Williamson County Auditor's Office
Attn: Ginny Atkinson- Purchasing
710 Main St. – Suite 303
Georgetown, TX 78626

Dear **Ginny Atkinson,**

Thank you for the opportunity to provide our bid for the Williamson County's requirements for Asphalt Emulsions. MCS has a long history of providing related products and technical service to many counties in Texas.

Enclosed you will find the MCS response to your bid number 01WCA002. MCS, Inc. does not manufacture state spec emulsions, rather we manufacture specialty emulsions for specialized road building applications. **I am providing 4 alternate products for bid in our response as cost effective alternative to spec products**. Enclosed you will find pricing, product descriptions, spec sheets and material safety data sheets on the following products:

Cape Over Seal (Fog seal/Final seal for Chip Seal Roads)
MCS-600C (Prime Sealer and Dust Control)
ABS-65 (Base Stabilizer)
ARE-68 (Asphalt Recycling Agent)

These products are specialized asphalt emulsions designed to outperform state spec, general use emulsions as outlined in your bid. We would like to discuss the particulars of each of the products further.

We are pleased to have this opportunity to present to you the MCS family of environmentally friendly asphalt emulsions.

Please let me know if I can provide you with any additional information.

Regards,

John K. Harris
Vice President

CAPE OVER SEAL

INTRODUCTION

CAPE OVER SEAL is a specialized emulsion that is a preventive maintenance product for seal coat roads. ***CAPE OVER SEAL*** has an easy spray on application, that can be also used on low speed roads and parking lots. ***CAPE OVER SEAL*** can also be used as a sealer over R.A.P. to stop rock loss, and to turn the road black. ***CAPE OVER SEAL*** will help stop citizen complaints concerning rocks hitting their cars.

BENEFITS

- Pays for itself by saving rock
- Increases safety by locking lose rock into place
- Cements the top of rock together
- Seal cracks with cross linking copolymer rubber asphalt
- Provides ultraviolet protection to the road surface
- Provides a black, quick-drying surface
- Easy application with distributor truck
- Sprays on like a fog seal
- Dries fast
- Increased road life
- Low cost application rate
- Stops the build up of rocks on the side of the road

APPLICATION

1. Allows final chip seal emulsion and rock to set rapidly.
2. With a distributor truck, spray ***CAPE OVER SEAL*** at a rate of .12 - .18 gallons per sq. yd. in order to coat and inter-lock rock surface together.
3. Traffic can be turned back on to the road in 30 min. to 1 hr.
4. Clean pump of distributor with water.

YOU SIMPLY WON'T FIND A TOUGHER, MORE DURABLE ASPHALT SEALER THAN *CAPE OVER SEAL*

***EXPLANATION:** IARC MONOGRAPHS - JAN. 1985 - THE STUDY INDICATES THERE IS SUFFICIENT EVIDENCE FOR CARCINOGENICITY IN ANIMALS FROM EXPOSURE TO EXTRACTS OF STEAM-REFINED BITUMENS, AIR-REFINED BITUMENS AND MIXTURES OF STEAM-REFINED AND AIR-DEFINED BITUMENS. DUE TO INADEQUATE EVIDENCE IN HUMANS, BUT SUFFICIENT EVIDENCE IN ANIMALS, BITUMEN IS CONSIDERED BY OSHA AS IF IT PRESENTS A CARCINOGENIC RISK TO HUMANS. THERE IS INADEQUATE EVIDENCE THAT BITUMENS ALONE ARE CARCINOGENIC TO HUMANS.

MCS600-C

PRIME SEAL / DUST CONTROL

INTRODUCTION

MCS600-C is a cationic modified petroleum resin and asphalt emulsion to be used as a prime or a dust control agent. In ***MCS600-C***'s concentrated form, it is mixed with water at a rate of one part ***MCS600-C*** to (four to twelve) parts water, then sprayed on soil or road base materials.

BENEFITS

- Cuts maintenance on unimproved dirt or gravel roads
- Adds density to stabilize the road
- Helps reduce wet weather damage
- Crowns in the road remain intact
- Fewer potholes
- Reduces loss of fines on the road
- Reduces wash board effect
- Cost effective
- Easy to use
- Stops citizens complaints on dust
- Storage stable
- Environmentally friendly

APPLICATION

1. Rate of application .15 to .25 diluted gallons per square yard.
2. Prime: Dilute 1 part ***MCS600-C*** to 6 parts water.
3. Dust Control: Dilute 1 part ***MCS600-C*** to 6-12 parts water.
4. Spray at ambient temperature.
5. Apply with water truck or distributor.
6. Use a blade to reshape the road for longer life stability.
7. Crown the road for good water drainage.
8. Compact treated road for maximum stabilization.

ENVIRONMENTALLY SAFE FOR PRIME AND DUST CONTROL

ABS-65

ASPHALT BASE STABILIZER
POLYMERIC ASPHALT SOIL CEMENTING PRODUCT

INTRODUCTION

ABS-65 is a polymer modified asphalt emulsion used as a soil stabilizer. It is mixed at a rate of one part ***ABS-65*** to one or more parts water (depending on the per cent of moisture in the road base) then incorporated with native soil on base type materials for soil stabilization process. ***ABS-65*** is used instead of hauling in base material or using lime or soil cement.

BENEFITS

- Reduces road-building costs 50% or more
- Makes the road last longer
- Reduces potholes in the road
- Reduces crack-in the road
- Increases road life while lowering overall maintenance costs
- Easy to apply
- Reduces construction time 40 to 60 percent
- Leaves the road open to traffic
- Encapsulates the road base from water or oil penetration
- Cost effective way to stabilize the road base
- Environmentally Friendly-Meets E.P.A., T.N.R.C.C. Regulations
  Council of Governments Spec. ITEM 4.8.
  TXDOT ITEM 314

APPLICATION

1. Blade or mill the road base to a depth of 6 inches (8 inches where heavy load-bearing strength is needed).
2. Apply diluted ***ABS-65*** to the road base; incorporate it with the mixer machine and blade.
3. Re-apply diluted ***ABS-65*** and mix with the mixer machine and blade a second time.
4. Start laying down the road base in 2-inch lifts and compact with a sheepfoot, rubber tire and flat wheel vibrating compactor.
5. Do final blading to shape the road and finish rolling with a steel roller.
6. A mixture of 1 part ***ABS-65*** to 2.5 parts water can be sprayed on top of the road for a fog seal prime.
7. Let the base cure for 48 hours before placing a final riding surface of seal-coat, asphalt or concrete.

ARE-68

ASPHALT RECYCLING EMULSION

INTRODUCTION

ARE-68 is a specialized emulsion recycling agent designed to restore old asphalt to like new or superior properties. Your street department will be able to save money by recycling and rebuilding the old asphalt.

BENEFITS

- Cuts road building time
- Saves money with recycling
- Saves hauling in raw material
- Cuts labor cost
- Builds stronger road base and parking lots
- Builds flexible road base
- Rejuvenates, stabilized, cements, & waterproofs
- Environmentally friendly
- Restores base integrity
- Increases load bearing strength
- Makes roads last longer
- Use old asphalt in place of recycling

APPLICATION

1. Blade or mill the asphalt surface to a depth of 6 inches (8 inches where heavy load-bearing strength is needed).
2. Apply diluted ***ARE-68*** to the asphalt surface; incorporate it with the mixer machine and blade.
3. Re-apply diluted ***ARE-68*** and mix with the mixer machine and blade a second time.
4. Start laying down the road base in 2-inch lifts and compacts with a sheepfoot, rubber tire and flat wheel vibrating compactor.
5. Do final blading to shape the road and finish rolling with a steel roller.
6. A mixture of 1 part ***ARE-68*** to 2-5 parts water can be sprayed on top of the road for a fog seal prime.
7. Let the base cure for 48 hours before placing a final riding surface of seal-coat, asphalt or concrete.

ARE-68
SPECIFICATION FOR
ASPHALT RECYLING AGENT

The Emulsion is designed to be a recycling agent to be mixed at ambient temperature with existing in-place asphalt, native or selective material and or Recycled Asphalt Pavement (R.A.P.) material. This product will be a water miscible emulsion.

