NOTES:

The bid items above shall be all inclusive and the Total Lump Sum Base Bid shall represent the total amount necessary to furnish and construct the project as detailed in the Contract Documents. The amount written in words has precedence over the numerical figure. Bid award shall be based on lowest Total Lump Sum Base Bid by a responsive, responsible bidder.

The apparent low bidder shall have the lowest Total Lump Sum Bid. The Owner may then award Contract, if possible, to the low bidder found to be responsive, responsible and meeting the Owner's financial and service commitment constraints. Upon Contract award, the Owner reserves the right to delete any one, combination of one or more, or all of the bid items above in order to match Owner's budget constraints. The Owner also reserves the right to reject any or all bid proposals, to accept the lowest responsive, responsible bidder's proposal, and to waive any informality in any proposal.
