**WHEREAS, each of the parties hereto requires training for firearms use, and any other appropriate law enforcement or public safety training, so as to increase the skill and professionalism of its law enforcement and public safety personnel and reduce liabilities to the parties and their respective insurance carriers; and**

**WHEREAS, the County and the Participating Entity desire to share the costs of the construction of a firing range ("Range"), provided that the County shall operate, manage and maintain the Range, and provided that the Participating Entity shall be entitled to utilize said Range for firearm qualification purposes; and**

If there are additional construction costs over and above these listed in Exhibit "A", the Participating Entity is not obligated to remit additional consideration, unless approved by official action of the Participating Entity.

III.

#### V.

#### INDEMNITY

1. Participating Entity will indemnify and save harmless the County, its officers, agents, servants, and employees for and against any and all suits, actions, legal proceedings, claims, demands, costs, expenses, and attorney fees, arising out of a willful or negligent act or omission of the Participating Entity, its officers, agents, servants, and employees arising out of utilization of the Project by the Participating Entity, its officers, agents, servants, and employees.
