Pentecost's Job Description has changed, which should greatly reduce his need to use his horse to conduct Williamson County business.

This letter is to request your office to terminate the contract in accordance with any agreements stated in the contract.

Thank you for your attention in this matter.

*approved 9-14-99
John C. Daegler*

Agreement

The following agreement is entered into between Williamson County, Texas, ("County") and Bill Pentecost ("Pentecost") concerning certain services and compensation for services:

1. Pentecost is an employee of County. As a deputy sheriff, Pentecost is responsible for gathering stray livestock. His services would be provided much more efficiently if he were to use his personally-owned horse in connection with these duties. Under the county budget order, Pentecost is entitled to reimbursement for his reasonable employment-related expenses. This contract is intended to specify the expenses that will be reimbursed.

2. Pentecost must shoe his horse regularly in order to use it for these duties, and would not do so otherwise. Therefore, Pentecost agrees to have the horse shod no more often than once every five weeks, and County agrees to reimburse up to \$55.00 on presentation of proof that the shoeing was performed.

3. If the horse is injured while performing duties for the County, the County will pay any reasonable and necessary veterinary bills, provided that such expenses are not due to negligence on the part of Pentecost.

4. If Pentecost's personal property used in connection with the horse is damaged while he is performing duties for the County, the County will pay any reasonable and necessary repair or replacement costs, provided that such damages are not due to negligence on the part of Pentecost.

This agreement shall be effective as of approval by the Williamson County Commissioners Court on ~~August~~ ^{September} 2, 1997.

John Doerfler, County Judge

INTEROFFICE MEMORANDUM

DATE: 09/03/1999
TO: JUDGE JOHN DOERFLER
FROM: KURT SHOWALTER
RE: HORSE SHOE CONTRACT

Please find attached a copy of the contract for horse shoeing provided by Deputy Pentecost. Also find attached a copy of the request by Captain Randy Traylor to cancel this contract. Since the original contract was approved by the Commissioners Court, this is being submitted so the you and the Court may take official action to cancel this contract.

Thank you for your help with this matter. Please let me know if you have any additional questions.

Regular Agenda**AGENDA ITEM # 10****SEPTEMBER 14, 1999*******Consider approving final plat for Ranch at Cypress Creek, Section 14.

County Engineer Joe England advised this proposed subdivision is located within the extra territorial jurisdiction of the City of Cedar Park, the roadways are almost complete and fiscal has been posted to cover the remaining items. Mr. England also advised all Williamson County requirements have been met and Cedar Park Mayor George A. Denny has signed the plat.

Moved: Commissioner Hays

Seconded: Commissioner Boatright

Motion: To approve final plat for Ranch at Cypress Creek, Section 14.

Vote: Motion carried 5 - 0

AGENDA ITEM # 11**SEPTEMBER 14, 1999**Consider approving final plat for High River Ranch, a resubdivision of Lots 49, 50 and 59.

County Engineer Joe England advised this item had been discussed during a public hearing under agenda item #14 on September 7, 1999, as well as agenda item #15.

Mr. England discussed the March agenda item in which the equestrian easement was vacated (Volume 103, page 206 Commissioners Court minutes).

This resubdivision is due to lot line adjustments.

Moved: Commissioner Hays

Seconded: Judge Doerfler

Motion: To approve final plat for Resubdivision of Lots 49, 50 and 59, High River Ranch.

Vote: Motion carried 4 - 0 with Commissioner Boatright abstaining from the vote.

AGENDA ITEM # 12**SEPTEMBER 14, 1999**Consider approving variance for Escalera Ranch, Sections 1 & 2.

Commissioner Hays advised this acreage development is located west of IH 35 on Leander Road in the extra territorial jurisdiction of City of Georgetown. A month ago representatives from the City of Georgetown, the developer and Williamson County met for discussion of reduction of design speed of the road extending through the subdivision.

Originally the developer planned Escalera Ranch as a private gated community which the City of Georgetown does not allow. Georgetown has agreed to reduce design speed to 30 miles per hour to which the County Engineer was in agreement.