Asphaltene, Resins, Cyclics, Saturates content must be specifically formulated based on laboratory data of existing material in relation to rejuvenation demand and any added R.A.P. material.

Laboratory tests will be taken of streets to be recycled. Application rates of the recycling agent must be determined by lab test and data before starting every recycle job. Lab test data will become property of the Road Department. Supplier shall provide field supervision during application of the product as requested by the Road Department. Supplier must furnish tanker. All costs for testing and supervision will be paid by supplier. Supplier shall furnish a sample of lab test data at the time of bidding for the recycling agent as related to sample street. At time of bidding Supplier shall furnish a list with names and phone numbers of three agencies whose approval of this product has been obtained and who can verify satisfactory results. Literature describing the product must be included at time of bidding.

SEAL COATING ANNUAL CONTRACT

BID NUMBER: 01WCA0017 BID OPENING DATE & TIME: AUGUST 9, 2000 – 3:00 PM

CONTRACT PERIOD: OCTOBER 1, 2000 THRU SEPTEMBER 30, 2001

The bid will be for a single course seal coat on various County roads. Williamson County will prepare the roads for seal coating by blading the shoulders and patching where necessary. The contractor will be responsible for seeing that the roads are swept clean and free of debris prior to applying seal coat.

The bid will be for an estimated twenty (20) to thirty (30) miles.

All quantities shown are estimated quantities. The actual quantity may be more or less. The county is not obligated to any minimum amount and the county may require any reasonable amount greater than the estimate for the same unit price.

MATERIALS:

Asphalt — The contractor shall use an AC-5 or AC-10, or A/T Asphalt approved by the County. The rate of application shall be .40 to .45 Gallons per Square Yard as directed by the County.

Aggregate — *The aggregate shall be Grade 4 and TxDOT 1992 Spec. of a source and type* approved by the County. The rate of application shall be 1:120.

GENERAL:

The Contractor shall furnish all materials, equipment required, proper signage and traffic control to complete the project in a timely and efficient manner.

Material application procedures, temperature requirements and weather conditions for application shall conform to TxDOT Standard Specifications for Construction of Highways, Streets, and Bridges (Blue Book).

Bid to be submitted based on price per Square Yard.

Payment will be made on completion of all or portions of the project accepted by the County based on ongoing inspections.

Distributor Tank: The tank shall have been calibrated within three (3) years from the date it is first used on this project. The tank calibration procedure shall be in accordance with Test Method (TxDOT) Tex-922-K, Part I, and shall be signed and sealed by a registered professional engineer. Unless otherwise shown on the plans, the Contractor shall provide the tank calibration and shall furnish the County Engineer an accurate and satisfactory calibration record prior to beginning the work. The County Engineer may at any time verify calibration accuracy in accordance with TxDot Test Method Tex-922-K, Part II, and may perform the required recalibration *if the calibration is found to be in error.*

When a uniform application of asphaltic material is not being achieved, the County Engineer may

Gentlemen:

Taylor Made Ambulances appreciates this opportunity to bid on your emergency vehicle requirements and is pleased to submit the following proposal for your review and consideration.

A 2000 Taylor Made Remount/refurbishment of your existing ambulance per your requirements with our listed clarifications and using a new 2000 Ford F-350 chassis for $58,960.00 per vehicle. We estimate a 60 to 90 working day delivery from receipt of unit to be remounted. Payment terms are 1% discount for payment upon delivery.

Taylor Made Ambulances is a full line emergency vehicle manufacturer and remount facility. We are custom builders who will work closely with the purchaser to ensure that their new ambulance will meet their specific needs and requirements. We are also members of the Ford Qualified Vehicle Modifier (QVM) program, the National Truck Equipment Association (NTEA) and our ambulances are fully certified to meet all Federal KKK-A-1822 requirements.

Other EMS services in Texas currently operating Taylor Made Ambulances include: City of Austin; City of Killeen; City of El Paso; City of Belton and Travis County EMS, Austin.

Again, thank you for this opportunity to bid on your emergency vehicle requirements. Should you have any questions or need additional information, please do not hesitate to contact us at (800) 468-1310.

Respectfully yours,

Joseph M. Taylor
Vice President

Prompt Payment Discount: ___ %___ days. (If no discount is offered, Net 30 will apply.)
[ ] "all or none" basis. (Will accept award of "all" items only. If left blank, low item will apply.)
[✓] low item basis. (Will accept award on "any or all" items.)
List Additional Limitations if applicable: Minimum order of $75.00. Any orders under $75.00 will incur a $5.00 handling fee

DO NOT SIGN OR SUBMIT THIS FORM WITHOUT READING ENTIRE DOCUMENT

THIS FORM MUST BE COMPLETED, SIGNED AND RETURNED WITH BID

Special Note

For the purposes of pricing this quotation, I have entered my prices in the "unit" column based on price per each piece. I could not find in your specifications if "unit" meant each piece or if it was to correspond to the unit listed in the "how supplied" column. I tried contacting Jeff Hayes with this question on 8/8/00 but was told he would be out of the office for the rest of the week. In order to complete the bid in time, I decided to use this method of pricing and I hope it satisfies your needs.

Thank you,
Michelle Collins

FIRST AMENDMENT TO INTERLOCAL AGREEMENT FOR SECURITY PATROLS

This First Amendment to Interlocal Agreement for Security Patrols ("Agreement") is made and entered into as of the 13th day of June, 2000, by and between Williamson County, Texas (the "County") and Springwoods Municipal Utility District (the "District"), a political subdivision of the State of Texas situated within the County operating pursuant to Chapters 49 and 54 of the Texas Water Code, for the purposes and consideration hereinafter set forth.

RECITALS:

WHEREAS, the District and the County entered into that certain Interlocal Agreement for Security Patrols dated effective October 1, 1999, to provide additional security patrols for the District (the "Agreement"); and

WHEREAS, the District and the County desire to amend the terms and conditions under which the County shall provide additional security patrols by the Williamson County Sheriff's Department (the "Department") under the Agreement.

AGREEMENTS:

NOW, THEREFORE, for and in consideration of the premises, the above recitals and the mutual agreements of the parties hereinafter set fort, the District and the County agree as follows:

1. **Definitions.** Each capitalized term used herein will have the meaning assigned to such term in the Agreement, unless the context hereof otherwise requires or provides.

2. **Patrol Services.** Section 1 of the Agreement is hereby amended to provide that the patrol services by the Department shall be conducted between the hours of 6 p.m. and 9 p.m.

3. **Compensation.** Section 2 of the Agreement is hereby amended to provide that, for the services described above and in the Agreement, the District agrees to pay, from current revenues, a fixed hourly amount of Twenty-Five and No/100 Dollars ($25.00) per hour of patrol service.

4. **Miscellaneous.**

a. **Entire Agreement.** This First Amendment, together with the Agreement, sets forth the entire understanding of the parties and supersedes all prior agreements or understandings, whether written or oral, with respect to the subject matter hereof. No amendments, or modifications hereto will be valid unless made in writing and signed by all parties hereto.

b. **Binding Effect.** This First Amendment will extend to and be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

c. **Affirmation of Agreement.** The District and the County agree that, except as modified hereby, the Agreement remains valid, binding, and in full force and effect.

d. **Counterpart Execution.** This First Amendment may be executed in any number of counterparts with the same effect as if all parties hereto had signed the same document. All such counterparts will be construed together and will constitute one (1) instrument. In making proof hereof, it will only be necessary to produce one (1) such counterpart.

e. **Invalid Provisions.** Any clause, sentence, paragraph or article of this Amendment that is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect will not impair, invalidate, or nullify the remainder of this Amendment.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment to be effective the 13 of ~~May~~ July, 2000.

Re: Scope of Services / Extension of Georgetown Inner Loop

Dear Commissioner Hays:

This is a contract to provide ecological services for the proposed extension of Georgetown Inner Loop from SH 29 to FM 971 in Williamson County, Texas. The services include a habitat evaluation to assess the potential for all federally-listed endangered species endemic to Williamson County. **ACi** will also conduct a site reconnaissance to assess if (and to what extent) "waters" of the U.S., as per Section 404 of the Clean Water Act, exist on the Georgetown Inner Loop tract from SH 29 to FM 971.

