Commissioner Mike Heiligenstein

Commissioner Heiligenstein,

Thank you for meeting with me, per our conversation, the following is a list of the faded & missing stop signs, throughout Katten Creek neighborhood. I have also noted the faded crosswalks, as well as the faded bike lanes. I have noticed that the major intersections with 3 and 4 way stops have all lost the intersection markers (line before the stop signs).

Faded Stop Signs:

On Dallas @ Green River Trail (from Partner Lane)

Note: the stop sign heights are approx. 10 feet at top and 8 ft at the bottom of the signs... Possibly a little too high. Please check on the larger ones used like in Buttercup Creek Subdivision (ie: Nelson Ranch Road)

On Elkhorn Mountain @ Humphrey Dr. (3 of the 4 ways)

Note: the height of these stop signs

Gratituted Stop Signs:

Elkhorn Mountain @ Tamayo (park side of Tamayo)

Missing Stop Signs:

Benfacc @ Black Foot Trail

Faded Crosswalks:

Dallas @ Green River Trail

Dallas @ Tamayo

Dallas @ Blackfoot

Tamayo @ Grovedale (bridge side of park)

Tamayo @ Elkhorn Mountain

Faded Bike Lanes:

Dallas Drive

Tamayo (may not have ever been painted)

Thank you for your help regarding this matter. I will finish driving the neighborhood and see if there are any others to add to this list.

Jo Jones
