Memo

To: Williamson County Commissioners Court
From: Bobby Gutierrez, Constable, Pct.3

Re: Non-Paid Deputy Position

I respectfully request your consideration and approval of Mr. James Collins as non-paid deputy for the Precinct Three Constable's staff. This item is requested for the next possible Commissioner's Court agenda.

Prior to recent retirement The Texas Health & Human Services Commission formerly employed Mr. Collins as an investigator. He also has senior law enforcement and investigative experience with the Texas Attorney General's Office, and Reeves County Sheriff's Department. The background investigation revealed a mature, experienced, dedicated, and knowledgeable individual in good standing. He is active and in good physical condition. He is highly regarded to have a strong personal and work ethic, interact with the public professionally and exercises common sense in his problem solving.

Mr. Collin's retirement schedule would allow his contribution to the Constable's Office to be during weekday and weekend hours. His education, experience and ability to work independently as an advanced peace officer makes him a valuable addition to the Constable's staff.

In light of recent voluntary resignations of non-paid deputies, my office is in need to replace the small number of non-paid deputy staff to keep on track with the workload.

I thank you in advance for your consideration. Please contact me if you need additional information on this matter.

Bobby Gutierrez, Constable, Precinct Three
