Attn: County Clerks,

Due to technical problems beyond our control, the biweekly Over Axle/Over Gross Weight Tolerance Permit Reports for the periods of March 11 - March 24, March 25 - April 7, and April 8 - April 21 have not been available to date. There was a corruption in our database, and these reports are being reconstructed and will be mailed as soon as they can be generated. This will not impact the amount of revenue the counties receive from these permits. The missing reports will be mailed once we are able to retrieve the data from the database. However, we are enclosing the report for the time frame April 22nd – May 5th, and future reports will continue to be sent as scheduled. We apologize for any inconvenience this may have caused.

If you have any questions concerning this information, please Mr. Curtis Wagner at (512) 465-3590.
