**RE: Cedar Hollow Road Improvements  
Change Order # 2 to Move Water Line**

Dear Commissioner Boatright,

Please consider placing the attached Change Order # 2 on your next Commissioner's Court meeting agenda.

The work will move a water line out of the way along the west right-of-way line (adjacent to Supak). This will allow the construction of a concrete slope wall and guard rail on the west side and a 3:1 dirt slope on the east side to complete the SH 29 intersection.

Also, the change order includes move-in expense of \$1,200 for the paving company and \$2,000 for the general contractor.

Elton Heine will take care of moving the fence on the east side back 10-feet and also relocating a PEC pole and guy wire.

Should you have any questions or need additional information, please feel free to call me at 512-837-2446, extension 208.

Sincerely,

Timothy E. Haynie, P.E., R.P.L.S.
