TACA

Texas Association of County Auditors

October 6, 2000

Honorable John Doerfler
710 Main Street Suite 201
Georgetown, Texas 78626

Dear Judge Doerfler:

It is my distinct honor and privilege to serve as president of the Texas Association of County Auditors for the 1999-2000 year. As president, one of my duties is to bestow the Jerry Ware Leadership Award. The Jerry Ware Leadership Award is named after one of our former members whose life and actions had a significant, long term, and positive impact on our organization. Jerry lost his battle with cancer in 1994. This award was instituted shortly thereafter to recognize a county auditor or former county auditor that has made important and meaningful contributions to TACA.

The Jerry Ware Leadership Award is the highest honor that our association gives. It is presented annually at our conference in October. This year, the JWLA will be announced at the banquet to be held on Thursday, October 19, 2000 at 7:30 p.m. at the Radisson Hotel in Fort Worth, Texas.

In the strictest confidence, I would like to share with you that this year's recipient will be David Flores, Williamson County Auditor. David was our president in 1995-1996. Under David's leadership, TACA established new policies that helped our organization become more vital to our members through better communication and instruction. It was David's foresight and willingness to change that paved the way for a more dynamic organization.

I would like to invite you to share this special event with David and me at our annual banquet on October 19, 2000. If you will attend, I ask that you please make a reservation with me by Friday, October 13, 2000. You may give me a call at 940.766.8228 or email me at dascpatx@aol.com.

Very truly yours,

Deborah A. Stevens CPA
Wichita County Auditor
President, Texas Association of County Auditors
