OFFICE LEASE AGREEMENT

This OFFICE LEASE AGREEMENT (the "Lease") is dated June 1, 2000, by and between Nelson Nagle ("Landlord"), having the address of 400 West Main Street, Round Rock, Texas 78664, and Williamson County ("Tenant"), having an address of 400 West Main Street, Suite 218, Round Rock, Texas 78664.

WITNESSETH:

1. TERM AND OPTION TO EXTEND TERM. Landlord hereby leases to Tenant and the Tenant hereby leases from the Landlord, the following property: The space(s) designated as Suite(s) 214, 216, and 218, ("the "Leased Premises"), being located at 400 West Main Street, Round Rock, Texas 78664, described in Exhibit A attached to this Lease and made a part of this Lease for all purposes. As demonstrated in Exhibit "A," the Leased Premises are a part of the entire property located at 400 West Main Street, Round Rock, Texas ("the Property"). By this Lease, Landlord leases the Leased Premises for the term of 40 months, commencing on the 1st day of June, 2000, and terminating on the 30th day of September, 2003, under the terms and conditions set forth herein, unless terminated sooner or extended as provided in this Lease. Tenant may extend the term of this Lease beyond the expiration date provided in this paragraph on the following conditions:

- a. Tenant may, if it is not in default either on the date required for notice or on the date such extension commences, extend the lease term for an additional period of three years which shall begin on the day following the expiration date of the initial lease term specified above.
- b. Tenant may exercise each option to extend this lease by giving Landlord notice of its intention to do so not later than 60 days before the initial lease term expires. Notice of an intention to exercise an option to extend must, to be effective, be sent to Landlord as provided in Section 25 below and no later than the latest date provided in this section for Tenant's exercising the option.

If the Tenant holds over and continues in possession of the Leased Premises after the lease term (or any extension of it) expires, Tenant will be considered to be occupying the Leased Premises on a month-to-month tenancy, subject to all the terms of this Lease.

2. USE AND POSSESSION. It is understood that the Leased Premises are to be used for ~~landscape architecture~~ offices and shall not be used for any other purpose without prior written consent of Landlord. Tenant shall not use the Leased Premises for any unlawful purpose or so as to constitute a nuisance. Landlord covenants and agrees to have the Leased Premises completed and ready for possession on or before the above commencement date, barring strikes, insurrections, acts of God and other casualties or unforeseen events beyond the control of the Landlord. Tenant agrees to accept possession of the Leased Premises upon completion. The Tenant, at the expiration of the term, shall deliver up the Leased Premises to Landlord in good repair and condition.

3. RENT. Tenant hereby covenants and agrees to pay to Landlord a total Annual Base Rent of \$18,000.00 payable in advance in equal, monthly installments of \$1,500.00, beginning on the commencement date of this Lease and continuing on the first day of each and every month thereafter for the balance of the Term, unless adjusted pursuant to Section 4. Tenant also agrees to pay to Landlord any additional rents specified herein. Rent shall be paid to Landlord at any

address designated by Landlord. Landlord may charge Tenant a late charge of \$25.00 plus \$5.00 per day for each rental payment which is not postmarked or received by the Landlord by the 5th of each month in which rent is due. If Tenant's possession commences on a date other than the first day of the month, Tenant shall occupy the Leased Premises under the terms, conditions and provisions of this Lease, and the pro-rata portion of the monthly rent for said month shall be paid in addition to the monthly rent for the next month.

In lieu of deposit, Tenant shall pay to Landlord an initial lump sum equal to all rental amounts due and owing for the months of June 1, 2000 through September 30, 2000. Similarly, in successive rental years (all of which shall commence on the 1st day of October and end on the 31st day of September), rent shall be paid, in full, for the subsequent 12-month period on or before the 1st day of October.

4. RENT ADJUSTMENT UPON EXERCISE OF OPTION OF EXTENSION. If Tenant exercises his option to extend the term of the lease for an additional three years, the Annual Base Rent for this additional three years will be adjusted at the time of renewal so as to be in line with competitive, market rates in the area. If Landlord and Tenant cannot agree on the Annual Base Rent for the additional three year period, Tenant's exercise of its option for an additional three years will be void.

