Historical and Statutory Notes

Prior Laws:
Acts 1987, 70th Leg., ch. 673.

Vernon's Ann.Civ.St. art. 2351a-8, § 2(a),
(b)(2).

§ 775.012. Petition for Creation of District Located in More Than One County

(a) Before a district that contains territory located in more than one county may be created, the county judge of each county in which the proposed district will be located must receive a petition signed by at least 100 qualified voters who own taxable real property that is located in the county in which that judge presides and in the proposed district. If there are fewer than 100 of those voters, the petition must be signed by a majority of those voters.

(b) The name of the district proposed by the petition must be "_____ Emergency Services District."

Acts 1989, 71st Leg., ch. 678, § 1, eff. Sept. 1, 1989.

Revisor's Note

The revised law retains the requirement that a person signing a petition own taxable real property in the district for the reason stated in the revisor's note under Section 775.011.

Historical and Statutory Notes

Prior Laws:
Acts 1987, 70th Leg., ch. 673.

§ 775.013. Contents of Petition

(a) The petition prescribed by Section 775.011 or 775.012 must show:

(1) that the district is to be created and is to operate under Article III, Section 48-e, of the Texas Constitution, as proposed by S.J.R. No. 27, Acts of the 70th Legislature, Regular Session, 1987, and adopted by the voters at an election held November 3, 1987;

(2) the name of the proposed district;

(3) the district's boundaries as designated by metes and bounds or other sufficient legal description;

(4) that none of the territory in the district is included in another emergency services district; and

(5) the mailing address of each petitioner.

(f) A governing body's consent to include territory in the district and to initiate proceedings to create a district as prescribed by this chapter expires six months after the date on which the consent is given.

Revisor's Note

(1) Subsection (d) of the source law refers to "Section 5, Municipal Annexation Act (Article 970a, Vernon's Texas Civil Statutes)." That section was codified in 1987 as Section 42.044, Local Government Code. The revised law reflects this change.

(2) The source law refers to the "corporate limits of a municipality." Since under the Local Government Code all municipalities are incorporated, the revised law omits as redundant the reference to "corporate."

(a) At the time and place set for the hearing or at a later date then set, the commissioners court shall consider the petition and each issue relating to creation of the district.

(b) Any interested person may appear before the commissioners court in person or by attorney to support or oppose the creation of the district and may offer pertinent testimony.

(c) The commissioners court has exclusive jurisdiction to determine each issue relating to the creation of the district and may issue incidental orders it considers proper in relation to the issues before the commissioners court. The commissioners court may adjourn the hearing as necessary.

Vernon's Ann.Civ.St. art. 2351a-8, § 6.

§ 775.017. Petition Approval

(a) If after the hearing the commissioners court finds that creation of the district is feasible and will promote the public safety, welfare, health, and convenience of persons residing in the proposed district, the commissioners court shall grant the petition and fix the district's boundaries. If the proposed district, according to its boundaries stated in the petition, is located wholly in a county with a population of more than 2.4 million, the commissioners court may amend the petition to change the boundaries of the proposed district if

the commissioners court finds the change is necessary or desirable. For the purposes of this provision, the population of the county is determined according to the most recent federal decennial census available at the time the petition is filed.

(b) If the proposed district will include territory in the municipal limits or extraterritorial jurisdiction of one or more municipalities, the commissioners court of the county in which the municipality is located must determine if the district would still meet the requirements prescribed by Subsection (a) if the territory in the municipality's limits or extraterritorial jurisdiction is excluded from the district. The commissioners court must make this finding for each municipality the territory of which will be included in the district.

(c) If the commissioners court finds that the proposed district does not meet the requirements prescribed by Subsection (a), the commissioners court shall deny the petition.

Revisor's Note

Section 9(a) of the source law refers to "an incorporated municipality." The revised law omits the source law reference to "incorporated" as redundant since under the Local Government Code all municipalities are incorporated.

Historical and Statutory Notes**Prior Laws:**

Acts 1987, 70th Leg., ch. 673.
Acts 1989, 71st Leg., ch. 259, § 1.

(b).

§ 775.018. Election

(a) Except as provided by Subsection (b), on the granting of a petition, the commissioners court shall order an election to confirm the district's creation and authorize the imposition of a tax not to exceed 10 cents on each \$100 of the taxable value of property taxable by the district or two cents on each \$100 of the taxable value of property taxable by the district if any area in the district is also included in a rural fire prevention district.

(b) If a proposed district is located wholly in a county with a population of more than 2.4 million, the commissioners court shall order an election to confirm the district's creation and authorize the imposition of an ad valorem tax not to exceed three cents on each \$100 of the taxable value of property taxable by the district, except that if the petition seeks conversion of a rural fire prevention district into an emergency services district, the election must be to authorize the imposition of an ad valorem tax not to exceed six cents on each \$100 of the taxable value of property taxable by the district. For the purposes of this subsection, the population of the county is determined according to the most recent federal decennial census available at the time the petition is filed.

March 12, 1999

Dear Mr. Coats;

This letter will serve to confirm the changes made to the county fire district between Hutto and Georgetown on March 12, 1999. The change is identified on the attached map signed by Hutto VFD Chief Thiele and Georgetown FD Chief Clanton. It is principally a change along CR 100 north of CR107. The change serves to logically identify a boundary along CR 100 instead of the previous boundary which was an imaginary line across vacant land.

Mr Coats:

This letter is to serve as our agreement that your property located on County Road 100 as indicated per the signed enclosed map be removed from the City of Georgetown's response area. This exclusion of this property is to allow yourself to be located and involved with the formation of a Emergency Services District that will be served by the Hutto Volunteer Fire Department and to participate in the activities of that organization. If for what ever reason this does not take place and your participation in the Fire Department or ESD should terminate, the area in question would be reinstated into the Georgetown Fire Department's response area should this area of response be in effect.

If additional information is need to assist you in the formation of the ESD please contact my office. If additional documentation is needed in this mapping issue please feel free to contact me.

Sincerely,

Anthony Lincoln
Fire Chief
