RE: Neighborhood Block Party

We would like to barricade part of the street we live on in order to have a neighborhood block party on April 28, 2001 which will begin at approximately 4:00pm. The section of Barlow Dr. we would like to have blocked off starts at 4000 Barlow Dr. and ends at 4011 Barlow Dr.

This will not block off any intersecting street in the space of these houses. Again, the only houses affected by this barricade are mentioned above. The rest of the neighborhood will still be able to enter and exit their homes through the adjoining streets of Cargill and Cleves.

If this petition is accepted please deliver appropriate road signs to 4006 Barlow Dr.