5. SALES AND USE TAX. Tenant hereby covenants and agrees to pay monthly to Landlord, as additional rent, any sales, use or other tax, excluding State and/or Federal Income Tax, now or hereafter imposed upon rents by any local, state or federal government authority notwithstanding the fact that the ordinance, rule, regulation or law imposing the same may endeavor to impose tax on the Landlord.

6. TENANT TO PAY PRO-RATA OPERATING EXPENSES. A pro-rata share of all the Operating Expenses attributable to the Leased Premises shall be paid by Tenant. Operating Expenses include but are not limited to expenditures for all property management, maintenance, repairs, replacements, and upkeep to the Leased Premises; assessments and governmental charges (including taxes on rents or services); ad valorem property taxes with respect to each year this Lease is in force; water, drainage, septic and/or sewage; cleaning, including supplies, janitorial services; pest control; utilities, including electricity and gas; licenses, permits and inspection fees; refuse collection; general liability and fire/casualty insurance covering all improvements (including but not limited to all Tenant improvements, the buildings on the Property, and all other aspects of the Leased Premises), fire protection; snow and ice removal; landscape maintenance; window washing; professional services; and security. The following shall be excluded from Operating Expenses: depreciation, commissions paid for leasing, and salaries of officers and executives of Landlord or Owner. Capital Improvements, such as major structural defects, foundation improvements, roof replacement and new HVAC units, parking lot reconfigurations shall be the responsibility of the Landlord.

Said Leased Premises are part of the Property with common area, ownership and management. Expenses that are common to the Property will be split on a reasonable and proportional basis between the tenants based on the number of square feet rented by each tenant and the building in which each tenant resides. Landlord has made a good faith estimate of Tenant's share of the Operating Expenses for the initial calendar year of the Lease. Accordingly, Landlord adjusts the monthly payment of Base Rent such that Tenant will pay thirteen percent (13%), or \$325.00, for the remainder of the first calendar year of the Lease in addition to the Base Rent under the same terms and conditions as set forth for the Base Rent Section 3. Once actual figures are determined

for the calendar year, Landlord shall either: (1) invoice Tenant for sums due over and above the estimate; or (2) credit Tenant for overage. Landlord will credit Tenant for overage no later than February 15th of each year. Tenant will pay any sums due over and above the estimate by March 1st of each year. The calendar year shall be January 1 through December 31. Landlord has explained to Tenant the manner in which Tenant's estimated share of the Operating Expenses is calculated and Tenant agrees that this method is fair and accurate. Landlord will make a new estimate of the Tenant's share of the Operating Expenses for each upcoming calendar year based upon the actual Operating Expenses of the previous year and Operating Expense payments based on this new estimate will begin January 1st of each year.

7. SECURITY DEPOSIT. Concurrently with the execution of this Lease, Tenant has deposited (or previously deposited) with Landlord the sum of \$0.00, the receipt of which is hereby acknowledged, which sum shall be retained by Landlord without liability for interest as security for the payment by Tenant of the rent herein agreed to be paid and for the faithful performance of this Lease. If at any time Tenant shall be in default under any of the provisions of this Lease, Landlord shall have the right to use said deposit, or so much thereof as may be necessary in payment of any rent or of any damages incurred by Landlord by reason of such default of Tenant. At Landlord's option, the deposit may be retained by Landlord in liquidation of part of the damages suffered by Landlord by reason of default of Tenant. Should all or any portion of the security deposit be appropriated and applied by Landlord under the terms of this Section 7, Tenant shall, within five (5) days following demand by Landlord, remit to Landlord a sufficient amount of cash to restore the security deposit to the original sum deposited. If Tenant shall have fully and faithfully performed all of its obligations under this Lease, the security deposit shall be refunded to Tenant not later than 30 days from the expiration of the Lease term or complete move-out, whichever is later. In the event of a sale or transfer of Landlord's interest in the Property, Landlord shall have the right to transfer the security deposit to such purchaser or transferee, in which event Tenant shall look only to the new Landlord for the return of the security deposit and Landlord shall thereupon be released from all liability to Tenant for the return of the security deposit.