If you have any questions regarding this contract, please contact me at your convenience. If the terms and conditions are acceptable, please sign both originals, return one to **ACi**, and keep one for your records.

Sincerely,

Steve Paulson by Ken Ramsey

STATE OF TEXAS

COUNTY OF WILLIAMSON

AN ORDER ADOPTING THE 2001 COUNTY BUDGET

WHEREAS, the Williamson County Commissioners Court is authorized and required to adopt an annual budget for all Williamson County officials and their departments after due consideration;

WHEREAS, the Williamson County Commissioners Court did invite and encourage public participation from County officers, precinct officers, department heads, and the general public, as to the various needs of the citizens of Williamson County for the fiscal year 2001;

WHEREAS, the Williamson County Commissioners Court, after a full discussion of the needs, did make changes in the proposed budget filed by the County Judge in accordance with law; NOW

THEREFORE, BE IT ORDERED BY THE WILLIAMSON COUNTY COMMISSIONERS COURT that the proposed budget filed by the County Judge and amended by the Commissioners Court be adopted with the following provisions:

1. **Definitions.**

a. "Authorized paid leave" includes holidays, sick leave, vacation, compensatory time taken, personal leave, military leave, jury duty, and all similar forms of compensation allowed by the annual budget order.

b. "Employees not subject to the plan" includes all employees who are not subject to the guaranteed salary with fluctuating hours plan ("the plan").

c. "Employees subject to the plan" includes all employees who are subject to the plan, as defined above. These employees include only those working in the Sheriff's Department (including the jail), the Emergency Medical Service, and either Juvenile Detention or the Academy.

d. "Exempt employees" include all county and precinct officials, department heads, and employees who are not subject to the overtime regulations of the Federal Fair Labor Standards Act, or whose working hours are not restricted by that Act. Exempt employees will be identified as such by the Williamson County Human Resources Department after consultation with the elected official or other department head.

e. "Nonexempt employees" include all county and precinct employees who have not been identified as exempt employees by the Williamson County Human Resources Department.

f. "Officials" includes District, County and Precinct officials and any other officials for which the Commissioners Court has the authority to adopt a budget, and any official, employee,

or agency that receives County funds. The provisions of this Order relating to authorized paid leave do not apply to elected officials, the County Auditor, or the Chief Juvenile Probation Officer.

g. "Part-time employees" includes all employees, other than temporary or seasonal employees, who are scheduled to work less than 40 hours per week. The elected official or other department head must identify all such employees to the Payroll Department to assure that their compensation and benefits will be properly calculated and paid.

h. "Temporary and seasonal employees" include all employees hired for a period not to exceed 90 days. Such employees do not accrue longevity, sick leave, or vacation (but shall receive any paid holidays that occur during a week in which the employee works at least 24 hours).

Salary

2. Salaries for County and Precinct Officials are set as follows:

a. Judge of the County Court	$82,950.00	per year
b. Each County Court at Law Judge	$94,500.00	per year
c. County Attorney	$94,500.00	per year
d. County Sheriff	$78,750.00	per year
e. County Clerk	$60,847.50	per year
f. County Tax Assessor/Collector	$65,100.00	per year
g. District Clerk	$60,847.50	per year
h. County Treasurer	$60,847.50	per year
i. Each County Commissioner	$60,874.50	per year
j. Each Justice of the Peace	$49,244.65	per year
k. Each Constable	$46,084.50	per year

3. The number of employee positions established and authorized for each official and/or department, and the maximum allowable salary for each position is reflected in the minutes of the Commissioners Court meetings. No County or Precinct Official or Department Head is required to pay the maximum salary allowed; the actual salary to be paid to each employee is to be certified by the County Judge's office before the last day of the pay period. The County Judge's office will forward all approved payroll information sheets to the Payroll Department.Overtime compensation shall be determined in accordance with the Overtime Policy below.

4. **a.** All employees of officials or employees in any other department, including any department head appointed by the Commissioners Court, shall be paid longevity pay above their regular salary set by the employing official or department head. Longevity pay is related solely to length of total service with the county.

b. Longevity pay shall begin with the pay period following the completion of five years employment and shall increase with the pay period following each additional five years of employment, to a maximum of twenty five (25) years. However, temporary and seasonal employment shall not contribute to longevity, and part-time employment after October 1, 1998,

shall be credited only on a pro-rated basis. However, part-time employees who are regularly scheduled for less than 20 hours per week shall not earn any longevity credit.

c. Longevity pay shall be paid twenty-six (26) times per year, as follows:

$12.00 per pay period after completing five years of employment;

$24.00 per pay period after completing ten years of employment;

$36.00 per pay period after completing fifteen years of employment;

$48.00 per pay period after completing twenty years of employment;

($60.00 per pay period after completing twenty-five years of employment.

$60.00 per pay period shall be the maximum allowable longevity.

Overtime Policy

5. General Provisions on Overtime.

a. Statement of Intent.

i. The following rules regarding overtime represent an effort to go over and beyond the minimum requirements imposed by Federal law in the interest of fairness. The examples are designed as general illustrations of the principles involved, as well as of the sort of situations that the policy is intended to address.

ii. The Texas Constitution absolutely forbids counties from making a gift. Therefore, Williamson County cannot pay an employee any compensation that is not authorized in its budget. The allowances for authorized paid leave in the budget order are the exclusive forms of paid leave provided by the county to its employees. The county cannot legally pay someone for unworked hours that do not fall under one of these categories, or that exceed the maximum amount allowed. The department head may grant employees unpaid leave if they have exhausted their paid leave, but may not agree to make any payments not authorized by Commissioners Court. Except as otherwise provided in this Budget Order, the Payroll Department and Auditor shall reject any departmental request to pay a full-time employee who has not actually worked 40 hours during a 7-day work period and is not entitled to authorized paid leave.

b. Work Period.

i. Except as provided below, the "work period" for purposes of calculations under the Fair Labor Standards Act shall be a 7-day week. Generally, nonexempt employees may only work 40.00 hours during a week without incurring an overtime obligation for the county.

ii. Employees who are trained peace or corrections officers primarily involved in law enforcement or corrections activities shall have a 14-day "work period" for purposes of calculations under the Fair Labor Standards Act. Nonexempt employees in these categories may work 85.00 hours during a work period without incurring an overtime obligation.

iii. Only hours actually worked count toward the overtime limit for nonexempt employees. Holidays, vacation, and other forms of paid leave do not contribute to the total number of hours worked in a work period.

iv. Although employees who are exempt or not subject to the Fair Labor Standards Act never have any federally-guaranteed right to overtime compensation, a department head may allow such employees flexible hours, even if this occasionally results in full pay for a week in which the employee works less than 40 hours, so long as the average work week of the employee exceeds 40 hours (including authorized paid leave).

Example 1: a felony prosecutor puts in 60 hours during a jury trial week, and the DA lets her take 2 days off a few weeks later; she gets no extra compensation for the long week, but (at the discretion of the DA) the short week is not charged against her accrued paid leave.

c. Controls on Overtime

i. Nonexempt employees may only work on a county holiday or outside normal working hours at the express direction of their supervisor or with the express permission of their department head or designee. Additional hours worked without such authorization will not be compensated, except to the limited extent required by Federal law, and may result in discipline or termination. **It is the responsibility of the department head to enforce this policy and to prevent the filing of claims for unauthorized compensation.**

Example 2: An employee is sick on Monday, then gets permission to work 8 extra hours later in the week; under the policies described below, the employee will not be charged with any expenditure of sick leave.

Example 3: Another employee is sick the same day, then works 8 extra hours **without** permission; the employee is charged with 8 hours sick leave and accrues no compensatory time.

ii. Department heads are responsible for controlling overtime so as to avoid creating an excess liability for the county. The Commissioners Court is not required to amend the budget or approve line-item transfers to allow for the payment of unnecessary overtime compensation, or for hiring any additional employees required to keep an office open while the regular employees are taking their compensatory time. Employees are encouraged to take any accrued compensatory time as soon as they possibly can, rather than allowing it to accumulate.

