## NOTICE OF PROPOSED INSTALLATION

## UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System  
1900 Georgetown Inner Loop, Suite B  
Georgetown, Texas 78626

DATE December 1, 1999Formal notice is hereby given that Central Telephone Company of TexasCompany proposes to place a buried cable

line within the right-of-way of Saratoga Springs Drive  
as follows: (give location, length, general design, etc )

The work location is on the north side of Saratoga Springs Drive in the new Saratoga Springs Subdivision. From the intersection at Hwy. 183, bury cable 390 feet west to a power pole in the northeast corner of Saratoga Springs Dr. and Saratoga Spring Cove. Cable will be 3 feet from back of the right-of-way.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice

Construction of this line is proposed to begin on or after the 20th day of December 19 99

APPROVAL

This application is hereby approved subject to the following understandings and restrictions. It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.