8. LAWS, RULES AND REGULATIONS. Tenant hereby covenants and agrees to comply at its sole cost and expense with all of the ordinances, rules, regulations and laws of the city, county or state and federal authorities having jurisdiction over the Leased Premises, including all environmental laws and regulations, and with the Property Rules and Agreed Regulations which are listed in Exhibit "B" of this Lease Agreement. Landlord shall at all times have the right to change such rules and regulations or to amend them in such reasonable manner as may be deemed advisable for the safety, protection, care, and cleanliness of the Property and appurtenances and for preservation of good order therein, all of which rules and regulations, changes and amendments will be forwarded to Tenant in writing and shall be compiled with and observed by Tenant. Notwithstanding the foregoing, the Lease shall prevail in the event of any conflicts between Exhibit "B" and the main body of the Lease.

9. SIGNS. Tenant will not place any sign(s) or other advertising material on the exterior of the buildings on the Property or in the common areas, without the prior written consent of Landlord. Landlord consent does not imply approval by governmental agencies. The form and content of all signs must be approved by the Landlord.

10. CARE OF LEASED PREMISES; ALTERATIONS. Tenant, by its occupancy hereunder, accepts the Leased Premises "as is" and as being in good repair and condition. Tenant shall maintain the Leased Premises and every part thereof in good repair and condition, ordinary wear

and tear excepted. If Tenant fails to maintain the Leased Premises as required in the Lease, Landlord may maintain and make necessary repairs in a reasonable and timely manner and Tenant shall be liable to Landlord for all costs incurred in making such repairs. Tenant shall not make or suffer to be made any alterations, additions or improvements to or of the Leased Premises or any part thereof without written consent of Landlord. In the event Landlord consents to the proposed alterations, additions, or improvements, Landlord will contribute \$0.00 to the finish out of the Leased Premises. Landlord will have the right to inspect the work. Landlord shall pay one-half of the above amount when the work has been fifty percent completed in a proper fashion and will pay the remainder when the work has been fully completed in a proper fashion. The remainder of the finish out shall be at Tenant's sole cost and expense, and Tenant shall hold Landlord harmless on account of the cost thereof. Landlord is not responsible for Tenant's telephone system wiring or the payment of Tenant's telephone bills. Tenant must leave Leased Premises in a useable fashion upon termination of Lease. Any and all alterations, physical additions or improvements to the leased premises (other than moveable equipment, trade fixtures or furniture of Tenant) shall be the property of the Landlord upon termination of Lease. If required by Landlord, however, alterations shall be removed by Tenant upon termination of the term of this Lease and Tenant shall repair damage to the Leased Premises caused by such removal, all at Tenant's cost and expense. Landlord shall not be liable for, and the Leased Premises shall not be subject to any mechanics, materialman's or other liens and Tenant shall keep the Leased Premises and the Property free from any such liens and shall indemnify Landlord against and satisfy any such liens which may arise as a result of acts of Tenant.

11. USE OF COMMON AREAS. Restrooms, stairs, hallways, lobbies, parking lots and all other common areas of the Property are for the joint use of the Tenant and the other tenants of the Property. Tenant and its officers, employees, agents and invitees will use the common areas in a reasonable, orderly and sanitary manner in cooperation with all other tenants and their officers, employees, agents, and invitees.

12. QUIET ENJOYMENT. So long as Tenant shall observe and perform all of its obligations under this Lease, Tenant shall peacefully and quietly have and enjoy possession of the Leased Premises without any unreasonable encumbrance or hindrance by, from or through Landlord except as provided for elsewhere under this Lease. Nothing in this Section 12 shall prevent Landlord from performing alterations or repairs on the Property, nor shall performance of such alterations or repairs be construed as a breach of the covenant made by Landlord.

