

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
3151 S. E. Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 9-07-01

Formal notice is hereby given that Longhorn Plumbing
Company proposes to place a Repair Bent Valve in Street
Line within the right-of-way of EL Salido Parkway
as follows: (give location, length, general design, etc.)

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 12th day of September 2001

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

CONTRACTOR'S LIABILITY AGREEMENT

I, Joe Miller, Contractor for Lanham Plumbing
 in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within
 the right-of-way of EL SALIDO Parkway which is a public roadway
 maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflective and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lens.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

TEXAS BONDING COMPANY

LICENSE AND PERMIT BOND

For County, City, Town or Village

Bond No. TX8107649

Premium: \$ 50.00

KNOW ALL MEN BY THESE PRESENTS, That we, J.M. Utilities, 701 Brushy Creek Rd., Cedar Park, TX 78613, as Principal, and TEXAS BONDING COMPANY, 9841 Airport Blvd., 9th Floor, Los Angeles, California, 90045, a Corporation duly incorporated under the laws of the State of California, as surety, are held and firmly bound unto Williamson County Unified Road System, as obligee, in the penal sum of Five Hundred Dollars (\$ 500.00), for the payment of which we hereby bind ourselves, our executors, administrators, heirs, successors, and assigns, jointly and severally by these presents.

THE CONDITION of this obligation is such that the Principal has applied for a license or permit as Contractors in accordance with the requirements of ordinances of said obligee, and has agreed to hold said obligee harmless from suffering any loss or damage occasioned by said principal's failing to comply with any provisions of any ordinances applicable to the work performed by said principal.

NOW, THEREFORE, if said principal shall faithfully perform the duties and comply with the laws and ordinances (including all amendments), pertaining to the license or permit, then this obligation to be void, otherwise to remain in full force and effect for a period commencing on the 13th day of September, 2001 and ending on the 13th day of September, 2002 unless renewed by continuation certificate.

This bond may be terminated at any time by the surety upon sending notice in writing to the obligee and to the principal, in care of the obligee or at any such other address as the surety deems reasonable, and at the expiration of thirty (30) days from such notice or as soon thereafter as permitted by applicable law, whichever is later, this bond shall terminate and the surety shall be relieved from any liability for any subsequent acts or omissions of the principal.

Signed, sealed and dated this 13th day of September, 2001

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: September 6, 2001

Formal notice is hereby given that Central Telephone Company of Texas

Company proposes to place a buried telephone cable

line within the right-of-way of CR 132 & CR 136
as follows: (give location, length, general design, etc.)

Beginning at the intersection of CR 136 & 132, a buried copper cable in the east R.O.W. of CR 132, continuing south 850 ft., then boring under CR 132 50 ft. to the west R.O.W. of CR 132. Cable will be at a depth of 30 in. and 3 ft. from rear of R.O.W.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 17th day of September 20 01

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.
It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

CONTRACTOR'S LIABILITY AGREEMENT

I, Larry Parker, Contractor for Central Telephone Co. of Texas in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of CR 132 & CR 136 which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

NOTICE OF PROPOSED INSTALLATION
UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: September 07, 2001

Formal notice is hereby given that SOUTHWEST MILAM WATER SUPPLY CORPORATION

Company proposes to place a WATER

line within the right-of-way of CR 434
as follows: (give location, length, general design, etc.)

Bore and encase a 4" PVC carrier in a 6" PVC casing across CR 434 approximately 4,224 feet northeast of CR 439 intersection. Pipe to be 3 feet below ditch line and encase from ditch line to ditch line approximately 50 feet.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 17 TH day of September XX 2001

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.
