Dear Mr. Boatwright,

Every year Church of the Hills gives a gift to the community of Anderson Mill West in the form of a 4th of July Celebration. We are excited that this is our 7th year to host this event. We have a parade through the neighborhood, followed by free food at the park next to Cypress Elementary School on El Salido. This year, just as last year, the parade will be held from 10:00 am until 11:00 am, with the celebration following until 12:30.

I would like to obtain permission for us to parade through the Anderson Mill West subdivision. We will use the same parade route as last year. To make the parade possible, it would involve blocking off El Salido at Aster Pass for approx. 20 minutes, then again where Old Mill crosses El Salido, for about the same amount of time. Several other side streets may need to be blocked off as the parade passes.

In the past, we have borrowed barricades from either the city or county for the blocking off of the streets, and they have delivered them to our church office, and then picked them up the following Monday after the parade. We would like to do that again, as well, if possible.

Thank you so much for your assistance in this matter. I am anxious to hear back from you regarding permission to block off the streets. You can reach me during the day at 329-0070, ext. 2209.

Sincerely,

Beverly Ott
