VOL 0102 PAGE 377

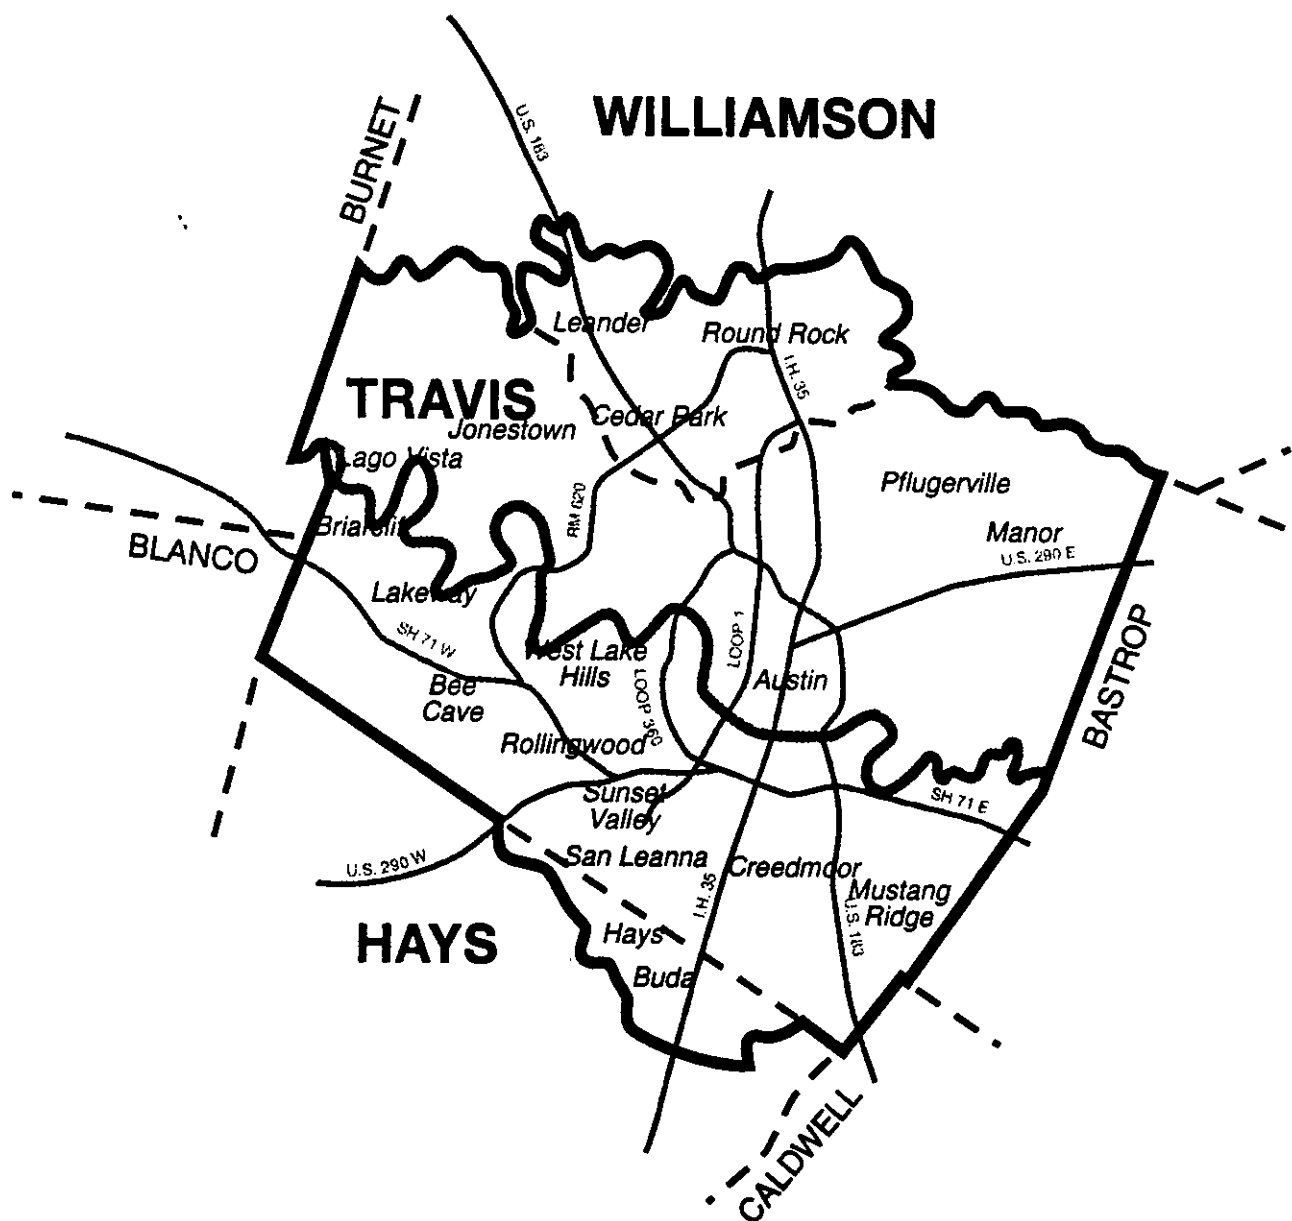

Austin Transportation Study Executive Director Michael R. Aulick discussed how the long range ATS planning is being integrated with work accomplished by Prime Strategies. ATS does a long range transportation plan in Austin metropolitan area at least 20 years out and approves Federal transportation funds for highways, transit and bikeways. The area includes all Travis County, southern Williamson County which includes Leander, Cedar Park and Round Rock along with their extra territorial jurisdictions and following the extra territorial jurisdiction of Austin into Hays County.

Mr. Aulick commented on how beneficial the Prime Strategies information is to ATS.

On February 8, 1999, Mr. Aulick plans to recommend \$1,390,000.00 funding for the first phase of Anderson Mill Road located east of Pond Springs Road.
