Re: New Deputy Position

I respectfully request your consideration and approval of Mr. Shannon Houston Saffel to fill the newly created Deputy Constable position (Warrant Officer) for the Precinct Three Constable's staff. This item is requested for the October 3, 2000 Commissioner's Court agenda, so that I may offer employment as soon as possible after the beginning of the fiscal year.

A Selection Team was comprised of two individuals from outside law enforcement agencies and one individual representing business and community. I followed the Selection Teams recommendation after they reviewed twelve applicants that resulted in eight finalists advancing to an interview. The Selection Team unanimously chose Mr. Saffel.

Mr. Saffel has four years experience with the Texas Department of Criminal Justice with inmate control at a high-risk correctional facility. He has three years of municipal law enforcement experience from Madisonville Texas Police Department. He also has warrant/fugitive search and apprehension experience. His background check indicates a young, yet mature individual with high work ethic, highly trusted, professional with excellent community relations skills. He exercises common sense in his problem solving and uses modern computer technology to expedite his investigative work. I believe he will be as great asset to my office and Williamson County.

I thank you in advance for your consideration. Please contact me if you need additional information on this matter.

Bobby Gutierrez, Constable, Precinct Three
