Total Lump Sum Base Bid shall represent the total amount necessary to furnish and construct the project as detailed in the Contract Documents. The amount written in words has precedence over the numerical figure. Bid award shall be based on lowest total lump sum base bid by a responsive, responsible bidder.

The apparent low bidder shall be the lowest total lump sum base bid. The Owner may then award Contracts, if possible, to the low bidder found to be responsive, responsible and meeting the Owner's financial and service commitment constraints. The Owner reserves the right to reject any of all bid proposals, to accept the lowest responsive, responsible bidder's proposal, and to waive any informality in any proposal.

CONTRACT TIME

The Bidder hereby proposes and agrees to perform all work of whatever nature to reconstruct the Cedar Hollow Crossing Street and Drainage Improvements in strict accordance with the Plans and Specifications in a period not to exceed 90 calendar days from the date of the Notice to Proceed of the Contract as provided in paragraph 2.3 of the General Conditions.

1. BID SUBMITTAL

The undersigned BIDDER proposes and agrees, if this BID is accepted, to enter into an agreement with WILLIAMSON COUNTY COMMISSIONERS COURT, herein after called OWNER, of the form included in the Contract Documents and to perform and furnish all WORK as specified or indicated in the Contract Documents for the Contract Price and within the Contract Time indicated in this BID and in accordance with the other terms and conditions of the Contract Documents.

BIDDER accepts all of the terms and conditions of the Advertisement or Invitation to Bid and Instructions to Bidders, including without limitation those dealing with the disposition of Bid Security. This Bid will remain subject to acceptance for sixty (60) days after the day of Bid Opening. BIDDER will sign and submit the Agreement and other documents required by the Bidding Requirements within fifteen days after the date of OWNER's Notice of Award.

The undersigned, as Bidder, declares that the only person or parties interested in this Proposal as principals are those named herein, that this Proposal is made without collusion with any other person, firm or corporation; that he has carefully examined the form of contract, Notice to Contractors inviting bids, conditions and classes of materials of the proposed work; agrees that he will provide all the necessary supervision, labor, machinery, equipment, tools, apparatus, and other items incidental to construction; will do all the work and furnish all the materials called for in the Contract Documents, Plans and Specifications in the manner prescribed therein and according to the requirements of the Engineer as therein set forth.

It is understood that the following quantities of work to be done at unit prices are approximate only, and are intended principally to serve as a guide in evaluating bids.

It is further agreed that the quantities of work to be done at unit prices and materials to be furnished may be increased or diminished as may be considered necessary, in the opinion of the Engineer, to complete the work fully as planned and contemplated, and that all quantities of work, whether increased or decreased are to be performed at the unit prices set forth below except as provided for in the Specifications.

It is further agreed that lump sum prices may be increased to cover additional work ordered by the Engineer; but not shown on the plans or required by the Specifications, in accordance with the provisions of the General Conditions. Similarly, they may be decreased to cover deletion of work so ordered.

It is understood and agreed that the work is to be completed within the time herein stated.

The undersigned Bidder agrees to commence work within seven (7) calendar days after written Notice to Proceed has been given.

2. ACKNOWLEDGMENT OF PAYMENT ITEMS

BIDDER has obtained and carefully studied (or assumes responsibility for obtaining and carefully studying) and has checked all information and data shown or indicated on the Contract Documents with respect to existing Underground Facilities which pertain to the subsurface or physical conditions at or contiguous to the site and assumes responsibility for the accurate location of said Underground Facilities. No additional examinations, investigations, explorations, tests, reports or similar information or data with respect to said Underground Facilities are or will be required by BIDDER in order to perform and furnish the Work at the Contract Price, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents, including specifically the provisions of paragraph 4.2 and 4.3 of the General Conditions.

The undersigned acknowledges that the following bid items are the only items of payment under this contract and that his bid price under these items reflects the complete charges for furnishing all labor, materials, and equipment to complete the project for a functionally complete and operating system and understands the intent of the system as outlined in the Plans, Specifications and Contract Documents.

3. KNOWLEDGE OF LOCAL CONDITIONS AND CONTRACT DOCUMENTS

The undersigned warrants that he has examined the location of the proposed work, the Contract Documents, plan drawings, specifications, and all Local Conditions, Laws and Regulations that in any manner may affect cost, progress, performance or furnishing of the Work, and is familiar with the local conditions at the place where the work is to be performed.

BIDDER has given the ENGINEER written notice of all conflicts, errors or discrepancies that it has discovered in the Contract Documents and the written resolutions thereof by ENGINEER is acceptable to BIDDER.

4. CONTRACT TIME

If awarded the Contract, the undersigned agrees to complete the work within the time herein stated.

5. OWNER'S RIGHTS RESERVED

The undersigned understands and agrees that the Owner reserves the right to reject any or all Proposals or to waive any informalities of technicalities in any proposal in the interest of the Owner, except as specifically limited by the terms of the Contract Documents or applicable Laws or Governmental Regulations.

6. PRE-APPROVED EQUIPMENT

Re: Proposed Wild Life Subdivision

Dear Mr. England,

I am submitting for your review and approval seven revised copies of the above referenced subdivision plat. Please continue the review process.

As directed, additional contours and a 50' road widening easement have been added to the plat. The owner is requesting a variance to an additional 50' building line off of the easement. The 50' building line is shown on the plat as 50' from the right-of-way.

If everything is in order, please place the subdivision on the next commissioner's agenda for preliminary consideration.

If you should have any questions, please feel free to contact me.

Sincerely,

Don H. Bizzell, P.E.