Example 4: five employees, each with 80 hours of accrued compensatory time, quit a department at once; the department head may have to do without any replacements for 10 employee-weeks or risk running out of salary money before the end of the year.

iii. Compensatory time accumulates on an on-going basis until a maximum of 240 Hours is accumulated. Compensatory time worked in excess of the 240 hour Maximum will be paid each pay period.

d. Adjustments to Working Hours.

i. Sick leave, holiday time, personal leave, vacation, and other authorized paid leave shall be charged against an employee only to the extent that the employee actually works less than 40 hours during a 7-day work period (or 85 hours in a 14-day work period, if applicable).

This policy shall be administered so as to preserve accrued sick leave as the highest priority, with the other categories following in the order set out above.

Example 5: an employee takes personal leave all day Monday, but works 6 extra hours (with permission) before Thursday; the employee is only charged for 2 hours leave, not 8.

Example 6: an employee takes a Friday vacation day, is called out on an icestorm emergency for ten hours on Sunday, and has the flu on Tuesday; the employee is charged with no sick leave and only 6 hours of vacation leave.

ii. Whenever possible, an employee who works on a holiday with permission is to be given another day off within the same 14-day pay period. County holiday hours that the department head determines cannot be taken off during the current pay period shall be compensated as provided below.

6. Provisions only applicable to employees not subject to the plan.

a. Except as required by Federal law or allowed by this policy, employees not subject to the plan shall receive only compensatory time in lieu of overtime payments.

b. In the event that a nonexempt employee not subject to the plan is required or requested to work outside his or her normal working hours or on a county holiday, the employee shall be entitled to compensatory time at the rate of time-and-a-half, but only to the extent that hours actually worked exceed 40 or 85 (as the case may be) during the work period. The employee shall be entitled to compensatory time at a flat rate to the extent that the sum of hours worked (or 40 [85, when applicable], whichever is less), plus authorized paid leave taken after the adjustments described above, exceeds 40 (or 85) hours during the work period.

Example 7: a deputy clerk takes holiday leave on Monday, then works from 5 until 10 PM at a jury trial on Wednesday; she has worked less than 40 hours, so she has earned no time-and-a-half, but the sum of 37 hours worked plus 8 hours paid leave is 45, so she gets 5 hours of flat-rate compensatory time. [If the Monday leave had been emergency leave instead, no compensatory time would be earned, but the employee would only expend 3 hours of her accrued emergency leave.]

Example 8: a road and bridge employee takes a Friday holiday, but then is called out for 10 hours on Sunday to cope with a flood; the employee has worked 42 hours, so he is entitled to just 3 hours of time-and-a-half compensatory time, but the sum of 40 plus the paid leave is 48, so he gets 8 hours of additional flat-rate compensatory time, for a total of 11 hours.

c. The Commissioners Court, at its sole option, may "purchase" employees' accrued compensatory time by paying them the overtime pay mandated by the Fair Labor Standards Act. This may be necessary from time to time in order to properly manage the county's liability for outstanding overtime compensation.

d. County holiday hours worked by an employee not subject to the plan that the department head determines cannot be taken off during that pay period shall be converted hour-for-hour to flat-rate compensatory time, which shall be reported to the Payroll Department by the employee and department head not later than the following pay period or the employee will lose the holiday entirely.

7. Provisions only applicable to employees subject to the plan.

a. Nonexempt employees who are subject to the plan are not eligible to earn compensatory time or "bonus time" in place of overtime pay. They must be paid additional cash compensation for their overtime as each pay period occurs. Because their salary is not subject to reduction if they work fewer hours, however, these employees are not paid time-and-a-half for their overtime hours.

b. They shall be compensated with additional pay for all overtime hours at an hourly rate equal to their guaranteed salary for the work period divided by the number of hours that they actually worked during the period. However, since EMS employees are routinely scheduled to work overtime, they shall be compensated for overtime at the same hourly rate as for their first 40 hours per week (*i.e.*, their guaranteed weekly salary divided by 40).

c. The salary provided for a nonexempt employee subject to the plan is not subject to reduction because the employee worked fewer than 40 or 85 hours (as the case might be) during the work period. Salary may not be "docked" for absences, although an employee who willfully misses work is subject to disciplinary action. This might include unpaid disciplinary suspension or termination.

d. However, payment of a salary is **not** guaranteed if the employee does not work at all during the work period. An employee under the plan who performs no work during a given period will not be paid, except to the extent of any accrued leave that the employee has previously earned. Unpaid leave, under the Family and Medical Leave Act (FMLA) or otherwise, is regulated by the same rules that apply to employees who are not subject to the plan.

e. Employees subject to the plan accrue vacation, sick leave, and personal leave, and are entitled to leave under the FMLA, on the same basis as any other employee. Similarly, when the employee is absent from work, the absence is charged against accrued leave on the same basis as any other employee. The only difference is that the salary of an employee subject to the plan may not be reduced for absences—even if the employee has no accrued leave—in any work period during which the employee performed any work. Like any other employee, an employee subject to the plan may be disciplined or terminated for excessive tardiness or absences.

f. County holiday hours earned by an employee subject to the plan that the department head determines cannot be taken off during that pay period shall be converted hour-for-hour into additional vacation time. A report from the employee and department head reflecting the vacation credit shall be submitted to the Payroll Department not later than the following pay period or the employee will lose the holiday entirely. This is the exclusive form of compensation for holidays; no separate accounting of "holiday time" is to be kept or honored.

Paydays

8. a. All officials, their employees, department heads and their employees shall be paid every other Friday for the two-week pay period ending on the Thursday 8 days prior to the payday. If that Friday falls on a holiday, payday shall be the last working day prior to the holiday.

b. At the end of each pay period, all employees (including nonelected department heads) must report to their supervisor any authorized paid leave they have taken during the pay period.

In addition, all nonexempt employees are to report their actual working hours. These reports shall be in a form acceptable to both the Payroll Department and Auditor. The reports are to be reviewed by the department head and, if approved, forwarded to the Payroll Department (not later than 7 days prior to the following payday) for use in preparation of the payroll.

c. In the event that one of these payroll reports is omitted or incorrect, a corrected report should be submitted not later than the end of the following pay period. Except in exceptional cases, it will not be possible to correct the payroll records at a later date. The burden is equally on the department head and the individual employee to avoid falsification of the government records reflecting hours worked and leave taken.

Expenses

9. The expense allowance for all officials and all employees is as follows:

a. Any County official or employee who is required to use a personal vehicle while on official County business may be entitled to receive mileage at the Internal Revenue Service allowable deduction for mileage, upon submitting the required documentation to the County Auditor.

b. The officials and employees who are listed in the section entitled "County Vehicles," below, are to be provided with a County vehicle in lieu of mileage.

c. All officials, their employees, and the employees or reserve deputies of other departments may be entitled to full reimbursement for lodging expenses when traveling out of the County, beyond a 50-mile radius of Williamson County on official County business, if said travel is approved by the employing official or department head and the required documentation is submitted to the County Auditor.

d. All officials, their employees, or the employees or reserve deputies of other departments may be entitled to per diem reimbursement for any meals eaten when traveling out of the County on official County business, if said travel is approved by the employing official or department head, and the required documentation is submitted to the County Auditor. No reimbursement shall be made for alcoholic beverages. The per diem shall be $28.00 per day for overnight travel, and an amount approved by the department head of up to $14.00 for meals on an out-of-county day trip. No receipts are required for per diem requests.

e. Reimbursement from the Training budget line item covers all expenses related to training. This includes travel to destination, meals, lodging and training aids. (workshops, seminars, conferences)

f. Incurred costs of personal calls made on portable telephones, vehicle-mounted telephones, or long-distance telephone accounts owned by the County shall be reimbursed to the County upon receipt of the telephone bill. Unpaid bills may result in withholding all or part of a paycheck. All county-owned communications equipment, services, and accounts must be acquired through the normal county purchasing process, with approval by the department head, the County Judge, and the purchasing department or Auditor as in other purchases.

g. For any official, their employee, or the employees or reserve deputies of other departments to receive expense allowances under a., c., d. or e above, the funds to be used to pay the reimbursement must have been appropriated by the Commissioners Court prior to the expenses being incurred.

h. Transfer of funds out of the following line items will not be allowed:
1) Salaries; 2) Fringe Benefits; 3) Training; 4) Vehicle Deductible; (5) Telephone
Transfer of funds into the above line items may be allowed, except that funds will not be transferred into a salary line item to cover an avoidable overtime obligation that was—in the judgment of the Commissioners Court—unnecessary.

i. Any bill or invoice must be submitted to the County Auditor for payment within fourteen (14) days of receiving it, and all expense reimbursements must be submitted to the County Auditor for payment within sixty (60) days of the expenditure.