13. LANDLORD'S RIGHT TO INSPECT AND DISPLAY. Landlord shall have the right, at all times during usual business hours throughout the term of this Lease, to enter the Leased Premises for the purpose of examination or inspection and of making such repairs or alterations as the Landlord shall deem necessary. The Landlord shall also have the right to enter the Leased Premises at all reasonable hours for the purpose of showing the Leased Premises to prospective tenants, and potential purchasers of the Property. Twenty-four (24) hour verbal notice must be given to Tenant upon such showings, and Tenant has the option of having an employee present.

14. DESTRUCTION OF PREMISES. (a) If the Leased Premises are fifty percent or more destroyed by fire or other casualties, both Landlord and Tenant shall have the option of terminating this Lease or any renewal thereof, upon giving written notice to the other party at any time within thirty (30) days from the date of such destruction, and if the Lease be so terminated, all rent shall cease as of the date of destruction and prepaid rent shall be refunded. (b) If the Leased Premises are less than fifty percent damaged by fire or other casualty, or more

than fifty percent destroyed thereby and neither party elects to terminate the Lease within the provisions of Section (a) above or (c) below, Landlord agrees, at Landlord's sole cost and expense, to restore the Leased Premises to a kind and quality substantially similar to that immediately prior to such destruction or damage. Said restoration shall commence within a reasonable time and be completed without delay on the part of the Landlord and in an event shall be accomplished within one hundred eighty (180) days from the date of the fire or other casualty. In such case all rents paid in advance shall be proportioned as of the date of damage or destruction and all rent thereafter accruing shall be equitably and proportionally suspended and adjusted according to the nature and extent of the destruction or damage. If the damage is so extensive as to make it unfeasible for the Tenant to conduct Tenant's business on the Leased Premises, the rent shall be completely abated until the Leased Premises are restored by the Landlord or until the Tenant resumes use and occupancy of the Leased Premises, whichever shall first occur. Landlord shall not be liable for any inconvenience or interruption of business of Tenant occasioned by fire or other casualty. (c) If the Landlord undertakes to restore, rebuild or repair the Leased Premises, and such restoration, rebuilding or repair is not accomplished within one hundred eighty (180) days, and such failure does not result from causes beyond the control of Landlord, Tenant shall have the right to terminate this Lease by written notice to Landlord within thirty (30) days after expiration of said one hundred eighty (180) day period. (d) Landlord shall not be liable to carry fire, casualty or extended damage insurance on the person or property of Tenant or any person. Notwithstanding anything contained in (b) and (c) above, Landlord shall not be required to spend money to repair the Leased Premises or the Property if the cost of repairs exceed insurance proceeds received by Landlord, or if any mortgagor of the property requires Landlord to apply the insurance proceeds to its debt.

15. CONDEMNATION. If during the term of this Lease or any renewal thereof, the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unusable for the purpose leased, is acquired or condemned by public authority for public use, then the term of this Lease shall cease and terminate as of the date of the vesting of title in such public authority, or when possession is given to such public authority, whichever event occurs first. Upon such occurrence the rent shall be proportioned as of such date and any prepaid rent shall be returned to Tenant. The Landlord shall be entitled to the entire award for such taking except for any separate statutory claim (recoverable from the condemning authority and not from Landlord) of Tenant for injury, damage or destruction of Tenant's business accomplished by such taking. If a portion of the Leased Premises are taken or condemned by public authority for public use so as not to make the remaining portion of the Leased Premises unusable for the purpose Leased, then rents shall be proportionally adjusted according to the extent of the taking or condemnation. In no event shall Landlord be liable to Tenant for any business interruption, diminution in use or for the value of any unexpired term of this Lease. All compensation awarded or paid for any taking or acquiring under the power or threat of eminent domain, whether for the whole or a part of the Demised Premises shall be the property of Landlord, whether such damages shall be awarded as compensation for diminution in the value of the leasehold or the fee of the Demised Premises or otherwise; provided, however, that Landlord shall not be entitled to any award specifically made to Tenant for the taking of Tenant's trade fixtures, furniture or leasehold improvements to the extent of the cost Tenant or said improvements (exclusive of Landlord's contribution) less depreciation computed from the date of said improvements to the expiration of the original Lease Term.