Moved: Commissioner Hays

Seconded: Commissioner Limmer

Motion: To approve variance for Escalera Ranch, Sections 1 & 2 reducing speed limit to 30 miles per hour.

Vote: Motion carried 4 - 0 with Commissioner Boatright absent from the dais.

AGENDA ITEM # 13**SEPTEMBER 14, 1999****91**Consider approving preliminary plat for Escalera Ranch, Sections 1 & 2.

Moved: Commissioner Hays

Seconded: Judge Doerfler

Motion: To approve preliminary plat for Escalera Ranch, Sections 1 & 2.

Vote: Motion carried 4 - 0 with Commissioner Boatright absent from the dais.

AGENDA ITEM # 14

SEPTEMBER 14, 1999

Consider accepting Gabriel Farms Section One for county maintenance.

Moved: Commissioner Limmer

Re: Gabriel Farms Section One,

Mr. Weldon Coupland,

Gabriel Farms Section One plat was approved May 27, 1997. The subdivision is presently two years old. All road work in this subdivision complies with Williamson County's Road Specifications. Therefore, I recommend Gabriel Farms Section One be accepted for county road maintenance.

AGENDA ITEM # 15SEPTEMBER 14, 1999Hold public hearing for Resubdivision of Lots 13 and 14, Valley View Subdivision.

Judge Doerfler announced public hearing open at 10:35 a.m. on Tuesday, September 14, 1999, for resubdivision of Lots 13 and 14, Valley View.

County Engineer Joe England advised this property is located outside the extra territorial jurisdiction of the City of Leander. The Valley View Architectural Control Committee has approved the resubdivision of these two (2) lots and all Williamson County regulations have been met advised Mr. England.

Judge Doerfler announced public hearing closed at 10:40 on Tuesday, September 14, 1999, for resubdivision of Lots 13 and 14, Valley View.

AGENDA ITEM # 16SEPTEMBER 14, 1999Discuss and take any appropriate action on Hog Farm park land.

Commissioner Boatright stated this is a simple solution to a problem which seems to have been blown completely out of proportion. He felt Williamson County would need to provide supervision during public accessibility. He suggested charging a refundable fee for large groups and complimented the YMCA for excellent management without daily vandalism.

Security would require at least 2 people during the week with more on week-ends. He discussed the possibility of YMCA closing and locking the park at night. "We are getting into the parks business for the first time which will be an educational experience for the proposed park land property on County Road 175."

The commissioner continued with the criticism received for the youth groups use of the park. "We spend approximately \$3 million per year on juveniles in trouble - what do we do for the kids that are doing things right?" He has no problem with the continuation of this youth oriented park and suggested an item on the September 21, 1999, agenda for discussion and allocation of funds for licensed peace officers to provide hog farm accessibility, safety and vandalism free. He suggested fencing the remainder of the circumference of the park for access control of adjoining State of Texas property.

Judge Doerfler opened the meeting for public discussion.

Darrell Champeau, Paulette Teel, Eldon McGill, Wade Todd and Dan Sulzer addressed the court.

Commissioner Heiligenstein discussed his feeling of confusion over the controversy since the property has never been a public park. Outsiders were trespassing when MHMR controlled the property. Williamson County tried to make the park totally public and the only way that could work was to discontinue all improvements. He felt the parents and children served by the YMCA in the Highway 183/City of Cedar Park area in the past two years could more than fill the court room applauding the after school and summer youth

93

programs which were not previously available in that area until this park was opened for that purpose. He felt the controlled use has been incredible and agreed more access to the general public should occur.

It would be necessary for the City of Cedar Park to fund major youth after school and summer programs should this park eventually close completely. He would entertain additional security but was not sure why any more security would be needed than that of Old Settlers Park. He also discussed the possibility of contracting outside security instead of using staff security. Again he iterated it has never been a public park and is now being used for the area youth which is the biggest crying need in the Highway 183 area.

Judge Doerfler expressed his appreciation to all those in the audience who participated in this agenda item.

