May 22, 2001

Commissioners,

I am requesting your approval to transfer ownership of twelve VHF vehicle radios, nine VHF handheld radios, and nine AC chargers to the Liberty Hill Volunteer Fire Department. These are the old style radios and we are no longer using them. Liberty Hill Volunteer Fire Department is currently using this style radio and this would be very beneficial to them. Attached is a list of the radios and their serial numbers.

Thank you,

A handwritten signature in cursive script that reads "Jim Wilson".

Jim Wilson  
Constable Precinct Two