16. ASSIGNMENT AND SUBLEASE. Tenant shall not encumber or assign this Lease or sublet all or any part of the Leased Premises without the prior written consent of Landlord. If such assignment is granted, which may or may not be granted by Landlord at its sole discretion,

said assignment shall in no way relieve Tenant from its obligation to pay rent or to perform the conditions, covenants and provisions of this Lease. In no event shall this Lease be assigned or be assignable by operation of law or by voluntary or involuntary bankruptcy proceedings or otherwise, and in no event shall this Lease or any right or privileges hereunder be an asset of Tenant under any bankruptcy, insolvency or reorganization proceedings. Landlord, at its option, may collect rents from any assignees or subtenants without a release of Tenant under this Lease.

17. SUBORDINATION AND ATTORNMENT. Tenant's rights under this lease are and shall always be subordinate to the operation and effect of any mortgage, deed of trust, ground lease, assignment of leases or other security instrument of operating agreement, or any renewal, modification, consolidation, participation, replacement or extension thereof, now or hereafter entered into by Landlord with respect to the building or related improvements and Property on which the Leased Premises are located, or any part thereof. This clause shall be self-operative, and no further instrument of subordination shall be required. Tenant agrees to execute all instruments requested by landlord or any mortgagee, trustee, beneficiary, or assignee of Landlord to confirm such subordination. In the event Tenant fails to execute and deliver a subordination instrument or estoppel certificate within thirty (30) days after Landlord's request, Tenant will be in a performance default. Tenant hereby attorns to any successors to Landlord's interest in the Lease, and shall recognize such successor as Landlord hereunder. Tenant agrees to execute all instruments requested by such successor to confirm such attornment.

18. TENANT'S LIABILITY INSURANCE. Tenant shall, at Tenant's expense, obtain and keep in force during the term of this Lease, a policy of commercial general liability insurance with an insurance company reasonably acceptable to Landlord and in the minimum amount of \$1,000,000 combined annual aggregate limits for bodily injury and property damage (with no lower per occurrence limits), insuring Tenant against any liability arising out of the use, occupancy and/or maintenance of the Property and/or Leased Premises, and naming Landlord additional insured. The limit of such insurance shall not limit the liability of Tenant under this Lease. Before the earlier of the date on which this Lease commences or the date Tenant takes occupancy of the Leased Premises, Tenant shall furnish Landlord with a certificate evidencing the insurance required or, if Landlord requests, a copy of the policy. The certificate or the policy, as the case may be, must state that no modification or cancellation of the coverage may be effective without at least fifteen (15) days prior written notice to Landlord. If Tenant fails to procure and maintain such insurance, Landlord may, but shall not be required to, procure and maintain such insurance at Tenant's sole expense, which Tenant agrees to pay as additional rent.

Additionally, Tenant shall, at Tenant's expense, obtain and keep in force during the term of this Lease, fire liability coverage for the buildings on the Property and all other aspects of the Leased Premises. The certificate or the policy, as the case may be, must state that no modification or cancellation of the coverage may be effective without at least thirty (30) days prior written notice to Landlord. If Tenant fails to procure and maintain such insurance, Landlord may, but shall not be required to, procure and maintain such insurance, at Tenant's sole expense, which Tenant agrees to pay as additional rent.

19. LIMITED RECOURSE OF LANDLORD. Tenant acknowledges and agrees that the liability of Landlord under this Lease shall be limited to its interest in the Property and any judgments rendered against Landlord shall be satisfied solely out of the proceeds of sale of its interest in the Property. No personal judgment shall lie against Landlord upon extinguishment of its rights in Property and any judgment so rendered shall not give rise to any right of execution of levy against Landlord's assets. The provisions hereof shall inure to the benefit of Landlord's

successors and assigns including any Mortgagee. The foregoing provisions are not intended to relieve Landlord from the performance of any of the Landlord's obligations under this Lease, but only to limit the personal liability of Landlord in case of a judgment against Landlord; nor shall the foregoing be deemed to limit Tenant's rights to obtain injunctive relief or specific performance or to avail itself of any other right or remedy which, may be awarded Tenant by law or under this Lease.