AGENDA ITEM # 17**SEPTEMBER 14, 1999**

Consider acquisition of right-of-way on County Road 175 from Ranch Road 1431 to future park entrance, and consider retaining engineer for said project.

Moved: Commissioner Heiligenstein

Seconded: Commissioner Hays

Motion: To authorize Commissioner Heiligenstein to present a contract to court for surveying and appraisal if needed for right-of-way acquisition for future park entrance for 558 acre Mayfield tract on County Road 175 from Ranch Road 1431 to future park entrance.

Vote: Motion carried 5 - 0

AGENDA ITEM # 18**SEPTEMBER 14, 1999**

Receive and consider awarding, rejecting or extending proposals for physician at jail.

Judge Doerfler announced time to receive proposals for physician at jail at 10:41 a.m. on Tuesday, September 14, 1999.

Judge Doerfler opened and read aloud proposal from Dr. Carlo Klott with the Georgetown Healthcare System effective October 1, 1999, through September 30, 2000 for 48 weeks per year.

Judge Doerfler announced time closed to receive proposals for physician at jail at 10:43 a.m. on Tuesday, September 14, 1999.

Moved: Commissioner Heiligenstein

Seconded:

Motion: To award jail physician proposal to Dr. Carlo Klott with Georgetown Healthcare System.

Moved: Commissioner Heiligenstein withdrew his motion.

The proposal requested Williamson County provide malpractice insurance.

Moved: Judge Doerfler

Seconded: Commissioner Hays

Motion: This proposal be awarded or rejected during the meeting of September 21, 1999.

Vote: Motion carried 5 - 0

AGENDA ITEM # 19**SEPTEMBER 14, 1999**

Consider awarding, rejecting or extending annual bids.

County Auditor Purchasing Department Ginny Atkinson and Bob Space distributed their recommendations for annual bid awards and re-awards.

Asphalt bid items 1 and 2 contain identical figures from both Austin Asphalt and Capital Aggregates. The coin toss awarded items 1 & 2 to Capital Aggregates with Austin Asphalt to be used as secondary vendor.

STATE OF TEXAS
COUNTY OF TRAVISCHILD WELFARE BOARD CONTRACT
Contract No. 07990006

I.

The Texas Department of Protective and Regulatory Services, formerly known as the Texas Department of Public Welfare and/or the Texas Department of Human Resources and/or the Texas Department of Human Services, hereinafter referred to as the Department, and Williamson County, hereinafter referred to as the County, initiated a contract effective September 1, 1996, to establish a child welfare board contract to administer a county wide, jointly financed, state administered and regionally operated child welfare program to meet the needs of children in the county in need of protective services. This contract has continued without a break until present.

With this document, the Texas Department of Protective and Regulatory Services and the County agree to continue the child welfare board and revise the contract to change the contract number, update terminology and to allow the Department and the County the ability to participate in Title IV E funding opportunities. This contract is entered into under the authority of §40.058 of the Human Resources Code and is not an agreement under Ch. 771 of the Government Code.

II.

The County agrees:

- A. To continue a Child Welfare Board, hereinafter referred to as the Board, as set out by statute in the Texas Family Code §264.005.
- B. That the Board will consist of not less than seven nor more than fifteen persons appointed by the County Commissioners' Court. Each member will serve a three-year term on a rotating basis. Initially, the appointees will be designated to serve the following terms: 1/3 of the members appointed to three-year terms; 1/3 of the members to a two-year term; and 1/3 of the members to a one-year term. In successive years, from two to five new members will be appointed. Members shall serve at the pleasure of the Commissioners' Court. Members serve without compensation.
- C. To continue to provide adequate funding for the care of any child in need of protective placement who is under the conservatorship of the Department, and who is ineligible for Title IV-E foster care or state-paid foster care and/or Medicaid.
- D. To provide adequate funds for medical care not covered by Title XIX (Medicaid) and for children not Medicaid eligible.
- E. To maintain its total net child welfare expenditures for any future fiscal year at the level of the County's child welfare program appropriation or the County's actual expenditures, less any appropriation or expenditure of Level of Care payments to foster homes, for the child welfare program for the fiscal year preceding the signing of the contract, whichever amount is less.
- F. To participate in the Department's financial and statistical reporting systems.
- G. That none of the moneys used to carry out the terms of this contract shall be federal funds, either directly or indirectly, and further expressly agrees that such moneys have not been used to secure federal matching funds previously.