County Vehicles

10. The use of County equipment or vehicles for personal use is prohibited by law, but because of the need for specific officials and specific employees to respond to emergencies at night or on weekends, the following officials and employees (with the concurrence of their department head) are authorized to take a County vehicle to their home at night within Williamson County, even though this involves the use of a County vehicle for travel to and from their home each day:

a. Each County Commissioner;

b. The County Sheriff and paid Deputy Sheriffs;

c. Each Constable and paid Deputy Constable(s);

d. Sheriff's and prosecutors' investigators;

e. Sheriff's and Constable's Reserve Deputies under conditions agreed between the elected official and the Commissioners Court;

f. The Unified Road Superintendent;

g. Any road and bridge employees designated by the Unified Road Superintendent and approved by the Commissioners Court;

h. The County Maintenance Director;

i. One maintenance employee designated by the Maintenance Director and approved by the Commissioners Court;

j. The EMS Director;

k. County Extension Service

Holidays

11. a. The established holiday schedule for paid holidays for the 2000/2001 budget year is as follows:

Veterans Day	Friday, November 10, 2000
Thanksgiving	Thursday, November 23, 2000 Friday, November 24, 2000
Christmas Holidays	Monday, December 25, 2000 Tuesday, December 26, 2000
New Years Day	Monday, January 1, 2001
Martin Luther King Day	Monday, January 15, 2001
Presidents' Day	Monday. February 19, 2001
Good Friday	Friday, April 13, 2001
Memorial Day	Monday, May 28, 2001
Independence Day	Wednesday, July 4, 2001
Labor Day	Monday, September 3, 2001

b. In departments with regular assigned shifts that take no account of a holiday, so that some employees are normally scheduled for that day and others are not, all employees shall equally be given one shift of paid leave. [*Example*: If some deputies are scheduled for Monday, Wednesday, and Friday during the week of Memorial Day, while others are scheduled for Tuesday, Thursday, and Saturday, all of them receive the same amount of paid leave, even though only half of them worked on the holiday Monday itself.] This leave should normally be scheduled and taken within the pay period when the regular holiday occurs (and preferably on the holiday itself). If the department is unable to schedule the employee for a shift of holiday leave within that pay period, the time shall be added to another form of authorized paid leave as provided in the Overtime Policy above.

c. Other employees scheduled to work on a paid holiday will be allowed alternative leave as provided in the Overtime Policy above.

Vacation

12. Any elected official's employees, and nonelected department heads and employees, shall accrue vacation hours as follows:

a. Employees with less than five years of employment will accrue three and eight hundredths (3.08) vacation hours per pay period. After completing five years of employment, four (4) hours vacation will be accrued per pay period, and after ten years employment, five (5) hours vacation will be accrued per pay period.

b. Part-time employees who are not temporary or seasonal , may accrue vacation on a pro-rated basis. However, part-time employees who are regularly scheduled for less than 20 hours per week shall not accrue any vacation. *Example*: 40 hours per pay period accrues 1.54 hours vacation, but 39 regularly scheduled hours accrues nothing. No temporary or seasonal employees may accrue any vacation hours.

c. Vacation will be accrued on the payroll system. Employees may carry-over their accrued vacation balances as follows:

Employees with less than five years of employment—80 Hours;
Employees with 5-10 years—120 Hours;
Employees with 10 or more years—160 Hours.

If an employee reaches maximum accrual, no further vacation will be accrued until the employee has taken vacation hours.

d. Employees on shift work may take vacation one shift at a time instead of consecutively, with the approval of their department head.

e. No vacation may be "sold" or "bought." However, to encourage employees to give advance notice of their separation, employees who leave county employment will be paid for their accrued untaken vacation as of the date of termination.

f. If an employee is on paid Administrative Leave pending disciplinary action, vacation or sick hours will not accrue during the period the employee is on "leave". Employee will receive credit for hours during leave period if he/she is restored to "active" employment status. If employee is terminated he/she will receive no vacation hours for time on leave.

Sick leave

13. Any elected official's employees, and nonelected department heads and employees, shall accrue thirteen (13) days of sick leave per fiscal year.

a. Sick leave will accrue at the rate of four (4) hours per pay period. Sick leave hours will be accrued on the payroll system. Paid sick leave is cumulative up to sixty days (480 hours).

b. Part-time employees who are not temporary or seasonal, may accrue sick leave on a pro-rated basis. However, part-time employees who are regularly scheduled for less than 20 hours per week shall not accrue any sick leave. *Example*: 40 hours per pay period accrues 2 hours sick leave, but 39 regularly scheduled hours accrues nothing. No temporary or seasonal employees may accrue any sick leave.

c. No sick leave may be "sold" or "bought." Employees who leave county employment will not be paid for unused accrued sick leave.

d. Sick leave may only be used for sickness of the employee, to care for immediate family (as defined in the Family and Medical Leave Act policy adopted by Commissioners Court), or for paid leave under the Family and Medical Leave Act; it is not an alternate form of vacation or personal leave. Sick leave may not be converted to another form of leave to avoid entering unpaid leave status.

e. The Family and Medical Leave Act policy adopted by Commissioners Court will be the official guideline for serious illness of employee, maternity leave, adoption, foster care placement, or the serious illness of an employee's child, spouse or parent.

Family and Medical Leave

14. a. Under the Family and Medical Leave Act (FMLA) policy all employees will be required to use all accrued sick & vacation to have paid leave under FMLA. When employees have exhausted all forms of paid leave, they shall be placed on unpaid leave as provided in the FMLA policy. However, if employees on leave are receiving workers' compensation, they will receive that as their sole compensation and will neither receive county pay nor expend previously accrued leave.

b. At the end of the twelve (12) weeks for FMLA, or for reasons other than FMLA, employees may be placed on unpaid leave if the department head can discharge the responsibilities of their office without the presence of the employee. However, employees may not be placed on unpaid leave unless they have previously exhausted their accrued paid leave in all categories applicable to their situation.

c. As long as an employee is on FMLA leave or leave without pay, the employing official or department head may not hire another regular, full-time employee to fill that position, unless expressly authorized to do so by the Commissioners Court. Requests for intermittent leave will be strictly scrutinized to assure both compliance with FMLA and minimum disruption to the workplace.

d. While on unpaid FMLA leave, or any other form of unpaid leave, the employee shall not accrue any vacation or sick leave hours or receive pay for scheduled county holidays.

e. Any full-time employee is eligible for FMLA after completing 12 months of employment with the county.

f. Any part-time employee working for the County at least 1250 hours during the last 12 months will be included within the Family and Medical Leave Act policy adopted by the Commissioners Court.

Other Leave

15. a. Any official or department head may grant paid emergency leave up to two (2) days per fiscal year in addition to vacation or paid sick leave. Emergency leave may be granted only for one of the following: Funerals of relatives or close friends, auto accidents, or emergency repairs of home or autos. Emergency Leave is non-cumulative and may not be "sold" or "bought."

b. Any official or department head may also grant one (1) floating holiday per fiscal year to an employee for personal or business reasons. The floating holiday may be used for any reason other than sick or recreational. The floating holiday is non-accumulative and may not be "sold" or "bought."

16. Each official or department head shall grant paid jury duty leave to any employee, as well as any leave for national service required by law.

