TO: Williamson County Unified Road System  
1900 Georgetown Loop, Suite B  
Georgetown, Texas 78626

DATE: January 27, 2000

Formal notice is hereby given that Central Telephone Company of Texas

RECORDERS MEMORANDUM

All or parts of the text on this page was not  
clearly legible for satisfactory recordation

Company proposes to place a buried cable

line within the right-of-way of Indian Springs Road  
as follows: (give location, length, general design, etc.)

The work area is on the north side of Indian Springs Rd. at the intersection of FM 2338. At that point  
bury cable from our pedestal 4161-2 to the west 4,800 feet to our pedestal 4148-6. Cable will be buried 3  
feet from the back of the right-of-way. *# See added items, sheet 1.*

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County  
Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with  
applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the  
"Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by \_\_\_\_\_  
2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 10th day of February 2000.

APPROVAL

This application is hereby approved subject to the  
following understandings and restrictions.  
It is expressly understood that the said County  
Commissioners' Court does not imply hereby to  
grant any right, claim, title or easement in or upon  
this County Road, and it is further understood that  
in the future, should Williamson County, for any  
reason, need to work, improve, relocate, widen,  
increase, add to, decrease, or in any manner change  
the structure of this road or right-of-way, this line,  
if affected, will be moved at the direction of the  
Williamson County Engineer or County Commissioner.  
This installation work shall not damage any part of the  
roadway and adequate provisions shall be made to  
cause a minimum of inconvenience to traffic and adjacent  
property owners.

**CONTRACTOR'S LIABILITY AGREEMENT**

I, Larry Parker, Contractor for Central Telephone Co. of Texas in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of Indian Springs Rd. which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8.30 a.m. and 4.30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 5' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T M U T C D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.