20. INDEMNIFICATION. Tenant shall not indemnify Landlord in connection with loss or damage due to gross negligence of Landlord. Landlord shall not be liable for any damage or injury to any person or property whether it be the person or property of Tenant, Tenant's employees, agents, vendors, guests, invitees, customers or otherwise by reason of, or related to, Tenant's occupancy of the Leased Premises or because of fire, flood, windstorm, acts of God or for any other reason. Tenant agrees to indemnify and hold harmless Landlord from and against any and all loss, damage, claim, demand, liability or expense by reason of damage to person or property which may arise or relate to, or be claimed to have arisen as a result of or in relation to the occupancy or use of the Leased Premises by tenant, or in any way arising on account of any injury of damage caused to any person or property on or in the Leased Premises. If Tenant's use of the Leased Premises causes Landlord's insurance premium for the building to be increased, Tenant agrees to pay, as additional rent, the entire cost of such increase.

21. TENANT DEFAULT. In the event the Tenant shall: (a) default in the payment of rent or any other sums payable by the Tenant herein, and such default shall continue for a period of (15) days; (b) default in the performance of any other covenants or agreements of this Lease and such default shall continue for ten (10) days after written notice thereof; or (c) if the Tenant should become bankrupt or insolvent or any debtor proceedings be taken by or against the Tenant, then and in addition to any and all other legal remedies and rights, the Landlord may declare the entire balance of the rent for the remainder of the term to be due and payable and may collect the same by distress or otherwise. Landlord shall have a lien on the personal property of the Tenant which is located in the Leased premises and in order to protect its security interest in the same property Landlord may without first obtaining a distress warrant, lock up the Leased Premises in order to protect said interest in the secured property, or the Landlord may terminate this Lease and retake possession of the Leased premises, or enter the Leased Premises and relet the same without termination, in which latter event the Tenant covenants and agrees to pay reasonable attorney's fees and costs and expenses of the Landlord, including court costs. If the Landlord employs an attorney to collect rent or enforce other rights of the Landlord herein in event of any breach as aforesaid, the same shall be payable regardless of whether collection or enforcement is effected by suit or otherwise.

22. LANDLORD DEFAULT. If Landlord defaults in performing any term or covenant that must be performed under this Lease, Tenant may, after not fewer than ten days' notice to Landlord, remedy the default by any necessary action and, in connection with this remedy, may pay expenses and employ counsel. Landlord, must, on demand, pay Tenant all sums expended or obligations incurred by Tenant in connection with remedying Landlord's default.

23. CUMULATIVE REMEDIES. The rights and remedies provided by this Lease are cumulative and either party's using any right or remedy will not preclude or waive its right to use any other remedy. These rights and remedies are in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