- H. To maintain and retain fiscal records adequate to assure that claims for federal and state funds are in accord with applicable requirements.
- I. To reimburse the Department the cost of the certified administrative staff salary expenditures for the state fund share of said expenditures on a quarterly basis as billed by the Department for mutually agreed upon staff as outlined in Attachment A. The county will be responsible for any audit exceptions for unallowable costs included in their certified claim.
- J. To maintain and retain said fiscal records for a period of at least five (5) years after the date of the end of the federal fiscal year in which the transaction occurred.
- K. That in the event that an audit by or on behalf of the Department or the U.S. Department of Health and Human Services occurs, fiscal records will be retained until the resolution of audit questions.
- L. That the financial depository for the Board shall be the County Treasury or other designated depository. All moneys received by the Board from whatever source shall be deposited in this County depository, and the regular procedures followed in the collection, disbursement, and accounting for such county funds will be followed and adhered to by the County and the Board.

III.

The Board required under Article II, Section A, of this contract shall have and exercise such lawful authority, duties and responsibilities as conferred upon it by statute, the Department and the County. The Department and the County agree that the Board will have the following duties:

- A. Assist the Department in identifying and meeting the needs of the children in the county who are covered under this contract.
- B. Explain the child welfare program and needs to the community and explain to Department staff the community's conditions and attitudes on policy, services, and priorities.
- C. Serve in an advisory capacity to the county in the development of local policy to meet the needs of the children in Travis County covered under this contract.
- D. Develop an estimated annual budget for the operations of child welfare services. It will be the duty of the Board to recommend an estimated budget to Commissioners' Court and appear in support of same at budget hearings.
- E. Authorize the Department to expend county funds and other special funds on behalf of the children in Travis County covered under this contract.
- F. Review on a monthly basis child welfare expenditures and receipts, as well as a summary of services delivered during the month.
- G. Prescribe such bylaws, not inconsistent with the terms of this contract and applicable State laws, as may be necessary or desirable to insure the efficient operation of the Board. Such bylaws shall be approved by written order of the Commissioners' Court.

IV.

The Department agrees:

- A. To seek Title XIX Medicaid coverage within the amount, duration, and scope of the Medicaid program as defined by the state agency responsible for administration of these funds, for any child eligible for AFDC-foster care or state-paid foster care and who is eligible for Medicaid benefits..
- B. Where applicable, to reimburse the County when care was paid for a child ineligible for Title IV-E or state paid foster care and consequently certified by the Department as eligible for Title IV-E foster care and state-paid foster care.
- C. To reimburse the Board on or after the effective date of this contract for certified claims for additional child care maintenance and/or allowable Title IV-E administrative and training claims and agrees to make such reimbursement on a quarterly basis with adjustments for overpayment or underpayment made for previous months.
- D. To receive and expend children's personal funds (SSI, SSA, child support, etc.), in accordance with the needs of each child and state and federal laws and regulations, for children in the Department's conservatorship.
- E. To provide the County with the necessary forms for participation in the reporting systems required in Article II, Section F. of this contract.
- F. That any additional certified allowable Title IV-E foster care maintenance and administrative expenditures received in accordance with Department and federal regulations and procedures will be used for the benefit of children in Travis County who are involved with the Texas Department of Protective and Regulatory Services.

V.

