NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: May 8, 2000

Formal notice is hereby given that Central Telephone Company of Texas

Company proposes to place a two cabinets and a buried cable

line within the right-of-way of CR 220

as follows: (give location, length, general design, etc.)

The work area is on the north side of the road in front of #1094 CR 220. Place 2 cabinets on 3'x5' concrete slabs 10 feet west of our pedestal 6122-61L at the back of the right-of-way. One cabinet is 4'x4'x1'. The other is 5'x2'x2'. From there bury a cable about 130 feet north and then cross under CR 220 via 4" bore to our pedestal 6122-6 on the south side of the road.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 25th day of May, 2000.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions. It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

I, Larry Parker, Contractor for Central Telephone Co. of Texas in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of CR 220 which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

LICENSE AND PERMIT BOND

(For County, City, Town or Village Only)

Bond No. RSB- 571436

Know All Men By These Presents:

That we Isbell Construction, Inc.
of the city of Florence, State of Texas as Principal,
and the RLI Insurance Company, a corporation duly licensed to do business in the state of Texas, as
Surety, are held and firmly bound unto the Williamson County Unified Road System
(Valid only when a County, City, Town or Village is named as Obligor)
State of Texas, Obligor, in penal sum of two thousand (\$ 2,000.00) DOLLARS,
(Not valid if filled in for more than \$25,000)
lawful money of the United States, to be paid to the said Obligor, for which payment well and truly to be made, we bind ourselves and
our legal representatives, jointly and severally by these presents.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that whereas, the said Principal has been licensed as _____
street cutting contractor by the Obligor.

NOW, THEREFORE, if the said Principal shall faithfully perform the duties and in all things comply with the laws and ordinances,
including all Amendments thereto, pertaining to the license or permit applied for, then this obligation to be void, otherwise to remain
in full force and effect until November 12, 1998, unless renewed by Continuation Certificate.

This bond may be terminated at any time by the Surety upon sending written notice to the clerk of the Political Subdivision with whom
this bond is filed and to the Principal, addressed to them at their first known address, and at the expiration of thirty-five (35) days from
the mailing of said notice, or as soon thereafter as permitted by applicable law, whichever is later, this bond shall ipso facto terminate
and the Surety shall thereupon be relieved from any liability for any acts or omissions of the Principal subsequent to said date.

Dated this 12th day of November, 1997.

Principal
(Individual, Partner or Corporate Officer)