17. **a.** Extra holidays, bad weather days, public disasters, official funerals, and similar occasions that involve the suspension of all routine county business may only be declared by the County Judge or his designated representative.

b. If the emergency situation is prolonged beyond 7 days, the Commissioners Court or department head may, at their discretion, place employees whose services are not required on unpaid leave (in which case the employee may use any accrued paid leave).

c. So long as an office is open, its employees are expected to be there unless there are special circumstances, distinct from those affecting other employees, that make their travel or attendance unsafe. Whether an individual will be paid under these circumstances, or must use some form of authorized paid leave, is left to the sound discretion of the department head.

Benefits

18. **a.** All eligible County and Precinct officials, employees and retirees will have the opportunity to enroll in one of the health benefit plans under the Self-Funded Williamson County Benefits Programs or the Scott and White HMO plan.

b. A Benefits Committee composed of the County Judge, one County Commissioner, and two department heads will serve as trustees of the Williamson County Benefits Program. This committee will act in compliance with the Texas Local Government Code, Chapter 172, sec. 172.001-172.015, Texas Political Subdivisions Uniform Group Benefits Program.

c. All employee health premium rates will be paid on a pretax basis through payroll deduction. The employee health premium rates will be determined each year by the Williamson County Benefits Committee and approved by the Commissioners' Court. The County will fund the balance of the total health premium that is over and above the portion paid by the employee.

d. County and Precinct officials, employees and retirees may also cover their eligible dependents under the same health benefit plan that they elect. The appropriate additional premium for dependent coverage will also be deducted through payroll on a pretax basis.

e. The eligible retiree will be provided health benefits for a specified premium rate, again, with the County funding the balance of the total health premium. The retiree may also cover their eligible dependents for an additional specified premium rate. A retiree is defined as a former employee who receives Texas County and District Retirement System (TCDRS) pension benefit payments and was covered by the plan at the time of retirement. The County will stop insurance coverage on the retiree when a) the retiree becomes eligible for Medicare or b) the retiree fails to submit the required set premium.. Anyone that retired before April 1, 1994 will have health insurance coverage until age seventy (70).

19. All officials, their employees and employees of other departments that work over eighteen (18) hours per week, per year, are required to participate in the Texas County and District Retirement System. The Payroll Department shall deduct the required amount from the

employee's salary and the County shall make the required County contribution. The Commissioner's Court has appointed the Director of Payroll and Benefits as custodian of the County Retirement System. Temporary workers may be exempted from participation as provided by Retirement System regulations.

20. a. In compliance with the Texas Workers' Compensation Insurance Act, all Williamson County employees are provided Workers' Compensation coverage.

b. The County's coverage is provided through the Texas Association of Counties Workers' Compensation Claims Fund. More information about Workers Compensation rights may be obtained from the Texas Workers Compensation Commission, or by calling (512) 448-7900, or by contacting the Williamson County Employee Benefits Department.

c. The Williamson County Payroll & Benefits Department will report all injuries to the Third Party Administrator for the Texas Association of Counties Workers' Compensation Claims Fund as they are reported. Claims for lost time are forwarded to the Texas Workers' Compensation Commission by the Third Party Administrator.

Additional Provisions

21. In compliance with the Texas Department of Transportation's regulations for drug and alcohol testing, Williamson County employees or potential employees who possess CDL (Commercial) licenses and operate County owned equipment or vehicles are subject to pre-employment, random, and post-accident testing. Potential employees of the Williamson County Sheriff's Department are subject to pre-employment testing. Employees of the Emergency Medical Service are subject to pre-employment, random and post-accident testing. All employees are subject to testing on probable cause to suspect intoxication while on duty.

22. An Employee Assistance Program (EAP) is available to Williamson County Employees and their eligible dependents. The EAP may be used for individual, confidential treatment of work-related problems or personal problems. It may also be utilized, at the supervisor's discretion, as treatment for various work-related personnel problems.

23. Williamson County will comply with all Fair Labor Standards Act Rules and Regulations. Employee records will be maintained for a minimum of four (4) years as mandated by the Act. The County is an Equal Opportunity Employer and will also comply with the Americans With Disabilities Act and the Family and Medical Leave Act. Williamson County has adopted a firm policy on sexual harassment and will not tolerate such behavior.

24. The employment termination date for an employee who is terminating employment with Williamson County will be their last date of active duty in person at his/her usual and customary place of work. Any accrued vacation or comp time balances remaining for the employee as of their last date of active duty will be paid in a lump sum to the employee on their final pay check. A terminated employee's final paycheck is processed in the pay period which includes their termination date.

WHEREUPON MOTION MADE AND SECONDED, the ORDER ADOPTING THE 2001 WILLIAMSON COUNTY BUDGET was passed on a vote of 5 for, 0 against. This ORDER being adopted, the County Judge is authorized to sign the ORDER and the County Clerk is instructed to record the ORDER and the Budget in the official minutes of the Commissioners Court.

STATE OF TEXAS	*	BEFORE THE COMMISSIONERS COURT
	*	OF
COUNTY OF WILLIAMSON	*	WILLIAMSON COUNTY, TEXAS

THAT ON THIS THE 29TH day of August, 2000, the Commissioners Court of Williamson County, Texas met in duly called session at the Courthouse in Georgetown, Texas with the following members present:

John C. Doerfler, County Judge
Mike Heiligenstein, Commissioner Pct. #1
Greg Boatright, Commissioner Pct. #2
David Hays, Commissioner Pct. #3
Frankie Limmer, Commissioner Pct. #4
Nancy E. Rister, County Clerk

and at said meeting, among other business, the Court did consider the following

ORDER ADOPTING A TAX RATE FOR 2001

WHEREAS, V.T.C.A., Tax Code 26.05 provides that the Williamson County Commissioners Court shall adopt the tax rates for the current year; and

WHEREAS, The Williamson County Commissioners Court has complied with all the requirements set forth in the Property Tax Code; NOW

THEREFORE, BE IT ORDERED that the Williamson County Commissioners Court hereby adopts the following tax rates:

A tax rate of $.04728 per $100.00 of taxable value for the purpose of assessing the Farm to Market and Lateral Road taxes;

A tax rate of $.09153 per $100.00 of taxable value for the purpose of debt service;

A tax rate of $.25619 per $100.00 of taxable value for the purpose of maintenance and operations;

For a total Ad Valorem tax rate of $.395 per $100.00 taxable value

BE IT FURTHER ORDERED that the Williamson County Commissioners Court levy taxes in accordance with the foregoing tax rates and the provisions of the law.

AND BE IT FURTHER ORDERED that if for any reason, the action of the

Williamson County Commissioners Court setting tax rates or levying taxes should be held ineffective by a court of competent jurisdiction, that this Order shall serve as evidence of the good faith of Williamson County in attempting to comply with the law in 1995 Order adopting a tax rate.

as substantial a fashion as could be done under the circumstances, and as evidence that the County would have lawfully adopted a tax rate but for conditions completely beyond control of the County.

THE FOREGOING ORDER was duly moved by Judge Doerfler and seconded by Commissioner Limmer, and was then adopted by a vote of 4 voting for and 1* voting against. County Judge John Doerfler was authorized to sign said Order as an ACT and DEED of the Williamson County Commissioners Court, this 29th day of August, 2000.

* Commissioner Hays voted against the motion.

ORDER CALLING A BOND ELECTION; MAKING PROVISION FOR THE CONDUCT OF THE ELECTION; AND ORDERING OTHER MATTERS INCIDENT AND RELATED TO SUCH ELECTION

THE STATE OF TEXAS §
§
COUNTY OF WILLIAMSON §

WHEREAS, pursuant to the provisions of Chapter 1251, Texas Government Code, as amended, the Texas Election Code and other related statutes the Commissioners Court of Williamson County, Texas (the "County") is authorized to call an election in order to submit to the voters of the County various propositions regarding the issuance of general obligation bonds; and

WHEREAS, the Commissioners Court deems it advisable to call a bond election for the propositions hereinafter stated; and

WHEREAS, it is hereby officially found and determined that the meeting at which this Order is being adopted was open to the public, and public notice of the time, place and purpose of the meeting was given, all as required by Chapter 551, Government Code, as amended.