The Parties mutually agree:

- A. That this mutually undertaken child welfare program must meet state licensing and/or certification standards for child-caring and child-placing activities as a condition to continuation of this contract.
- B. To comply with Title VI of the Civil Rights Act of 1964 (Public Law 88-352), Section 504 of the Rehabilitation Act of 1973 (Public Law 93-112), The Americans with Disabilities Act of 1990 (Public Law 101-336), and all amendments to each, and all requirements imposed by the regulations issued pursuant to these acts. In addition, the County agrees to comply with Title 40, Chapter 738, of the Texas Administrative Code. These provide in part that no persons in the United States shall, on the grounds of race, color, national origin, sex, age, disability, political beliefs or religion be excluded from participation in, or denied, any aid, care, service or other benefits provided by federal and/or state funding, or otherwise be subjected to discrimination. The County further agrees to comply with Texas Health and Safety Code Section 85.113 (relating to work place and confidentiality guidelines regarding AIDS and HIV).
- C. That there shall be an annual review of this contract conducted to consider any appropriate changes.
- D. That the term of this contract shall be effective October 1, 1998 and will terminate September 31, 1999 or at such time as the federal, state, or county governments cease to participate in the program, by mutual consent of all parties hereto, or upon breach of the contract by one of the parties hereto. If mutual consent cannot be attained, either party to this contract may consider it canceled by giving thirty (30) days notice in writing to the other party, and this contract shall thereupon be canceled upon the expiration of such thirty (30) day period. It is further agreed and understood that in the event the federal or state laws or other requirements

should be amended or judicially interpreted so as to render fulfillment of this contract on the part of either party unfeasible or impossible or if the Department and the County should be unable to agree upon modifying amendments which would be needed to enable substantial continuation of the program as a result of such amendments or judicial interpretations, then, and in that event, the Department and the County shall be discharged from further obligation created under the terms of this contract, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination.

- E. That this contract shall constitute the entire agreement of the County and the Department, and supersedes any other agreement(s), contract(s), or amendment(s) whether formal or informal, which have been previously entered into by and between the County and the Department relating to the services covered under this contract.

For the faithful performance of the terms of this contract, the parties hereto, in their capacities as stated, affix their signatures and bind themselves effective the 1 st day of October, 1998.

Motion: To offer the Information Technology Director position to Paul E. Klehn at grade 39, step 5.

Vote: Motion carried 3 - 2 with Commissioners Heiligenstein and Hays voting against the motion.

AGENDA ITEM # 28SEPTEMBER 14, 1999Hear comments from commissioners.

Commissioner Boatright reported an additional \$56 million surplus state gasoline tax monies was reported at the CAMPO meeting on Monday, September 13, 1999, along with an additional \$56.9 million state funds which was distributed to the Austin metropolitan area. Projects earmarked for the \$56 million are Highway 183 at 71, going to the airport and the south end of SH 45.

More money is expected in October, 1999, a portion of which he is hoping will be allocated for the north end of SH 45.

Commissioner Hays discussed a central Texas economic forecast of job growth beginning to slow with a not so inflated economy is a trend expected to continue for possibly another four (4) years. Williamson County is receiving most of the growth in central Texas.

Commissioner Limmer encouraged consideration of a minimum 3 year bond issue for approximately \$90 million for roads and right-of-way only.

Commissioner Boatright suggested concentrating on road construction for the first three (3) years.

Judge Doerfler discussed the bond council advising the remaining Brushy Creek Road bond funds can be used if the project is related **after all other projects in that bond issue have been completed.**

Judge Doerfler also advised he had received a letter from the Williamson County Auditor on delinquent road assessment districts Carmel Creek (\$666.00), Coyote Trails (\$695.00), Downing Lane (\$725.00), Oak Grove (\$34,442.00), Bagdad Trail Estates (\$2,154.00) and San Gabriel Oaks (\$9,910.00).

The Judge informed the court he had received a telephone call from Mr. A. W. Hoyt who owns 193 acres near Northlake which he offered to sell to the county for \$4,000.00 per acre for total \$772,000.00.

Commissioner Hays advised the 193 acres is totally covered with cedar trees and golden cheek warblers. Mr. Hoyt would like to sell the property to Williamson County to use as a golden cheek warbler mitigation bank.

Commissioner Hays discussed current mitigation on D.B. Wood Road bridge below the dam. Fish and Wildlife has offered to hold funds in mitigation bank to use for purchasing Williamson County land (instead of property in Travis County).