24. NON-WAIVER. No waiver of any covenant or condition of this Lease by either party shall be deemed to imply or constitute a further waiver of the same covenant or condition or any other covenant or condition of this Lease.
25. NOTICES. For the purpose of notice or demand the respective parties shall be served by certified or registered mail, return receipt requested, or in person at the respective address set forth above.
26. INDEPENDENT OBLIGATIONS. Tenant hereby acknowledges that Landlord has made no warranties to Tenant (or to any of Tenant's employees). Landlord hereby expressly disclaims any warrant (including any implied warranty) that the Leased Premises are suitable for Tenant's intent concerning the condition of the Leased Premises or the performance by Landlord. Tenant shall perform, without abatement, its obligations under this Lease.
27. SUCCESSORS AND ASSIGNS. This Lease shall bind and inure to the benefit of the successors, assigns, heirs, executors, administrators and legal representatives of the parties hereto.
28. ENTIRE AGREEMENT; MODIFICATION; SEVERABILITY. This Lease and any addenda's or exhibits signed or initialed by the parties containing all or part of the agreements and conditions between Landlord and Tenant may not be amended or modified unless set forth in a writing executed by both parties. The unenforceable, invalid or illegal nature of any provision of this Lease shall not render any other provision herein unenforceable, invalid or illegal.
29. CONSTRUCTION OF LANGUAGE. Words of any gender used in this Lease, shall be held to include any other gender, and words in the singular shall be held to include the plural and the plural to include the singular, when the sense requires. 30. HAZARDOUS MATERIALS. The term "Hazardous Materials" as used in this Lease, shall mean pollutants, contaminants, toxic or hazardous wastes, radioactive materials or any other substances, the use and/or the removal of which is required or the use of which is restricted, prohibited or penalized by any "Environmental Law." "Environmental Law" shall mean any federal, state or local statute, ordinance, regulation or other law of a governmental or quasi-governmental authority relating to pollution or protection of the environment or the regulation of the storage or handling of Hazardous Materials. Tenant agrees to indemnify and hold Landlord, its officer, employees or agents, harmless from all claims, demands, actions, liabilities, cost, damages, penalties, obligations and expenses, including but not limited to reasonable attorney fees of any nature arising from or a result of any contamination of the Property with Hazardous Materials, or otherwise arising from the sue of the Property by Tenant. The foregoing indemnification and responsibilities of Tenant do not predate Tenant's occupancy.

SECURITY GUIDELINES**

The Landlord would like to give you some important safety guidelines. Follow these guidelines and use common sense in practicing safe conduct. Inform all people in your office about these guidelines.

PERSONAL SECURITY – WHILE INSIDE THE OFFICE

1. lock your doors, and windows if applicable, if you are alone or it is after hours.
2. When answering the door, if you do not know the person, first talk to him or her without opening the door. Do not open the door if you have doubts. Do not allow solicitors in your office.
3. Do not give out keys, entry codes, gate cards or lock combinations.
4. Do not put your name, address, or phone number on your key ring.
5. If you are concerned because you have lost your key or because someone you distrust has a key, ask the management company to rekey the locks. We think you have a right to this as long as you pay for all rekeying required. If you cannot afford this, reasonable accommodation will be made.
6. Dial 911 for emergencies. In case the 911 number does not operate properly, keep phone numbers handy for the police, fire and EMS. If an emergency arises, call the appropriate governmental authorities first, then call the management.
7. Check your door locks, window latches, if applicable, and other security devices regularly to be sure they are working properly.
8. Immediately report the following to management in writing, dated and signed:
 - Any needed repairs of locks, latches, doors, windows, smoke detectors and alarm systems and/or
 - Any malfunction of other safety devices outside your office such as broken gate locks, burned out lights in stairwells and parking lots, blocked passages, broken railings, etc.
9. Close blinds and window shades at night.
10. Mark or engrave identification on valuable personal property. Be sure to carry personal/business property insurance. Do not leave valuables, purses, money, etc. where they can be seen or easily accessed.

PERSONAL SECURITY – WHILE OUTSIDE YOUR OFFICE

11. Lock your doors while you are gone, even if only for a minute.
12. Do your best not to walk alone at night.

13. Do not hide a key under the doormat, ashtray, above the door or a nearby flower pot. These are the first places a burglar will look.
14. Carry your door key in your hand, whether it is daylight or dark, when walking to your door. You are much more vulnerable when you are looking for your keys.

PERSONAL SECURITY – WHILE USING YOUR VEHICLE

15. Lock your car doors when driving. Lock your car doors and roll up your windows when leaving your vehicle parked.
16. Do not leave exposed items in your car such as cassette tapes, CD's, wrapped packages, briefcases, purses, phones, etc.
17. Carry your key in your hand while walking to your car, whether it is day or night.
18. Check the back seat before getting into our car.
19. Do not stop at gas stations or automatic teller machines at night or anytime you suspect danger.

PERSONAL SECURITY AWARENESS

No security warning, program or system is fail-safe. Even the best system cannot prevent crime. Always proceed as if security systems do not exist since they are subject to malfunction, tampering, and human error. We disclaim any expressed or implied warranties of security.