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF WILLIAMSON COUNTY, TEXAS THAT:

Section 1. **ELECTION DATE, POLLING PLACES AND ELECTION JUDGES.** An election shall be held in the County as prescribed by applicable law between the hours of 7:00 A.M. and 7:00 P.M. on November 7, 2000. The County election precincts and polling places designated for holding the election are identified in Exhibit "A" to this Order and this exhibit is incorporated by reference for all purposes. The Commissioners Court shall appoint the Presiding Judges and Alternate Presiding Judges for each polling place at such time and in accordance with the Texas Election Code, as amended.

Section 2. **ELECTION CLERKS.** The Presiding Judge shall appoint not less than two nor more than five resident qualified electors of the County to act as clerks to properly conduct the election. However, if the Presiding Judge appointed actually serves, the Alternate Presiding Judge shall serve as one of the clerks. The appointment of such clerks must include a person fluent in the Spanish language to serve as a clerk to render oral aid in the Spanish language to any voter desiring such aid at the polls on the day of the election. In the absence of the Presiding Judge named above, the Alternate Presiding Judge shall perform the duties of the Presiding Judge.

Section 3. **EARLY VOTING.** Early voting shall be conducted at the main early voting polling place, located at the Williamson County Courthouse, 710 Main Street, First Floor, South Entrance, Georgetown, Texas 78626. Early voting shall be conducted at the main early voting polling place and early voting shall also be conducted at the branch and temporary early voting polling places identified in Exhibit "B" to this Order, and this exhibit is incorporated by reference for all purposes. These offices or places shall remain open on the dates and at the times disclosed in Exhibit "B"

hereto. John Willingham is hereby appointed as the Early Voting Clerk. Early voting shall commence on the 17th day before the election and continue through the 4th day preceding the date of the election all as provided by the provisions of the Texas Election Code. The Early Voting Clerk's mailing address to which ballot applications and ballots to be voted by mail may be sent is P. O. Box 209, Georgetown, Texas 78627.

Additionally, mobile locations for early voting by personal appearance shall be established and maintained in accordance with the Texas Election Code. The locations, dates, clerks, and hours of operation for early voting at these temporary and branch offices are identified in Exhibit "B" hereto and this exhibit is incorporated by reference for all purposes.

Section 4. EARLY VOTING BALLOT BOARD. An early voting ballot board is hereby created to process early voting results, and Susie Stublar is hereby appointed the Presiding Judge of the board and Norma Harris is the Alternate Presiding Judge. The Presiding Judge shall appoint not less than two nor more than eighteen (18) resident qualified electors of the County to serve as members of the Early Voting Ballot Board.

Section 5. VOTERS. All resident, qualified electors of the County shall be entitled to vote at the election.

Section 6. NOTICE. A substantial copy of this Order shall serve as a proper notice of the election. This notice, including a Spanish translation thereof, shall be posted at three (3) public places within the County and the County Courthouse not less than twenty-one (21) days prior to the date the election is to be held, and be published on the same day in each of two (2) successive weeks in a newspaper of general circulation in the County, the first of these publications to appear in such newspaper not more than thirty (30) days, and not less than fourteen (14) full days prior to the day of the election.

Section 7. VOTING DEVICES. Electronic optical scan voting devices may be used in conducting the election. The County may also utilize a central counting station as provided by Section 127.000 *et seq.*, as amended, Texas Election Code.

Section 8. PROPOSITIONS. At the election, the following PROPOSITIONS shall be submitted in accordance with law:

PROPOSITION NO. 1

"Shall the Commissioners Court of Williamson County, Texas be authorized to issue and sell general obligation bonds of the County in the principal amount of not to exceed $350,000,000 (which amount of bonds does not exceed one-fourth (1/4) of the assessed valuation of the real property in the County) for the purpose of the construction, acquisition by purchase, maintenance, and operation of macadamized, graveled, or paved roads, or in aid thereof, within Williamson County, Texas including, but not limited to, constructing, improving, extending, expanding, upgrading and/or developing County roads including right-of-way acquisition, utility

relocation, traffic safety and operational improvements and other transportation related improvements (to include, but not limited to, Anderson Mill Road, Brushy Creek Road, Chandler Road, Georgetown Inner/Outer Loop, Lakeline Boulevard, McNeil Road, Parmer Lane and FM 1431); and including, but not limited to, constructing, improving, extending, expanding, upgrading and/or developing State highways including right-of-way acquisition, utility relocation and other transportation related improvements (to include, but not limited to, SH 45, Loop 1, US 183-A, US 79, FM 1460, SH 130, US 95, FM 2238 and FM 2243); such bonds to mature serially or otherwise not more than twenty-five (25) years from their date; and any issue or series of bonds to bear interest at such rate or rates as may be determined within the discretion of the Commissioners Court, provided that such rate of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of the bonds; and shall the Commissioners Court of the County be authorized to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes on all taxable property in said County sufficient to pay the annual interest and provide a sinking fund to pay bonds at maturity?"

PROPOSITION NO. 2

"Shall the Commissioners Court of the Williamson County, Texas be authorized to issue and sell general obligation bonds of the County in the principal amount of not to exceed $25,000,000 for the purpose of constructing, improving, renovating, equipping and acquiring land and buildings for park and recreational purposes including parkland, scenic easement and trail acquisition and pedestrian and bike trail improvements; such bonds to mature serially or otherwise not more than twenty-five (25) years from their date; and any issue or series of bonds to bear interest at such rate or rates as may be determined within the discretion of the Commissioners Court, provided that such rate of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of the bonds; and shall the Commissioners Court of the County be authorized to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes, within the limitations prescribed by law, on all taxable property in said County sufficient to pay the annual interest and provide a sinking fund to pay bonds at maturity?"

Section 9. OFFICIAL BALLOTS. The official ballots for the election shall be prepared in accordance with the Texas Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid PROPOSITIONS with the ballots to contain such provisions, markings and language as required by law, and with such PROPOSITIONS to be expressed substantially as follows:

PROPOSITION NO. 1

FOR) THE ISSUANCE OF $350,000,000 TAX BONDS FOR ROAD CONSTRUCTION AND IMPROVEMENT WITHIN WILLIAMSON COUNTY

AGAINST)

PROPOSITION NO. 2

FOR) THE ISSUANCE OF $25,000,000 TAX BONDS FOR WILLIAMSON COUNTY PARKS AND RELATED PROJECTS

AGAINST)

Section 10. TEXAS ELECTION CODE. In all respects the election shall be conducted in accordance with the Texas Election Code.

Section 11. PROVISIONS. The provisions of this Order are severable; and in case any one or more of the provisions of this Order or the application thereof to any person or circumstance should be held to be invalid, unconstitutional, or ineffective as to any person or circumstance, the remainder of this Order nevertheless shall be valid, and the application of any such invalid provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby.

AGENDA ITEM 35

Discuss and take any appropriate action regarding jail expansion, road bond issues and park/trails issues.

No action was taken on this item.

AGENDA ITEM 36

Comments from commissioners.

Commissioner Boatright discussed the possibility of appointing commissioners to go to Texas Turnpike Authority to negotiate the "big four"(State Highway 130, 183A, State Highway 45 and extension of Mo-Pac or Loop 1 to Interstate Highway 35). The commissioner also complimented the working relationship and budget process due to the very capable leadership of County Judge John Doerfler and his willingness to do what is right for the county.

Commissioner Limmer spoke about county growth and difficult decisions regarding tax rates as well as the growth and how to keep up.

County Attorney Gene Taylor complimented the court for a good job of dealing with the budget process.

Commissioner Heiligenstein mentioned the efforts of Hays County to address subdivision regulations and whether or not Williamson County should also address these issues.

COMMISSIONERS' COURT ADJOURNED AT 12:27 P.M. ON TUESDAY, AUGUST 29, 2000.

