Greg Bergeron, Unit Road Supervisor
 Williamson County
 1900 Innerloop
 Georgetown, TX 78626

Dear Greg:

There are a couple of things I need to clear up as County Commissioner concerning personal items Williamson County Road and Bridge have been using over the years.

First, is the trailer the Lincoln Welding Machine is sitting on. The verbal agreement was that upon leaving county employment I would be reimbursed \$500.00 for the trailer. *Who's verbal agreement?? JJ*

Second, is a complete box of tools, which included sockets and wrenches, used by the mechanics and employees. It is now gone from this maintenance warehouse. The value of this set of tools is \$300.00 and I do wish to be reimbursed for this set of tools. *Where are the tools?? JJ*

You may verify the above facts with Jesse Gamez, Foreman.

Sincerely,

Jerry Leroy Mehevec
 Jerry Leroy Mehevec
 County Commissioner Pct #4

I, Jesse Gamez, attest to the fact that Jerry Leroy Mehevec did bring the tools to the warehouse to be used by the mechanics and employees and that the trailer the county has the Lincoln Welder mounted on is his trailer.