COUNTY OF WILLIAMSON :

TAX ABATEMENT AGREEMENT

This Tax Abatement Agreement ("Agreement") is entered into by and between WILLIAMSON COUNTY, TEXAS, (the "County") duly acting herein by and through its County Judge, and SUPERCIRCUITS, INC., hereinafter referred to as "Owner".

RECITALS

WHEREAS, the contemplated use of the Premises (as hereinafter defined) and Improvements (as hereinafter defined) as well as the terms of this Agreement are consistent with encouraging development in said County in compliance with the requirements of Chapter 312 of the Texas Tax Code; and

WHEREAS, the Improvements constitute a major investment that will substantially increase the appraised value of property within the City and the County and will contribute to the retention or expansion of primary and secondary employment within the County; and

WHEREAS, the County finds that there will be no substantial adverse effects on the provision of governmental services or on their tax bases and that the planned use of the Premises will not constitute a hazard to public safety, health, or welfare, NOW THEREFORE, the parties hereto do mutually agree as follows:

1. Property subject to Agreement. The property to be the subject of this Agreement shall be that property which is more fully described in Exhibit "A" which is made a part hereof and shall be hereinafter referred to as the "Premises."

2. Construction of Improvements. This tax abatement is expressly contingent upon the Owner improving the Premises by constructing a plant and equipping the plant with personal property it deems necessary to operate the plant, with total expenditures for plant and equipment to be at least $1,750,000, and to be substantially complete by December 31, 2001. Owner shall have an additional amount of time to complete construction in the event that any completion obligations are impeded by any "force majeure". For this purpose, "force majeure" shall mean any act of God, civil commotion, governmental or de facto governmental action, fire, explosion, or strike unless caused by acts or omissions of the Owner

or any affiliate thereof. "Force majeure" shall also include any delay in equipping the plant with any personal property to the extent that the personal property consists of Specialized Equipment, and to the extent that such delay is not caused by acts or omissions of the Owner. "Specialized Equipment" refers to unique and specially manufactured tangible personal property that is purchased by the Owner from an unrelated party for installation and operation on the Property.

3. Completion of Improvements. The Owner agrees and covenants that it will diligently and faithfully in a good and workmanlike manner pursue the completion of the Improvements as a good and valuable consideration of this Agreement. Owner further covenants and agrees that all construction of the Improvements will be in accordance with all applicable state and local laws and regulations or valid waiver thereof. In further consideration, Owner shall thereafter, from the date a Certificate of Occupancy is issued until the expiration of this Agreement, continuously operate and maintain the Premises as a hotel facility.

4. Provision of jobs. The Owner agrees and covenants that it will provide and/or retain at least the number of jobs on the Premises from the completion date of the Improvements throughout the term of this Agreement according to the following schedule:

Date	Total
On December 31, 2001	27
On December 31, 2002	37
On December 31, 2003	57
On December 31, 2004	87
On December 31, 2005	120

The Owner shall provide to the County annual manpower reports within sixty (60) days following the end of each calendar year.

5. Portion of taxes abated. Subject to the terms and conditions of this Agreement, and subject to the rights of the holders of any outstanding bonds of the County, a portion of ad valorem real property taxes from the Premises otherwise owed to the County shall be abated. County hereby acknowledges that they are not aware of any terms or conditions of any outstanding bonds which would invalidate this Agreement. Said abatement shall be an amount equal to the below-stated percentages assessed upon the increased value of the Premises and Improvements over the value in the year in which this Agreement is executed, in accordance with the terms of this Agreement and all applicable state and local regulations. The percentage of abatements are as follows:

Tax Year 2001	100% abatement
Tax Year 2002	80% abatement
Tax Year 2003	60% abatement
Tax Year 2004	40% abatement
Tax Year 2005	20% abatement

These abatements shall be for five (5) tax years beginning 2001.

6. Right of inspection. The Owner further agrees that the County, its agents and employees shall have the right to enter upon the Premises at any reasonable time to inspect the Improvements in order to determine whether the construction of the Improvements is in accordance with this Agreement and all applicable Federal, state, and local laws, ordinances, and regulations or valid waiver thereof. After completion of the Improvements, the County shall have the continuing right to enter upon and inspect the Premises at any reasonable time to determine whether the Premises are thereafter maintained and operated in accordance with this Agreement and all applicable Federal, state, and local laws, ordinances, and regulations. If the County determines that a violation of a Federal, state or local law, ordinance or regulation exists on the Premises, the County may, in addition to any other authorized enforcement action, provide to the Owner written notice of such violation. For the purposes of this Agreement, the Owner shall have ten (10) days from the date of the notice to cure or remedy such violation. If the Owner fails or refuses to cure or remedy the violation within the ten (10) day period, the Owner is subject to the forfeiture, at the discretion of the County, of any right to any tax abatement for a portion of the period or the entire period covered by this Agreement. In addition, the failure or refusal to cure or remedy the aforesaid violation shall be considered a default of this Agreement under paragraph 7.

7. Events of default. In the event that (1) the Improvements for which an abatement has been granted are not completed in accordance with this Agreement or (2) Owner allows its ad valorem taxes owed the County to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem taxes; or (3) Owner breaches any of the terms or conditions of this Agreement, then this Agreement shall be in default. In the event that the Owner defaults in its performance of (1), (2), or (3) above, then the County shall give the Owner written notice of such default and if the Owner has not cured such default within thirty (30) days of said written notice, this Agreement may be terminated by the County by written notice to Owner. Such notice shall be in writing and shall be delivered by personal delivery or certified mail to:

757

Supercircuits, Inc.
Attn: Steven Klindworth, President
One Supercircuits Plaza
Leander, Texas 78641

As liquidated damages in the event of default and in accordance with Section 312.205, Tax Code, V.A.T.S., as amended, all taxes which otherwise would have been paid to the County without the benefit of abatement (without the addition of penalty, but interest will be charged at the statutory rate for delinquent taxes as determined by Section 33.01 of the Tax Code) shall become a debt owed by Owner to the County and shall be due, owing and paid to the County within sixty (60) days of the expiration of the above mentioned applicable cure period. The County shall have all remedies for the collection of the recaptured tax revenue as provided generally in the Tax Code for the collection of delinquent property taxes.

8. Agricultural land. It is understood and agreed by the County and the Owner that if the Premises have been designated and taxed as agricultural land pursuant to Chapter 23, Subchapter C, Tax Code, V.A.T.S., this Agreement shall not be effective and no abatement will be granted until Owner has removed the agricultural use designation and all taxes due pursuant to Section 23.55, Tax Code, V.A.T.S., as amended, (roll back taxes) have been paid.

9. Authorizations.

a) County. This Agreement was authorized by Action of the County Commssioners at its regularly scheduled meeting on the 29th day of August, 2000, authorizing the County Judge to execute the Agreement on behalf of the County.

b) SUPERCIRCUITS, INC. This Agreement was authorized by SUPERCIRCUITS, INC. pursuant to authority granted by its Board of Directors on the 12th day of Sept., 2000.

10. Miscellaneous provisions.

a) County representations. The County represents and warrants that the Premises do not include any property that is owned by a member of their respective boards, agencies, commissions, or other governmental bodies approving, or having responsibility for the approval of, this Agreement.

b) Agreement binds successors. The terms and conditions of this Agreement are binding upon the successors and assigns of all parties hereto.

c) Assignment. This Agreement cannot be assigned by Owner unless written permission is first granted by the County, which permission shall not be unreasonably withheld; provided however, Owner may assign its rights under this Agreement to an entity which is wholly owned by Owner. No assignment shall be approved if the assignor or assignee are indebted to the County for *ad valorem* taxes, sales taxes or other obligations.

d) Owner Acting Independently. It is understood and agreed between the parties that the Owner, in performing its obligations hereunder, is acting independently, and the County assumes no responsibilities or liabilities in connection therewith to third parties.

e) Owner's Indemnity. During the term of this Agreement, Owner agrees to indemnify and hold County harmless from any and all kinds of claims, losses, damages, injuries, suits, or judgments which may accrue to Owner, County, or third parties arising out of this Agreement.

f) Venue. This Agreement is performable in Williamson County, Texas, and venue for any suit arising hereunder shall be in Williamson County, Texas.
